

Squad Picked for Salem's Legion Junior Baseball Team

PRACTICE WILL OPEN SATURDAY

County Schedule Soon to be Worked out With Four Teams in Action

After going over the choices submitted by the coaches and managers of the four Salem Legion junior baseball teams and interested fans, and consulting their own judgment, Coach Leo Frisco Edwards and Manager Oliver Huston have decided to have the following players report to try out for the Salem team:

Yvette, Perrine, Falst, Waddell, Maers, Vern De Jardin, Katchia, Kelly, Bahburg, McCarthy, Fillingier, Mason, Herberger, Jenkson, Ramp, Vic DeJardin, Nicholson, Spencer, Coleman, Ray, Pickens and Salstrom.

It was hoped to begin practice immediately, but since quite a number of the players are involved in the championship struggle between Parrish and Leslie junior high schools, and also since Coach Edwards has gone north to umpire the Whitman-Willamette games, the first regular practice will be called for Saturday, May 23 at 10 a. m. on Olinger field. It may be that a practice game with Stayton will be played at that time as negotiations are under way.

Revamped Idaho Squad Defeated

MOSCOW, Idaho, May 20.—(AP)—Coach Rich Fox found a new Idaho lineup and used it, but Oregon State college won, 17 to 1, in their Pacific Coast conference baseball game today.

THIS ISN'T IT

WILDCAT PETE

Pete Poses; Will Engage New Foeman

Following the meek unoffensive appearing picture of Wildcat McCann in his new wrestling championship girde, Wildcat Pete has gone one better and posed for the cameraman, or perhaps it was the artist, and now a picture interpreting his real nature as a Wildcat is at large.

Two squat ears which may have been used by other wrestlers for teasing, protrude in cat style on either side of a head of slick hair with a dividing line in the center. The artist, for that is who it must have been, did not have to alter Pete's nose one bit to make it look like one belonging to a primitive feline, but did add a few cat whiskers. Incidentally all who have seen Wildcat Pete wrestle will admit that he is the cat's whiskers.

This picture will appear soon in the Oregon Statesman, but if you are in a hurry to see what the expression on this face resembles, just off-r any hungry cat a mouse and then try to take it away again. Such is the writer's impression of the Wildcat's mien as he holds a jealous paw over the middleweight wrestling crown.

PARRISH PLAYS EUGENE OUTFIT

Roosevelt to be met Second On Olinger Field at 3:30 P. M. Today

Today at 3:30 on Olinger field, Parrish junior high will face Roosevelt junior high of Eugene for the second time of the season on the baseball field.

Roosevelt junior high came here in football and played Leslie losing the game 7 to 6. No games were played between the Salem and Eugene junior high schools in basketball. Today's game may be the last Salem-Eugene classic of the year in the junior high class.

Incidentally with Leslie playing Corvallis junior high, there is a chance that a valley champion can be selected in baseball and Parrish now stands in a good position to annex this title if a claim is possible.

Big Playoff Opens Today, Walla Walla

The Willamette Bearcats, defending champions of the Northwest conference baseball title, meet Whitman in the first of a three game championship series today at Walla Walla.

The Associated Press reports start at 5 o'clock in the afternoon and the game will probably still be in progress at that time. By 5:30 it is expected that the report will be here, unless the game is prolonged.

Coach Keene's Bearcats have not lost a conference baseball game for two years and have just three games to go this season to keep that record intact. The sledging is going to be plenty tough however and team morale is going to count a lot.

Unless the altitude affects Peterson's sinker ball, Willamette stands a good chance of winning the first tilt with Andy on the mound.

Ducks Break Losing Habit And Bounce Back in First Division; Coleman Homes

SACRAMENTO, May 20.—(AP)—Portland evened the series with Sacramento here tonight, winning by a score of 8 to 2.

Orroll checked the locals to the last frame when they tallied twice. Three errors by Hack and Coleman's home run featured a six run rally by the Ducks in the seventh.

Stars Beat Seals SAN FRANCISCO, May 20.—(AP)—Hollywood beat the Seals 3 to 1 in the second game of the baseball series tonight.

Shellenback started for the stars but was forced out after two innings when he injured his hand while batting. Bray relieved him in the third and the Seals scored their only run on Baldwin's double and a single by Frazier.

LOS ANGELES, May 20.—(AP)—Night game: Missions 2 8 2 Los Angeles 6 6 2 Caster, T. Fillette and Brenzel; Ballou and Schulte.

OAKLAND, Cal., May 20.—(AP)—Seattle 5 8 2 Oakland 2 6 2 McQuillan and Fox, Gaston; Pearson, Ludolph, Tubbs and Read.

He believes it will be possible next year to expand the league to six or even eight teams and thus give a still larger number of boys the benefit of good coaching and helpful development in the national game.

To which we can but add, Amen.

CURT COMMENTS

"Carmen's pay ordered cut" says C. J. headline. Probably due to the encroachment of canned opera in the talkies.

Now that the American Legion junior city series is over Oliver Huston, chairman of the athletic committee of Capital Post No. 9, American Legion, comes forth with an expression of thanks on behalf of the post of the four firms which helped out by entering and supporting teams in the local league.

Huston remarks that the youth of Salem has not had sufficient opportunity to play baseball due to absence of leadership for competition and lack of playing facilities.

Through the sponsorship of this program by the Legion and the business firms mentioned, opportunity has been given some 70 boys below the age of 17 to play ball under proper coaching, and have derived real benefit through absorption of the proper lessons of sportsmanship.

He believes it will be possible next year to expand the league to six or even eight teams and thus give a still larger number of boys the benefit of good coaching and helpful development in the national game.

To which we can but add, Amen.

Unknowns Give American Pair Lot of Trouble

AUTEUIL, France, May 20.—(AP)—Faced by George Lot and Johnny Van Ryn, doubles favorites, all except two of the American mustered for the French courts tennis championships advanced today, some of them as far as the quarter final rounds.

The stellar American doubles team ran into unreson trouble in defeating Georges Glasser and Antoine Gentien, two of the younger Frenchmen, but survived a third set uprising to win 6-1, 6-2, 11-13, 6-3.

FIVE-WAY CINDER AFFAIR SATURDAY

Under the direction of Curtie "Hiram" French, four year track man of Willamette, the Bearcats will enter the five way meet at Forest Grove Saturday with Pacific university, Linfield, College of Puget Sound, Albany college and Willamette competing.

A joint meet is an uncertain affair and it is possible for a team strong in just a few events to profit by the splitting of points by the other entrants and win the meet. Willamette has a good chance of winning in the half mile, two mile, pole vault and possibly the mile.

Coach "Les" Sparks announced that a meet with the Month normal will be held here next Tuesday at which time the men will be chosen who will go to Walla Walla for the northwest conference meet at which time all six of the conference schools will send their best men.

Pete is going to get some of the baseball men out Monday to bolster up his team in several of the events. Pete Gretsch and Walt Erickson are good on the broad jump and Andy Peterson may also be worked in.

FROSH BEAT ROOKS CORVALLIS, Ore., May 20.—(AP)—The University of Oregon frosh baseball team defeated the Oregon State rooks, 12 to 8, in a 10-inning game here today.
