

CHURCH BENEVOLENT PROGRAM STRESSED

Methodist World Service is in Deplorable State Leaders Assert

EUGENE, Ore., June 24 (AP)—Declarations were made here today by leaders of the denomination that the Methodist Episcopal church must now take note of its benevolent program of relief disaster. The church is holding its 79th annual Oregon conference here.

Depressing pictures were portrayed of depleting finances and curtailed work in the many branches by a group of speakers who appeared on the program.

It was declared that the world service work of the church is "in the most fearful and tragic condition" in which it has ever been. Speakers today included Dr. N. S. Davis of Chicago, representing the national board of hospitals, homes and Deaconess work; Dr. Clarence True Wilson, Washington, D. C., general secretary of the board of temperance, prohibition and public morals; Dr. J. S. Evans, missionary worker of the church in the south, and Dr. W. B. Hollingshead of Chicago, representing the general world service headquarters. Delegates to be

lected today. One of the most important items of the conference will be the election tomorrow of delegates to the general conference in Atlantic City, to be held next year. Oregon is entitled to four ministers and four laymen as representatives.

In addition to the election, addresses will be made tomorrow by Dean U. G. Dubach of Oregon State college, "the church and the student," by Dr. Elmer Guy Cutshall, president of the Hill college, Denver, the Rev. C. W. Climes, missionary from India, and by the Rev. C. C. Close, state superintendent of the Anti-Saloon league.

Of special interest on tonight's session was an address by Dr. Clarence True Wilson.

In 1930 the Alabama farm population increased for the first time in ten years, 1,392,000 moving from city to farm.

N. Y. POLICE SCHOOL TO GRADUATE 300

There's many a new-born college graduate entering the proverbially frigid world at this season of the year, but 300 stalwart youths are soon to graduate from one of the most unusual schools in the world and there's no ordinary job awaiting them. From "rookie" cops intensively trained for six months in all the arts of safeguarding the public from the scorpions of crime, these gallant 300 will soon join the ranks of the "finest" as worthy successors to the blessings of the New York Police Department, who have gone before them. Upper picture shows the "Big Chief," Commissioner Edward P. Mulrooney (center), reviewing his future "Boys in Blue" with Acting Deputy Chief Inspector John J. Noonan (left), commander of the Recruits' Training School, and Chief Inspector John J. O'Brien (right).

RADIO SUBSIDIARY LICENSES UPHELD

Will not be Revoked After Tube Sale Contracts Ruled Illegal

WASHINGTON, June 24 (AP)—The radio commission decided by a 3 to 2 vote today that 1,409 licenses held by four subsidiaries of the radio corporation of America should not be revoked because of a federal court decision holding its tube sale contracts illegal.

Commissioners Lafount, Robinson and Starbuck joined in holding that section 13 of the radio act, which forbids the licensing of a company "finally adjudged guilty of creating or attempting to create a monopoly in radio communication," was not applicable to the tube contract suit. The opposite view was taken by Chairman Saltman and Commissioner Sykes in dissenting opinions.

The licenses involved are held by the National Broadcasting Co., Radiomarine Corporation of America, R. C. A.-Victor Inc., and Radio Communications Inc., and cover broadcasting, experimental television and point-to-point communication.

"Inasmuch as Congress Intelligence," held. The commission's decision was immediately denounced by Oswald F. Schutte, executive secretary of the Radio Protective League, as "an insult to the intelligence of congress which wrote the law." He demanded that the commission "explain to congress why it is unwilling to enforce the law against Owen D. Young's six billion dollar radio trust which has been found guilty by the federal courts of violating the anti-trust laws and which the United States government had sued to dissolve." The case came before the commission after the supreme court had refused to review the decision.

Wipe off veal with damp cloth. Sprinkle with teaspoon of salt and the flour. Fit into baking pan. Sprinkle with peppers, celery and onion. Add half of water, cover and bake two hours in moderate oven. Baste frequently. Add rest of water and potatoes which have been sprinkled with half teaspoon of salt. Bake one hour. Turn potatoes several times to have them brown evenly.

1/2 cup horseradish
1/2 cup whipped cream
1/2 teaspoon salt
1/2 teaspoon celery salt
1/2 teaspoon paprika
1 teaspoon lemon juice
Mix ingredients. Chill and serve in small glass dish.
Peach Shortcake
2 cups flour
2 teaspoons baking powder
1/2 cup sugar
1/2 cup milk
2 cups sliced peaches
1/2 cup sugar
1 cup whipped cream
Mix flour, baking powder and salt. Cut in butter with knife. Add milk. When soft dough forms, pat it out into an oblong shape, 1 1/2 inches thick. Bake 15 minutes on greased, baking pan. Split carefully and add part of peaches which have been mixed with sugar. Replace top and cover with rest of peaches. Spread with whipped cream and serve at once.

Lower Surgeon Fees Fixed by Accident Board

The state industrial accident commission yesterday mailed to all physicians in Oregon a surgeon's fee schedule effective July 1. The schedule was prepared by Dr. Andrew C. Smith of Portland, and conforms to the California charges.

The reduction in fees charged by physicians and surgeons attending injured workmen, will save the state many thousands of dollars annually. The commission also has decided that all hearings of cases involving injured workmen shall be held in Salem. It has been the practice in the past to hold these hearings in various sections of the state outside of this city.
