HINT MURDER IN FIRE DEATH

Charred almost beyond recognition, the body of Mrs. Marion Day Berrien, former Follies beauty, was discovered in the fire-swept ruins of her home in one of the most exclusive sections of Forest Hills, L. I., smart New York residential suburb. With the finding of the body, authorities were presented with a mystery that may equal the Snyder-Gray case. Although the beauty, 30 years old and widow of a naval officer, might have met her death accidentally, murder was hinted in the preliminary investigation. The partly destroyed home of Mrs.
