SUPPLY OF RASPS AND LOGANS SHORT

PORTLAND, June 30. — (AP) — Raspberries and loganberries were the principal offerings of interest on the East Side Farmers' market today. The supply was well under the offerings on the first session of the week and as a consequence first prices were up as high as \$1.25 for good quality raspberries.

Additional trucks pulled into the market, prices eased down to \$1.00-1.10 where they held for good quality offerings. Some less desirable stock went under the dollar mark.

The loganberry situation was about the same as in raspberries as far as price was concerned. As a rule, the logans bring around a dime more a crate where the quality is similar.

According to some of the growers canneries are going to take more of the berries beginning shortly. The stock is being taken for canning and not barreling. The general run of berries has too much water in them for barreling purposes.

Blackcaps were slightly easier. Best stuff was bringing \$1.65 early in the session, but buyers found stock available at a nickel under that as the session progressed.

There was a large supply of vegetables on the market. Most of this supply was of very good quality and no price recession was feared.

A sale of Oregon variety strawberries established the market on that berry for the season. Offerings were very limited.

GRANGE DELEGATES TO GIVE REPORTS

MACLEAY, June 30. — Reports of the delegates who attended the state grange meeting will be made at the regular meeting which will be held Thursday evening, July 2, instead of July 3, owing to holiday plans of some of the members.

Fire Companies Enjoy Frolic

SILVERTON, June 30. — The Mt. Angel volunteer fire department boys were guests of the Silverton department here last night at the firemen's clubrooms in the city hall. Cards and a supper were big items on the evening's program.

During the evening, Dick Whitford, member of the Silverton department and a recent bridegroom, accompanied by his bride, was given a wild ride about the city.

GUESTS FROM WASHINGTON, MT. ANGEL, June 30. — Mr. and Mrs. Joseph Wagner and baby daughter Donna Edith, of South Bend, Wash., are spending a week's vacation at the home of Mrs. Wagner's parents, Mr. and Mrs. Frank Plinkner of McKee station.

HEAT ROCKETS AT MONTH END EGGS MAY ADVANCE AGAIN SOON

Amount for Delivery in June Settlement Is Short

CHICAGO, June 30. — (AP) — Despite big stocks of wheat here, the amount available for delivery on June contracts today proved scant, and June quotations skyrocketed 8 cents a bushel.

The flare-up came as a climax to settlement of 1930 old crop wheat contracts, but involved only 805,000 bushels, a total smaller than usual at the month-end in Chicago. The fact that old wheat was not being thrown on the bargain counter helped to make new crop deliveries rally from earlier setbacks.

Wheat closed irregular, at 1/4 decline to 8 cents advance, corn unchanged to 3-8 off, oats unchanged to 3-8 up.
