Methodist Survey Mentions Need of Library and Science Building

Recommendations for an enlarged educational plant at Willamette university are included in the preliminary report of the survey made by the board of education of the Methodist Episcopal church, just released here. It mentions that a new library and a new science building are needed.

More attention to vocational guidance is needed, and preliminary courses in dentistry, engineering and theology are recommended.

"The women of Willamette are treated better than the men," the report states.

Total education expense per student at Willamette is \$239.93 as compared to \$173.49 for the 33 leading Methodist colleges and \$294.10 for the 17 recognized by the American Association of universities.

"Willamette university is well advised in the expenditure of its money," says the report. "Willamette ranks third in the amount of endowment for each student in the entire list with \$125. The median for the leading 33 institutions is \$46.33 while the median for the 17 recognized colleges is \$36.23.

Average student fees at Willamette Low

Average student fees for university students of the 33 leading colleges is \$3164.64 and for the 17 recognized ones, \$187.71. Willamette is 34th on the latter list and 12th on the latter list with \$123.11.

Willamette university has a median of 15.1 students in each class while the 33 leading institutions have 15.1, the same, and the 17 recognized by the A. A. U. has 16.8. The ratio for students per faculty member is 14.7 in each group for a median.

"Good judgment has been shown in picking the faculty" in Willamette; the median salary per faculty member here is \$2,558 per year while the leading 33 have a median of \$50 less and the 17 recognized Methodist universities have medians of \$250 more.

Of Willamette's faculty 37 per cent have doctor of philosophy degrees while the 33 have 33 per cent and the 17 have 40 per cent. Instructional salary for each student is \$163.01 at Willamette university while the leading 33 have \$172.90 and the recognized 17 have \$174. The highest is Hamline university with \$223 and the lowest, Oklahoma City university with \$94.

County Pays on Land at Silver Falls Park Site

Purchase by the county of 200 acres of land in the Silver Creek Falls area from the federal government was virtually completed yesterday, with the county court directing an order appropriating \$500 for payment on the lands. By a recent agreement, the county is to pay \$2.50 per acre for the lands. The land is in two tracts, 160 and 40 acres.

This land will be redeeded to the state, which will set it aside as part of the perpetual park to be maintained in the falls area. The state is purchasing 600 acres of land in that section.

Waconda Girls Are Entertained

WACONDA, May 26. — The "Happy Hour" club was entertained Saturday afternoon at the home of Miss Evelyn Hall. Following a busy session with needle and thimble refreshments were served by the hostess, assisted by Miss Lella Runcorn.

The Happy Hour club, which includes girls from the ages of 9 to 13, was organized this spring. Mrs. E. J. Sharff and Mrs. F. R. Nusom are the leaders. These girls are learning to sew at the meetings, which are held every Saturday afternoon during the school year.

At the last meeting it was decided to disband for the summer months. During the business session it was decided to have a picnic in the near future.

Officers elected to serve next year are Lella Runcorn, president; Rosemary Nusom, secretary. Other members are Cora Marie and Arley Park, Dorothy Sharff, Helen and Marie Hannegan and Frances Wood.

S. S. CLASS ENTERTAINED STAYTON, May 26. — The Gleamers of the Christian Sunday school held a party at the Fibby Crabtree home Friday night, with about 25 present. Games, cake and coffee were enjoyed. Mr. and Mrs. Crabtree received many congratulations on the recent remodeling of their home. A kitchen and two bedrooms have been added and other improvements made.

COACH WILL MARRY STAYTON, May 26. — Word has been received here that Guy Maunery, a former teacher in the Stayton school, will be married at Coquille June 10 to Miss Maxine Paulson. Mr. Maunery, who has been teaching the past two years at Lakeview, was athletic coach here two years ago and has many friends who will be interested in the coming marriage.

OUT OF HOSPITAL STAYTON, May 26. — Miss Mahle Sherman, who has been confined to the Stayton hospital for several weeks, was removed to her home at Shaw Sunday, greatly improved. The young lady was suffering from a peculiar malady, which baffled attending physicians for a time. Her many friends will be happy to learn of her improved condition.

Under the Dome... Occurrences and Gossip at the center of Oregon's state government

THE flax situation is still with us. The state board of control spent the best part of two hours yesterday in considering different phases of the industry, ranging from insurance rates on the product to selling flax pulling machinery. And wherever flax is discussed there is a round of questions and arguments—thus the two hours.

Putting the industry on a paying basis is the goal which Governor Meier says he hopes to attain. He declared this was the one promise he made in his pre-election campaign, and the one thing in which he was deeply engaged. William Elzing, among other things, is likewise devoting considerable of the special investigation work to this phase of the state penitentiary.

When the governor made his declaration that the flax industry was one job which he was undertaking, Hal E. Hoss, secretary of state, and the lone self-confessed "battle scarred" member of the board of control, reminded the executive he had a mighty big job. Meier replied by stating that was the kind of work he liked—big jobs.

The state supreme court, in its dealings with the state board of control, will have to operate without the vote of the governor, who yesterday stated he was "naturally prejudiced" against that body. The remark was provoked by the matter of improvements in the supreme court building, for which \$5000 was provided by the state legislature. The matter was delayed until Rufus C. Holman,

state treasurer and new member of the board, has had time to investigate.

Ben Wing of Portland was appointed new clerk of the state board of control, the title attached to the office of investigator of families and estates of inmates of the feeble-minded and insane institutions. The investigator, as provided by the last legislature, will ascertain to what extent families and estates can pay to the support of inmates.

The appointment of Wing was made over the objection of Hal E. Hoss, who stated he could see no reason why that task could not be ably handled by the secretary of the board of control, with possibly the addition of a stenographer. In this connection the governor announced he would present a plan to the board, while the next week on the reorganization of the state purchasing board and the offices under the secretary of the control board, Carlo Abrams.

Senator Joe Dunne of Portland was among the visitors at the state capitol yesterday, and called upon the governor. Other visitors included Frank Osmond, formerly deputy sheriff of Coos county, who called upon state officers, G. E. Taber, former banker of Marshfield, was also among the visitors to the governor's office.

Two important meetings are scheduled for today having to do with state business. One is the state board of higher education, in Portland, while the second is the hearing before commissioner Charles M. Thom-

GIRL RESERVES TO WIND UP PROJECTS

With Girl Reserve triangles in the various schools of the city winding up their work this week, Mrs. Elizabeth Gallaher, in general charge of their activities, will meet with each group sometime during the week to outline plans for the summer recreational period at Camp Santaly the latter part of July and early August.

Mrs. Gallaher will talk to the seventh, eighth and ninth grades at Parrish this afternoon, and will also meet with the Leslie group to outline plans. She will be at Grant Wednesday; Garfield Thursday, and Englewood Friday.

In addition to talking camp, she will also give a resume of the Girl Reserve work of the past year

as, on rates and service of the Eastern Oregon Power and Light company. The hearing is expected to be terminated at noon, while the education board meeting may last several days.

WACONDA CLUB TO MEET WACONDA, May 26.—The last seasonal meeting of the Waconda community club will be held Wednesday, May 27, at the home of Mrs. Robert Cole. All members are urged to attend as plans for the annual picnic will be completed at this time.

This will be an all-day meeting with a pot-luck lunch at noon.

4-H SHEEP CLUB PLANS ACTIVITIES

MONMOUTH, May 26.—Monmouth's 4-H Purebred Sheep club met Saturday, May 23, at the James Riddell farm. The day's activities included study of the various breeds of sheep, and work

on sheep judging, after receiving help from Mr. Riddell.

Miss Kathleen McCrae, a Monmouth girl who is attending the Normal school, is leader. Members are Jimmy Riddell, Donald McCaleb, Kermit Roth, Theo McCaleb, Raymond Adams, Cleo McCaleb, Anthol Riney and Elmer Bork. Two of the boys, Jimmy Riddell and Donald McCaleb, have won scholarships to the two weeks summer session at Oregon State college, and are looking forward

to this opportunity for advancement.

PAGANT IMPRESSIVE ACTY, May 26.—"Challenge of the Cross," a pagant given at the M. E. church Sunday evening, was beautiful and also carried with it a lesson for everyone. As each episode was given the choir sang a song making the act quite impressive. Other numbers were acted by Helen Massey, Miss Cannel and Shirley Umphlette.

Ward Tires are made by one of world's largest tire companies! Free Mounting at Every Ward's Store

Montgomery Ward & Co. sells two qualities of tires

THE RIVERSIDE is our first quality tire

It is made by one of the largest tire companies in the world. It is built to one of the most stringent sets of specifications in the tire industry. It is one of the best known tires in America. It has been sold by Ward's for nineteen consecutive years. Millions of Riversides are in use today. It is backed by a guarantee without limit as to time or mileage.

Other fine tires equal in quality to our Riversides are Firestone High Speed, Goodyear All Weather and Goodrich Silvertown Cords... but these tires are much higher priced than Riversides. The table at the left gives you a size-for-size price comparison.

Having studied that price comparison there remains only one question for you to ask... "Are Riverside tires really as good as these other tires with which they are compared?" Well, Montgomery Ward & Co. has been in business for sixty years. It is one of the largest and oldest merchandise institutions in the world. It is the originator of the "Satisfaction Guaranteed or Your Money Back" guarantee. It depends for its business not only on tires, but also on some 40,000 other items of merchandise which it wishes to sell to you. Isn't it reasonable to believe therefore that Ward's MUST be telling the truth when it makes these direct statements to you?

THE TRAIL BLAZER is our second quality tire

It is of the quality similar to such other nationally known "second-line" tires as Firestone Oldfield, Goodyear Pathfinder, and Goodrich Cavalier. And it, too, sells for LESS than other second-line tires... as the table at the lower left indicates.

This combination of quality-with-lowest-price which is offered by Ward's seems to have made some of our competitors very envious (especially Firestone dealers) so they are making and publishing misleading and inaccurate statements about "Mail Order" tires. But they do NOT compare their first quality tires with our Riversides... and their second-line tires with our Trail Blazers... for they know that to do so would immediately indicate how very much lower Ward's tires are priced. So these alarmed competitors have, cunningly enough, priced their "second-line" tires at exactly our first quality Riverside prices... and then they print incomplete comparison tables which are intended to make people believe that their prices, quality for quality, are the same as ours. Well, they are NOT! (See tables at the left.) And the chart directly below shows how Ward's Trail Blazers compare in quality as well as in price with other nationally known second-line tires. Will you please compare the specifications and the prices?

8 WAYS TO COMPARE TIRE VALUES

This Table lists the eight comparisons that were made (Six FIRSTS for Ward's Trail Blazers) And Trail Blazers are also the lowest priced.

4.50-21 Tire	Ward's Trail Blazers	Firestone Oldfield	Goodyear Pathfinder	Goodrich Cavalier
Non-Skid Depth	.350 in.	.250 in.	.318 in.	.190 in.

Squogees	(List Price) \$5.15	(List Price) \$5.69	(List Price) \$5.69	(List Price Usual) \$5.65

I have personally examined the specifications of the four tires described above and hereby certify that I know these specifications to be exact, accurate and devoid of prejudice.

Subscribed and sworn to before me, this 9th day of April, 1931 at Chicago, Ill.
