

SCIO GROUP PLANS FESTIVAL

Entertainment Features to Be Enjoyed Today, Reported

SCIO, May 28.—Interest in the festival to be staged by Scio merchants in this city Friday of this week is approaching fever stage. The program starts at 10 in the morning with a walking contest in which entrants will assemble at the Arnold school house and walk against time to Scio. Contestants are to cross the bridge in this city, proceeding north on Main street to the P. H. MacDonald place, thence west to the W. A. Ewing residence, thence south to Mill street, thence to Main street and south to the W. H. Dennison store. This is the tentative plan announced by the committee in charge which consists of W. H. Dennison, George Patry and P. W. Schurck.

As the name of the contest implies, it is to be a walking test and not a foot race. Professional walkers will be barred, as the regulations now exist, it is emphasized.

Prizes are to be given for the best time made in the dash, which will be approximately 2 1/2 miles. It is understood some good footmen are gauging themselves for the contest, and it would not be surprising if a number of ladies enter the test which will be one of endurance as well as walking speed. Seasoned baseball girls, who also have had practice in football and basketball, are being impetioned to try their endurance on this occasion.

Following the walkathon, the program will bring to the climbing of a greased pole near the corner of Main and Mill streets, on the site occupied by the chopping contest May 16. A prize will be given in this connection and it is expected many will participate. It is proposed to have a program in this city each week-end during the summer in order that ruralists may enjoy a diversion and for the purpose of cultivating cordial co-operation and good feeling between the city and the surrounding community.

Pioneer Cemetery In Tillamook Is Visited

ZENA, May 27.—Mr. and Mrs. Roy E. Barker and son, Sammy, accompanied by S. H. Barker, all of Zena, made a trip to Tillamook Sunday and were dinner guests at the home of Mr. and Mrs. Fred Gould, brother and sister-in-law of Mrs. Barker.

The trip was made for the purpose of visiting the grave of Mrs. Barker's mother, Mrs. Martha Walling Gould, who was buried in a cemetery located four miles out of Tillamook, a property owned by Mrs. Barker's maternal grandfather. This was the only cemetery in that part of the country for many years. It is practically inaccessible to motorists and those desiring to visit it have to walk almost a mile to reach it. At the time Mrs. Gould was buried her remains had to be carried for half a mile.

Mrs. Barker said in speaking of it that for a beauty spot it could not be rivaled as it is located in dense wildwood but that it is so hard to reach that most of the graves have been sadly neglected.
