Capitol Post No. 9, American Legion, American Legion, drum

corp will hold a benefit dance at Kent Hall, which is located four miles south of Brunk's Corner on the road to Independence, Thursday evening, May 28.

The purpose of the dance is to raise sufficient funds with which to buy new equipment for the drum corps. Thomas Bros., dance band will furnish the music. The members of the corps are drilling regularly and are making progress. It is expected that the corps will make a creditable showing at the state convention to be held in Corvallis in August. The personnel of the corps is composed of business and professional men of Marion county who are devoting their time to this project the organization merits the support of the entire community in its endeavors.

The committee in charge includes W. M. Moorman, Thomas Hill, Dave Shade, M. Clifford Moylan, Henry Ohrens.

## SCOUTS TO SCRUB 'CIRCUIT RIDER'

Carrying out their promise to Governor Meier on occasion of the meeting with him on 21st anniversary of scouting, members of Boy Scout troop 12 will gather this evening on the statehouse grounds to clean and polish the statue of the Circuit Rider which stands near the southwest corner of the capitol.

All materials for cleaning, brushing and polishing are being furnished by the state, but all the elbow work and other energy will come from the members of troop 12, sponsored by Jason Lee church.

The statue has never been cleaned—except by cursory treatment of rain and other elements—since it was placed in the park. It is said.

The scouts offered to do a good turn for the state suggested by the governor, and it was cleaning of the various ornaments and statues on the grounds that the executive proposed.

## FRIENDSHIP SAID BASIS OF ROTARY

"What is a Rotarian?" was the question answered by W. O. Munsell of Portland, president of Mitchell, Lewis and Staver company and a past president of the Portland club, in his address before the Salem club Wednesday noon. The core of Rotary he found to be friendship, which he declared was binding among the men in Rotary. Rotary, he said, furnished the first business code of ethics. The good Rotarian is one who lives up to his high duties as a member of society and who leaves every situation on a higher level than he found it. He has no wish for success that it not founded on fairness. There were some of the points developed by the speaker in answering his question.

The attendance contest for the past two months was won by O. F. Franklin's team.
