ICY MESSAGE FROM PULPIT

Torrid weather has no respect for persons or places, and so when Dr. Christian F. Reisner, pastor of the Broadway Tabernacle, New York, found that he was waxing altogether too hot in his pulpit and the congregation was not surviving much better, he introduced an icy motif to his house of worship. While his verbal message from the pulpit was not tinged with frigidity, the ice and snow banked around the dais helped to put the congregation in a cooled state of mind, according to Dr. Reisner, who is shown above with his novel refrigerator plan. refrigerator plan.
