

Salem and Silverton Juniors Battle for County Title

PITCHING DUEL NOW FORECAST

Leffler and Vivette Likely To Start Today; Second Game Here Sunday

The championship series of American Legion junior baseball in Marion county will get under way at 2:30 o'clock this afternoon on Silverton's diamond with the Salem and Silverton teams battling for the title as they did a year ago, when Silverton won by a narrow margin and went on from there to win the northwest district title.

A second game will be played in Salem on Olinger field Sunday forenoon at 10 o'clock, and if these two games are split there will be a third contest, time and place yet to be decided.

Report from Silverton is that if Leonard Vivette is on the mound for Salem today, as seems probable, Lefty Leffler will be his opponent. Whenever Vivette takes the mound for Salem in this series, the unusual situation will be presented of the man who coached him to his present undoubted ability as a slab artist, sitting on the opposite bench as coach of the opposing team; R. G. Downie of the Chemawa Indian school, now directing the Silverton Juniors. The Silverton newspaper suggests that Downie will tell his new charges just what to expect and how to combat it.

Silverton Backers Appear Confident
 The other side of the picture presents "Frisco" Edwards, coaching the Salem team now, sitting opposite his former Silverton charges and perhaps telling Vivette what kind of pitching they don't like.

The general aspect of reports from Silverton is one of confidence, due partly to Silverton's past successes and also based on observation of Silverton fans who have seen Salem play, which is to the effect that Silverton has a better balanced team.

If Vivette and Leffler are the opposing moundsmen today, Perrine of Salem and Susee of Silverton, recently a Gervais high pitcher, will battle it out here Sunday, it is indicated.

Following is Silverton's season record to date:

ANOTHER of America's distinct turf classics will be run tomorrow when the Belmont Stakes, first held in 1867, will bring together the class of the nation's three-year-olds over the mile and a half route. This year most of the advance talk would make it seem as though the race will be a duel between Twenty Grand and last year's speed sensation, Jamestown. The latter has been slowly rounding into form this season but reports at this writing indicate that he should test the greatness of Twenty Grand to the limit.

Of course, general fan opinion association, spent today inspecting Seattle's new \$2,000,000 Harbor-View hospital, overlooking Elliott bay.

An assembly there was addressed by Miss Janet Geister, national director of the association and Miss Mary Roberts, editor of the American Journal of Nurses, both of New York.

TWENTY GRAND IS BELMONT FAVORITE

NEW YORK, June 12—(AP)—Rivals for the three year old championship, Twenty Grand, winner of the Kentucky Derby and Jamestown, king of the 1930 juveniles, carry their battle of work-outs into actual competition tomorrow in the 63rd running of the \$75,000 Belmont stakes.

Only Mrs. Katherine E. Hitt's Sun Meadow was left to face the two stars, when the entry list was posted today. But with a fourth place purse of \$1000 there may be an added entry or two before Started George Cassidy gets the field away on its mile and one-half journey at about 3:15 p.m. EST. Whether the track be muddy or fast, Twenty Grand carrying the silk of Mrs. Payne Whitney's Greentree stable, is almost certain to answer the bugle call as the favorite. Shrewd horsemen today considered the son of St. Germans-Bonus a 4 to 5 proposition on a slow track and even shorter if today's sun and wind dry up the Belmont park racing strip.

SIXTY VACCINATED AGAINST SMALLPOX

Sixty known contacts with Henry Leonard, transient whose case of smallpox Thursday morning forced him to ask the city for aid, had been vaccinated by the Marion county health department up to last night.

Leonard was taken to the isolation hospital at Portland after his case was brought to attention of Dr. V. A. Douglas, county health officer.

The matter was also reported to the health officer of Polk county, as Leonard spent a short time in that county, at a short time in that county. Many of the contacts there were vaccinated here.

Leonard was traveling from California to Washington with the J. J. Connor family, the group stopping at various places along the way to work.

rates Twenty Grand as this season's Gallant Fox. The sturdy son of St. Germans and Bonus was beaten in the Preakness by Mate but bumping was blamed by many for that defeat. He came back to win the Kentucky Derby definitely outclassing Mate and setting a new Churchill Downs track record, 2:01 4-5 for the mile and a quarter.

Twenty Grand's youthful trainer, Jimmy Rowe, and his jockey, Charley Kurlander, are confident that the Belmont Stakes will reveal most clearly that their employer, Mrs. Harry Payne Whitney, has the year's greatest race horse. They hope Twenty Grand will lower the 2:31 2-5 time made by Gal-

lant Fox last year and take his place among the immortal thoroughbreds that have made history at Belmont Park.

Since Ruthless won the first Belmont stakes back in '67, the pick of the three-year-olds have always assembled for this New York track event. Just think of "em—Henry of Navarre, Africander, Colin, The Finn, Hourless, Sir Barton, Man O' War, Zev, Blue Larkspur, Gallant Fox and scores of others have been winners at Belmont.

Will Twenty Grand or Jamestown join that list tomorrow? Or some one of Major Leo McManus's carefully selected out-

comes? It is a question that will be answered in the race.

SACRAMENTO, June 12—(AP)—Malcolm Moss, dangling young southpaw of the Angels, hurled a no-hit ball game against the Sacramento Senators here tonight but his pitching feat lacked the shout of a perfect game. He was touched for a run in the seventh inning on a walk, a wild pitch and two infield outs. The only questionable play was a hunt by Demaree which Moss fielded and threw wildly to first.

Los Angeles won the game 5 to 1, hitting Hubbell freely late in the game.

SAN FRANCISCO, June 12—(AP)—Portland beat the Missions here tonight with a 12-to-9 victory in a 10-inning game. The Ducks overcame a five-run lead to take the battle, tying the score in the ninth. Walsh, Mission pitcher, threw the ball in the dugout, allowing Coleman to score the tying run. The Ducks came back in the 10th to score three more. Each side chalked five errors, and hits were plentiful throughout the game.

LOS ANGELES, June 12—(AP)—In a game in which more errors were made than runs scored, Hollywood's Stars lost to the Seattle Indians tonight, 4 to 0. The Stars—who were anything but what the name implies—made four errors as a result of which allowed two men to steal home.

Seattle made two errors. Despite the sloppy playing, Ray Keating pitched superb ball for the winners, allowing but four hits.
