

# Hobo Scrapper Bests Schmeling in Slugging Match at Camp

## BROWN SHOWS CHAMPION HOW

Coast lad Shows up in Camp Broke, Gets Meal, Then Bores into Maxie

CONNEAUT LAKE PARK, Pa., June 23.—(AP)—Max Schmeling plunged into his final week of training today to receive the surprise of his training campaign. The fireworks were exploded by Natie Brown, a San Francisco heavyweight, who landed in camp a few days ago broke but with a desire to fight.

They sent Brown against the world's heavyweight champion in his first two rounds of boxing today and he unpleasantly gave Schmeling the best workout the champion has experienced in his 14 days of boxing.

As a reward for being fed at the sparring partners training table, Brown tore into the champion like he was an ordinary four hundred dollar fighter and punched holes in Schmeling's defense. He connected with left hooks to the head and body as he pleased, while the plodding German took time out to study Brown's attack. For two rounds they slugged like a couple of longshoremen, with Brown having the better of it.

GEAUGA LAKE, Ohio, June 23.—(AP)—If advance indications mean anything, Bill Stribling will try to bounce the heavyweight crown from Max Schmeling's brow in the Cleveland municipal stadium July 3 with left hand punches of a half dozen varieties. The southern challenger is a powerful youth and his straight right hand smash to the head is one of the deadliest weapons in the slugging business. But so far in the training camp grind that is almost at an end, although the 15 round duel on the shores of Lake Erie is still ten days away, Stribling has done almost all of his punching from the port side.

If the German bobs and weaves as he charges forward, his usual fighting style, Bill will meet him with left hooks to the body and count on his right hand only for short, jarring "knock" punches when they are at close quarters. And if Schmeling fights in stand up fashion on the night of July 3, as he has been doing in his training camp, Stribling will try to set him back on his heels with straight lefts to the head. The Georgian is a master with both of these punches.

## Elks Defeat Legion Lads, Score 7 to 3

The Elks baseball team, regaining its normal strength following the return of several players from the "war" at Camp Clatsop and Fort Stevens, defeated the American Legion Junior team 7 to 3 on Sweetland field Tuesday night in a Commercial league game.

The Elks scored one run in each inning excepting the fourth when they got three. Hank Fabry on one occasion stole second when the bases were loaded but it turned out to be a good play as the man on third scored on the throw that was expected to retire Fabry, and that runner got back to first safely.

Delmer Russell blanked the juniors until the fourth when they scored one run, then got two more in the fifth. Faust pitched the first three innings for the juniors and Perrine the last two. The Elks chalked up seven hits, the juniors four.

Tonight the Postoffice and Kay Woolen Mills, leading teams in the Industrial league, will play tonight.

A bridge on the second fairway of the Hillcrest golf course, Kansas City, has been roped off while robins are nesting there.

## THE MASTODON TOPPLES

Still down and very much out was Pat Redmond, huge Irish fighter, when this picture was snapped at Primo Carners, Italian giant, landed flush on his opponent's jaw just two minutes and twenty-four seconds after their bout began at Elberts Field, Brooklyn. Thirty thousand jammed the field to see the two fighters go through their ponderous rite, but their show turned out to be short and anything but sweet for Pat. Primo is shown standing over his crumpled-up victim.

## BALLOON BALL NOT BAD, BURKE FINDS

COLUMBUS, Ohio, June 23.—(AP)—Billy Burke, New York professional, gave the new balloon ball advocates something to think about today when he finished his 72-hole tour in the struggle for extra berths on the American Ryder cup team with a scintillating 289, one over par for the distance.

The score turned in despite an adverse wind and broiling hot weather, clipped four strokes off the 292 that the one and only Bobby Jones scored to win the National open crown over the same course back in 1926, with

Stars Draw Crowd

LOS ANGELES, June 23.—(AP)—Before a crowd that would do justice to a world's series game, the Hollywood Stars tonight defeated the Los Angeles baseball team, 7 to 2. According to officials of Wrigley field, the paid admission and women who were admitted free, totaled 14,998. There were more than a thousand others in the stands, too, it was estimated.

Weisel was given splendid support by his team-mates but he really didn't need it, since he held the Angels to three hits. Sherlock knocked a home run in the third with one on base.

The game, otherwise, was a pitching duel between Sam Gibson, who pitched for the Seals, and Herman Pillette, who pitched for the Missions. Both allowed nine hits. The Missions made four errors while the Seals fielded perfectly.

## HOGAN DETHRONED AS AMATEUR KING

TACOMA, June 23.—(AP)—The Pacific northwest amateur golf champion, Eddie Hogan, Portland, was dethroned in the first round of match play here today but only after one of the greatest uphill battles ever witnessed in northwest tournaments.

Playing in another rip-roaring rain storm, George Shaw, veteran Los Angeles linkman, conquered the defending titlist, by the scant margin of one hole after gaining a five-hole lead at the 27th of their double-eighteen match.

Recovering some of the good parts of the game he showed last year when he defeated Johnny Robbins of Portland in the finals of the northwest tournament, Hogan closed up the gap to within one hole at 35.

Going to the 36th dormie one, the Portland boy had by far the longest drive but his second brushed through a tree as he sought to cut the corner of a dog-leg fairway to reach the green and he was short in the rough to the left. Shaw was also short and both were on in threes with Hogan the farthest away from the cup. The defending champion's put stymied shaw but the latter was a clinch to halve the hole in five from three feet away and Hogan told him not to take the trouble, and shook hands, acknowledging defeat.

This was the only upset of the first day of 36-hole match play, the favorites in the other contests grinding out easy victories.

Topeka, in the Western league, has three outfielders, two pitchers and two catchers whose names begin with "H."

Amarillo's Texas league team will hereafter be known as the "Arlators."

## NAVY CREW UPSETTING REGATTA DOPE

Much to the surprise of the thousands of spectators who lined the banks of the Hudson River at Poughkeepsie, and completely upsetting all the advance dope, the Navy varsity shell is shown poking its nose across the finish line to beat the highly touted Cornell crew, which finished second, and the Washington Huskies, who took third place in the annual intercollegiate regatta. Syracuse, California, Pennsylvania, Columbia, Wisconsin and M. I. T. finished in the order named.

inning of the opening game against the Sacramento baseball club of the Pacific coast league added to a line counter in the fifth was sufficient to carry Seattle to a 5-to-4 victory here tonight. Sacramento out-hit the Indians 14 to 10, but failed to get them when they counted.

## Oldest Diamond Star Passes on At Seattle; 75

SEATTLE, June 23.—(AP)—Clarence Crause, better known as "Dad" Cross, 75, the oldest baseball player in the Pacific northwest and perhaps the United States, died here today.

"Dad" Cross played with the old Metropolitan team in New York 60 years ago when that team was in the American association.

He also played with Brooklyn. In 1890 he played third base for Spokane in the old Northwestern league and later with Peoria, Ill.

Three play-offs, following a tie, were necessary to give F. E. Sourwine the 1931 Kansas pistol title over James Flanagan, Jr.

Ren Smith of Springfield, Mo., brother of Horton Smith, is golf professional at Hollywood Country club, Deal, N. J.

## JENSEN BEATS WILES EASILY

All Spectacular Stuff Left Out and two Falls are Won in Succession

All of the spectacular features of modern wrestling were conspicuous by their absence in Tuesday night's match at the armory, and Thor Jensen of Olympia also upset tradition by taking two falls in rapid succession and allowing Chet Wiles, Portland's wrestling policeman, none.

Many fans were disappointed at the apparent ease with which Jensen won the match, but that might have been due to the punishing figure four body scissors which he clamped on Wiles early in the bout and held for over five minutes. This is a wind-stopping hold and rendered Wiles almost hors de combat from then on.

Jensen took the first fall in 14 minutes with a body press and leg scissors, and grabbed the second one in brief time of two minutes, putting on that same deadly figure four.

Art O'Reilly and "Speed" Welkum staged a bout with more fireworks but not much more real action. Welkum won it when O'Reilly was unable to come back for the third round after falling victim to Welkum's whip wristlock in six and a half minutes. O'Reilly had won the first fall in 14 minutes with an arm stretch

## FAVORITES ALL WIN ON BRITISH COURTS

LONDON, June 23.—(AP)—Invading Americans, without an exception, swept through their matches in the Wimbledon tennis championships today.

Leading the parade was Frank X. Shields, number one star of the United States Davis cup team, and Mrs. L. A. Harper, number one ranking woman player from the other side.

With Shields into the third round went George Lott, Jr., John Van Ryn and Sidney B. Wood, Jr., while Helen Jacobs, Marjorie Sachs and Mrs. Van Ryn joined Mrs. Harper in the second round of women's play.

Keeping step with the American youngsters were Jean Borotra and Christian Boususs of France, H. W. "Bunny" Austin and Fred Perry of Great Britain, and Jiro Satoh of Japan. Chit Aussem, Betty Nuthall and Ella de Alvaroa won their first round matches easily.
