MAKE HAIR GROW like NEW YORK girls

The beauty methods they use must be simple. But they de-mand results. Danderine satisfies them on both counts! Put a few dashes of this fragrant liquid on your brush each lime you arrange your hair. See it work wonders! Danderine removes oily film;

brings out the full, natural color of your hair. It gives hair more sparkle and life than brilliantine. Makes it softer, fluffler, easier to arrange. Holds it in place for hours! The worst crust of dandruff is

promptly dissolved by Danderine, Scalp is cleansed, soothed. Hair stops falling; is quickly encouraged to grow longer, thicker and more abundant. One trial and you won't wonder at the overwhelming way the loveliest girls everywhere are showing their approval.

SEASON POT-ROAST WITH. SUGAR AS WELL AS SALT

Combined Flavors of Sugar and Salt Blend Deliciously with Meat

These are days when there are always bargains on the meat counter. A lady who bought a chuckroast for 45 cents—made a tasteful discovery by cooking it as follows:

Sear and brown both sides of the meat in an iron or pot-roast kettle containing two or three tablespoonfuls of fat. Then sprinkle top surface of the meat with sugar as well as salt. Add about a cupful of water, then cover the kettle and cook for an hour. Turn the meat and sprinkle newly exposed side with sugar and salt. Continue cooking until the meat is tender, adding just enough water to keep the meat from burning. Serve with the gravy which remains in the kettle, thickened with flour if you wish. You'll be surprised at the unusual, full-bodied flavor in the meat as well as in the gravy. These are days when there are

cheap cuts of lamb respond to this seasoning if you prefer that meat to beef. Vegetables also are more tasteful when a dash of sugar to a pinch of salt is added. Most foods are more delicious with sugar. The Sugar Institute.

Western Boy is Healthiest

"MY little son, Lee Boyce, had whooping cough," says Mrs. Sam Heyman, 3700 Haynie Ave., Dallas, Tex. "He was having a hard time until I heard of California Fig Syrup and got him some. The first few doses regulated his bowels; brightened him sup marvelously; even seemed to ease the coughing spasms a great deal.

"I have since used Fig Syrup with my boy during colds or upsets. It has been a wonderful help to him; has assisted in making him the strong boy you see—perhaps the healthiest one in our neighborhood."

For more than fifty years, mothers have praised California Fig Syrup. Leading physicians advise its use with bilious, headachy, constipated children, or to keep the bowels open during colds or children's diseases. Children love its rich, fruity flavor. It tones and strengthens weakened bowels; helps make children robust. Look for the name California when buying. That marks the genuine.
