

Chemawa and Gervais Play for County Title Here Today

OLINGER FIELD AT 3 O'CLOCK

Good Game Expected, but Indians Favorites Due to Season Record

Chemawa Indian school and Gervais high, "A" and "B" league baseball champions, respectively, in Marion county, will meet for the all-county title on Olinger field this afternoon at 3 o'clock or as soon thereafter as the Indian lads can finish writing semester exams which are now under way, and dive into baseball togs.

In addition to winning all its "B" league games Gervais has taken the measure of some of the larger schools in the county this season, and Coach Tumbleton while not predicting a victory, is confident that his team will make a good showing.

Chemawa is the favorite on account of its record over the high school Woodburn and Silverton each, to say nothing of a couple of wins over teams of collegiate ranking.

SALEM HIGH BEATS AMITY TEAM 15-5

CURT COMMENTS

The school year is about over and with it the peak of athletic behavior on the part of the younger generation. We have in the past decided the letting down that comes with cessation of the school year, and perhaps thereby brought on ourselves unheeded retribution from parents who think their adolescents devote enough time to play without prolonging it through the summer.

Nevertheless, in a moderate amount of exercise is advisable at all seasons for the active youth—as the young thing sweats it out, "there's no harm in dancing if you keep on dancing." On second thought, maybe she has something else, but it's appropriate nevertheless. Play does keep one out of mischief.

Each club used three pitchers but Fullerton, who twirled the final four rounds for Portland, was invincible. He yielded only two hits in that time.

After cutting down a three run lead to one run in the fifth, the Beavers landed on Peters for the tying and winning scores in the sixth on successive singles by Fenton, Rhie, Johnson and Coleman.

Leslie Defeats Academy Team In Tight Game

Leslie junior high baseball team made it two to one in its series with Sacred Heart academy by winning Tuesday's game 5 to 3.

Each had taken one game previously. Waddie Leslie, pitcher, allowed Sacred Heart only three clean hits in Tuesday's game and was accorded good support including a fast double play with putouts at second and first on a ground ball to third, which is stepping some for junior high boys.

This good showing was made in spite of a revamping of Leslie's infield combination, necessitated by the ineeligibility of two players. The reserves who took their places worked better than the ex-regulators.
