Seventy-two seniors will receive bachelor of arts degrees from Willamette university at the commencement exercises of the institution on Monday, June 15, at 10 o'clock in the morning, in the First Methodist Episcopal church. At the same time, seven bachelor of laws degrees, three music degrees and one music diploma will be awarded in addition to several master of arts, doctor of divinity and other degrees and awards will be presented by the administration of the university.

Starting the commencement week end, the senior class will have its annual picnic somewhere in the country at 8:30 o'clock Saturday morning, June 13.

The annual meeting of the board of trustees will take place in Eaton hall, probably in the office of the president, at 10 o'clock. Matters of business for the year's work will be taken up at this time.

Class day exercises in the university chapel in Waller hall will take place at 2:30 in the afternoon. At this time the senior class will present for the approval of those students and faculty members and friends who gather, the will and prophecy for the class. A special bit of stunting is being planned which will make this meeting different from the ordinary run of such occasions.

Alumni activities for the day are not planned as yet in detail. The activities will include a business meeting in the chapel at 4 o'clock and a banquet, probably in the gymnasium, at 5:30 o'clock.

President and Mrs. Carl Gregg Doney will hold a reception in Lausanne hall at 8 o'clock in the evening to alumni, seniors and their guests, trustees, faculty members, students and friends of the university. It is expected that over 750 persons will be in the line during the evening.

The baccalaureate service sermon will be preached Sunday morning by President Doney in the regular 11 o'clock service of the First Methodist Episcopal church, while in the afternoon will be a reunion and farewell service in the chapel.

Music will be presented at this time and perhaps an address. There will be a free-for-all chance for anyone to make a talk or a speech at this time. This privilege is open to students, alumni, faculty and friends alike. Dr. Doney stated Saturday that the atmosphere would be informal and those in attendance will be alumni, seniors, students and friends. The time is scheduled for 4:30 o'clock; the place, Waller hall chapel.

The Y. M. C. A., Y. W. C. A., Wesleyan group and other Christian groups will have their church services at the First Methodist Episcopal church at 8 o'clock in the evening, with the sermon by Wilbert Doney. Rev. Dowson is recently from the east, and now occupies the pulpit at the First Methodist church in Portland. A year or two ago he received an honorary doctor of divinity degree from Willamette university. Diplomas to be presented Monday.

Commencement exercises for the seniors will take place Monday morning, June 15, at 10 o'clock in the First Methodist Episcopal church. Trustees, faculty and seniors will assemble at Eaton hall at 8:30 o'clock and march to the chapel.

The address of the day will be delivered by the Hon. Charles S. Cutting, a graduate of Willamette university in the class of 1872. He was for two terms president of the bar association of Cook county, here, and probate judge for a number of years. At the present time Mr. Cutting is head of a large law concern in Chicago which handles considerable business in estates and corporations.

Following the address will take place the conferring of degrees and the announcements of prizes and honors by the president. Music for the day will be by the university school of music.

Don't miss "Dishonored"! If you are keen for fine acting you will be more than pleased; if you are especially fond of good photography and dramatic pictures you will be decidedly interested in this picture; and if you like a tense, dramatic plot which has realism enough to keep it from being morbid at any time you will be pleased with Warner's picture and her treatment of the theme of "Dishonored" now showing at Warner Bros. Elsinore.

Dietrich is so skilful in the technicalities of her acting that she achieves that rare finish which comes from having mastered the elements of a thing one very own.

"Fighting Caravans" is now playing at the Capitol to an excellent house. The interesting story of the life of pioneers and the life of all sorts which came into the life of pioneers draws the attention of the public. Many interesting characters are to be seen in this and the make-up is of real interest.

All whiskers appearing in "Fighting Caravans" are real, every male actor electing to wear his own chin decoration rather than borrow from the studio make-up department.

False beards have to be stuck to the face with spirit gum and produce an extremely uncomfortable, itching condition. Faces so adorned feel as though encased in a plaster cast, according to Ernest Torrence, who, with Gary Cooper and Tully Marshall, is seen in featured role. For this reason, in home-grown whiskers are preferred.

"Rango" will follow "Fighting Caravans" at the Capitol.

Ernest Schoedsack, producer of the Sumatra jungle film "Rango," spent eight months in the Achin fever belt, almost on the equator, photographing his story.

His only companions were Mrs. Clara Love, Verda Kate McCracken, Edith Frances Morange, Germaine Albert Lars Nelson, Amanda Mitzner.

Frank Doerfler Gardens Viewed By Large Crowd

Several hundred people from Salem, valley towns and Portland, visited the gardens of Frank Doerfler Sunday when he and Mrs. Doerfler opened their gardens east of town to the public. Among the visitors were several easterners who are visiting in the west.
 Opinions were expressed by large numbers that the gardens were among the most beautiful to be seen either in the cities or the country. Every nook and cranny of the large rolling gardens was in perfect care and offered a beautiful example of well kept and well planned gardens.

 The application for a pardon was opposed by Claude Barrick, district attorney of Tillamook county.

'DOLLAR DAY' PLAN FOR NEXT HOLIDAY

PORTLAND, Ore., May 25.—Anticipating exceptionally heavy travel in connection with centennial round trip fares effective over the Decoration day holiday, railroads of the west today were mobilizing all available extra equipment to be utilized in handling the widespread excursions.
 Tickets are to be sold under this "Dollar Day" venture next Thursday, Friday and Saturday (May 25, 26, 27) with return limit of Monday, June 8. This will be the last "dollar day" excursion of the season, according to J. A. Ormandy, passenger traffic manager of the Southern Pacific. An extra sale date and a longer return limit are being offered this time which is expected to make

Schoedsack, Alfred Williams the camera assistant, a Chinese interpreter, a Japanese cook and a group of native bearers.
 Hundreds of friendly apes were constantly in and out of camp, and tigers made frequent prowling calls. "Rango" is a story of the struggle for existence in the matted, steaming depths of the tropical Malayan jungle. It shows the parallel that exists in the lives of a native tiger hunter and his son, and a red-haired ape, the oran-outan, and his two-year-old ape-son, "Rango."
 The work of Schoedsack and his companions was fraught with dangers not only from the ferocious wild beasts that lived in the vicinity, but from the ever-present menace of jungle fevers, and exhaustion from the terrific heat.

NO DROUGHT THIS YEAR, FORECAST

WASHINGTON, May 25.—(AP)—J. B. Kincaid, who from his desk in the weather bureau has for years traced the nation's rainfall on intricate maps, has scanned the well-thumbed charts and made this observation:
 "There is no indication now of a repetition of last year's drought."

Water Rights in Lake County Are Now Adjudicated

The findings and order determining the relative rights to the use of the waters of Crane Creek and Kelly Creek, and their tributaries, and the tributaries of Goose Lake, in Lake county, were signed here Monday by Charles E. Stricklin, state engineer.

 Water users dissatisfied with the findings of the state engineer may appeal to the circuit court.
