# Consider your Adam's Apple!!\* Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

Adam and Eve in the Garden of Eden — A story we have all heard since childhood — Consider your Adam's Apple — the possession of each one of us, man or woman — your voice box — containing your vocal chords — your larynx — Don't rasp your throat with harsh irritants — Reach for a LUCKY instead — Be careful in your choice of cigarettes.

Remember, LUCKY STRIKE is the only cigarette in America that through its exclusive "TOASTING" process expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. And so we say "Consider your Adam's Apple."
