

Salem Juniors Beat Silverton 8 to 4 for County Title

DOUBLED BLOWS SPELL VICTORY

Attack Concentrated in two Innings; Vivette Fans Thirteen Batsmen

War clubs of Salem's American Legion Junior baseball team dominated Saturday's final game for the Marion county championship and eliminated Silverton, runner-up in the statewide competition two years ago and northwest champion last season, from further participation this year, to the tune of 8 to 4 on the Chemawa diamond.

Silverton accumulated almost as many hits as Salem but the local boys battered two pitchers in the second and third innings for seven runs and that was enough to assure them of victory in the all-important contest, when backed up by Vivette's tight pitching in moments of danger.

Susee, Silverton moundsman who had blanked the Salem team in last Sunday's tight 1 to 0 battle, apparently was not at his best Saturday and in the second inning floundered into trouble.

Vivette walked to start the big inning. Vic DeJardin singled, Ramp drove them in with a three-bagger. Coach Downie consulted Susee and on finding that he was not feeling right, sent in Leffler, who was not thoroughly warmed up. Leffler walked Filisinger and then Vern DeJardin scored them both with a single. Three men filed out on the slaughter.

Third Is Another Profitable Inning
Vic DeJardin walked to open the festivities in the third. He went on around on singles by Ramp and Filisinger, who in turn scored on a fielder's choice and a bobbie at first base which gave Perrine a life. Perrine stole second and third but died there.

Vivette who totaled 13 strikeouts to his credit, blanked the Silverton team for five innings though two hits were chalked up in the second inning. In the sixth the flasco that caused Salem to lose last Sunday's game was repeated to give Silverton its first score. Bye struck out purposely on a wild pitch, Keber sacrificed him along and Rudishauser drove him in with a single.

Salem added another in the seventh in simple fashion. Vic DeJardin smashing out a triple past the line of cars in right field and scoring on his brother's single.

In Silverton's half Lovett singled, went to second on an overthrow, and scored on a single by Susee, who was sacrificed to second by Leffler and came in on DeJardin's hit. That made three for Silverton and with renewed hopes the erstwhile champs smashed out two hits in the eighth but they went for naught when Asboe was caught by inches at third.

Strikout Thirteen
Decides Championship
Vivette's 13th strikeout ended the game and the championship series after Susee was safe on an error and Leffler singled with one down. Vern DeJardin let Susee score while he threw Leffler out on a double steal.

Coach "Frisco" Edwards of the Salem team has not indicated what players he will select from Silverton's team, but report, and the showing made in the recent series, indicate that Rudishauser, Keber, Susee and DeJardin will be asked to join the squad for the district series and all of Salem's regulars will be retained. The district schedule has not yet been arranged, but it will start sometime after June 30.

Handled Small Fish Carefully To Mean Saving

Thousands of small fish may be saved each year if anglers will observe precautions in handling them, according to Bert M. Howe of the state game commission.

Howe urges that when small fish, under the legal size are hooked that anglers wet their hands before touching the fish. If this is done and they are put back in the water at once they will grow. If handled with dry hands the slimy covering on the gills is disturbed and fungus grows, causing a skin disease that soon kills the fish.

Peterson and Gardner to Battle on Mound Today; Gresham Team is Opposed

After a Sunday's rest, which nobody wanted, for all but two teams which engaged in a five-inning contest and then joined the others in watching the raindrops pelt, the Portland Valley league will get back into action today.

Gresham, the team that exhibited plenty of strength but played in hard luck through the first half and no far this half, will be the Salem Senators' foe on Olinger field today. The Solons will not

be over-confident, as they managed to beat this outfit by nothing better than a 2-to-0 count at Gresham in the first half—the game, by the way, that started Zeko Gird's outfit on the upward path. It hasn't been beaten since.

Gardner, Gresham's ace pitcher, was the principal cause for such a low score on Salem's part that day. He is expected to hurt here again today although Gresham has also signed up, Cornelison for mound duty and he may also be seen in action.

Andy Peterson's twice delayed debut on the home diamond is slated for today. So far no runs have been scored off him in this league, as his victory at Hillsboro recently was a shutout.

ED DUDLEY WINNER IN WESTERN OPEN

DAYTON, Ohio, June 20—(AP)—Big Ed Dudley of Wilmington, Del., captured the western open golf championship by four strokes today after giving the balloon ball four of the merriest rides of its stormy career.

Taming the larger pellet with unusual and consistent brilliancy, Dudley toured the heavily trapped Miami valley golf club fairways with cards of 69-70-70-71 to pile up a 73-hole total of 280, four shots lower than Walter Hagen of Detroit, the runner-up. It was the fourth lowest total since the western open began back in 1899 and four strokes under par for the distance.

Seventeen birdies rattled off this morning half of them had a chance to finish out in front and the result was not known until Eldred Zimmerman, playing in the last threesome, poked his last putt into the cup.

The big fellow's clubs and gave him more than enough insurance for the 11 holes on which he required extra strokes over perfect figures. He was the "big shot" of the three-day tournament almost all the way, landing one behind at the end of the first 18-hole round and taking the lead and stretching it the rest of the journey.

PORTLAND PROS TIED FOR TITLE

Christian and Zimmerman Knotted at 296, Will Play off Today

TACOMA, June 20—(AP)—They played the regulation 72 holes and the Pacific Northwest open golf championship isn't decided yet.

Neil Christian, professional of the Waverly golf club, and Eldred Zimmerman, assistant pro at the Multnomah golf club, both in Portland, tied for first place with a total score of 296 each, eight over par, and they will play it off tomorrow for first and second money and the title.

It was first announced that they would split the money and just play for the crown but the two golfers decided they would rather take the chance and shoot for the big prize.

Dr. O. F. Willing, Portland amateur and former open title holder, and Walter Pursey, Seattle professional, each took one stroke more for a total of 297, to give Pursey third place money. This gave Dr. Willing the amateur prize.

Three professionals, Bob Connolly of Yakima, Frank Rodia of Seattle, and Willie Goggin, of San Francisco, finished with 298. Bert Wilde, Bellingham, defending champion, garnered an even 300; Mark Fry, Oakland; Willie Price, Olympia; Benny Colk, Vancouver, B. C., professionals, and W. K. Yost, Tacoma amateur, had 301 each, and Harold Sampson, Bellingham, Joe Masel, Tacoma and Emory Zimmerman, Portland, both of Elred, all pros, took 303.

The scores were higher than usual but the battle was the tightest in the history of the tournament.

When the 50 entries tied off this morning half of them had a chance to finish out in front and the result was not known until Eldred Zimmerman, playing in the last threesome, poked his last putt into the cup.

SEATTLE, June 20—(AP)—A big third inning that saw seven runs across the plate started the Hollywood Stars on their way to a 13 to 6 victory over the San Francisco Missions here today.

The Missions opened the game by scoring three runs in the first inning but the third inning rally that saw Cole chased from the mound gave the stars a lead that they never relinquished.

The victory gave Hollywood its fourth win out of five games played so far this week and clinched the series.

Fast infield work for the Indians, with double plays in the second, third and fourth innings, cut down the visitors' scoring chances. Miller, Seattle's second baseman, made a home run into the bleachers with none on in the fourth.

TACOMA, June 20—(AP)—One hundred and four women and 93 men were entered tonight for the 33rd annual Pacific northwest amateur golf tournament opening here Monday for six days of play. This was the largest field of women in the history of the tournament.

Officials in charge of the meet said they believed at least 25 more players in each division would be signed up before starting time.

The golfers are entered from California, Oregon, Washington and British Columbia with Tacoma, Seattle and Portland having the largest representations.

Eddie Hogan of Portland and Mrs. Vera Hutchings of Vancouver, B. C., are the defending champions.

Inter-city matches are expected to start in the near future with a number of club holdings for matches with the Salem team.

Chief interest in the Cascade league's southern division race today centers in Hill's Candy Factory's attempt to climb up among the leaders at the expense of Turner's Gray Diggers. The game will be played on the Turner diamond.

However there will be no chance of Hill's overtaking Lebanon, as it is that team's turn to take one automatically through Aumsville's weekly default. Hill's may move up even with Tucker's if that team loses at Mill City. Stayton plays at Jefferson.

Lacoste regain old-time form, Uncle Sam's boys may even bring the cup back this Summer.

Tilden considers Shields the best of the U. S. youngsters judging from his play throughout the Spring, and Wood as one of our most promising players. Indeed, the Old Master has predicted definitely that Sid will be of world's championship calibre.

This is the Golden Jubilee year of the United States Lawn Tennis Association. World that this historic occasion coincide with the return of the Davis Cup to America after its four years in France!

Frederic Berger, Portland center fielder, hit the second ball pitched in the first game into right field for a home run. In the eighth Berger singled and Rhief's double brought him home.

Vinci had the Beavers well in hand in the second game and probably would have pitched a shutout game except for George Westling's home run in the eighth. Kalilo started the second game for Portland but was lifted for a pinch hitter in the eighth.

CURT COMMENTS

OLD JINX WORKS
Lot of excitement on the reservation Saturday. You might have thought somebody was due to get scalped or something.

Salem won that county championship and deserved it, approximately anyway, as there was a big delegation from this city on hand. Still not so noisy as the Silverton bunch, except in those moments of depression which followed Salem's big rally.

But you can't keep that gang down. Every time Silverton made a good play the sirens, mechanical and vocal, were on the job. And did you see those yell leaders?

We didn't like the way they raised Salem's players, who are nice young fellows trying to get along. We never saw anything any more disgusting, and the only thing we ever saw to tie it was a Salem crowd at the state basketball tournament booing the teams it didn't fancy.

This protracted series between Salem and Silverton for the American Legion Junior championship of Marion county has attracted more interest over the state than its geographical importance would justify. Its progress has been noted, in fact, in most of the daily newspapers of the state.

The reason, of course, is that Silverton was the northwest champion last year. And now they'll be watching Salem as the bunch that dethroned the champs.

The western Oregon race is going to be hotter this year. Eugene, which made a feeble attempt last year, has combed Lane county thoroughly and has boys from Junction City, Cottage Grove and other communities trying out as well as Pleasant Hill which achieved prominence as a basketball center.

Dan McCarthy said his picture in that page ad Saturday morning flattered him a little.

Big hullabaloo over the expected moratorium for Germany. Wonder if there'd be an equal amount of whoopee if we declared a personal moratorium?
