

Lehman, Defending Champion, in Great Form in Western

BELIEVES RUMORS HE'S OFF GAME

Dolph, Egan, Seaver, Hogan Eliminated Wednesday in Close Matches

PORTLAND GOLF CLUB, Portland, Ore., July 15—(AP)—The defending champion and only middle westerner in the tournament—Johnny Lehman of Chicago—put on a little surprise party today in the first and second 18-hole rounds of the western amateur golf championship, and he made a lot of the boys sit up and take notice.

Lehman pranced through his two matches, trouncing Lloyd Byerly, Portland, 6 and 5, in the morning, and conquering Chuck Hunter, Tacoma, 4 and 2, in the afternoon.

Before the tournament started it was common talk around the club house that Lehman was "off his game" and he would be "lucky to get through the first round." He refrained from competing in the qualifying rounds, and today was the first time the experts had an opportunity to study his game under fire. And there was nothing wrong with it.

Quarter Finals Today's Program Others advancing to the quarter-finals were Harold Thompson, and Jack Gaines, Glendale, Calif.; Fay Coleman, Los Angeles; Dr. O. F. Willing, Don Moe, Rude Wilhelm and Malcolm MacNaughton, Portland.

Results of the afternoon matches were: Lehman defeated Hunter 4 and 2.

Harold Thompson defeated his brother Russell, 5 and 4. Coleman defeated Johnny Robbins, Portland, 4 and 3.

Moe defeated Francis H. I. Brown, Honolulu, at the 23rd. Gaines defeated Frank Dolp, Portland, at the 19th hole.

Willing defeated George Mead, Portland, 2 and 1. MacNaughton defeated H. Chandler Egan, Medford, Ore., 4 and 2.

Wilhelm defeated Johnny Shields, Seattle, 1 up.

The draw for the 36-hole quarter-finals tomorrow is Lehman vs. H. Thompson, Coleman vs. Moe, Gaines vs. Willing and MacNaughton vs. Wilhelm.

Two Ex-Champions Plunder on Rocks Two former western champions, Frank Dolp and Chandler Egan, and two other favorites, Charles H. Seaver, Los Angeles, and Eddie Hogan, Portland, medalist in the qualifying round, fell by the wayside in the sudden-death matches.

Dolph was poked out at an extra hole by Gaines when he put his second shot over the green. Gaines hung on the lip of the cup and his ball and Dolp's ball knocked him down for a birdie. It was the Portland's fifth stroke and Gaines would have won anyhow with a four.

Hogan, 1930 Pacific northwest champion, was two down to George Mead at the ninth in the first round, squared the match at the 14th and then lost at the par-five 18th when he hacked all over the fairway to take a seven.

Moe Beats Brown In Battle Royal Moe and Brown put on a battle royal with the former winning out with a 20-foot putt at the fifth extra hole. Moe held a one hole advantage going to the 18th but a dead-tye by Brown forced him to take a six and fall into a tie. The parred the first four extra holes and then the Portland youth and former Walker cup team member rammed down the spectacular putt to capture the match with a birdie at the 23rd.

Morning results were: Chuck Hunter, Tacoma, defeated John de Paolo, 3 and 2. Fay Coleman, Los Angeles, defeated Ralph Wahley, Seattle 1 up.

Johnny Robbins, Portland, defeated Forest Watson, Spokane, 4 and 3. Francis H. I. Brown, Honolulu, defeated Vincent Dolp, Portland, 1 up.

Don Moe, Portland, defeated Howard Tustin, Spokane 5 and 4. Frank Dolp, Portland, defeated Dick Near, Eugene, 5 and 4. Jack Gaines, Glendale, defeated Jimmie Bushong, Portland, 2 and 1.

Dr. O. F. Willing, Portland, defeated Arlio Kyle, Portland, 2 and 1. H. Chandler Egan, Medford, defeated Lloyd Mead, Portland, 7 and 5.

Malcolm MacNaughton, Portland, defeated J. H. Crowell, Portland, 7 and 5. Johnnie Shields, Seattle, defeated Tab Boyer, Portland, 2 and 1.

Rude Wilhelm, Portland, defeated H. B. Westbrock, Pasadena 1 up.

Madison Keeps Century Title; Sets Mile Mark

NEW YORK, July 15—(AP)—Miss Helen Madison, 18-year-old schoolgirl wonder from Seattle, Wash., successfully defended her senior National A. U. outdoor swim titles at 100 meters and the mile here tonight. In the latter event she broke the four-year old world mark for 1500 meters by more than 27 seconds, setting a new standard of 23 minutes, 17 and one fifth seconds. She thus acquired her fourteenth world record of the sixteen recognized standards.

Steele and Singh Ready For Mat Match Tonight; Newton, Brentano Ditto

Four grapplers who know their mat tricks without any prompting will engage in two bouts scheduled as "no-limit" at the armory tonight, and the results should be highly pleasing to the customers.

Basant Singh, he of the turban and the ancestry parallel to that of the renowned Mahatma Gandhi, was delayed in getting into town yesterday so the sight of his unusual address on Salem's broad thoroughfares is delayed until today.

Bob Steele, whose real name is something more Scandinavian than that and who has been around the world just as far as Singh has, announces that he's ready for the Hindu, but at the

same time isn't making any rash predictions. He has heard that Singh is a tough number.

Knowing a great deal of wrestling lore himself, Steele mentioned yesterday that wrestling was invented in India and that the Hindu has that advantage over him, of knowing the game from its historic beginnings.

No aspirants for the two ring-side seats awaiting the fan who figures out who Steele really is, had presented themselves up to Wednesday night.

The contestants in the opening "no-limit" match are Jack Brentano and "Prof" Newton of Oregon City. They wrestled a lightning fast draw a week ago so the fans know what to expect.

Removal of three deputies in the office of State Purchasing Agent Elmsig yesterday was accompanied by the appointment of H. F. Morrison of Portland as a member of the department. Morrison was formerly United States lighthouse inspector.

Elmsig announced the resignation of C. M. Clifford, assistant in the purchasing department for two years, to E. W. Footman and of Frank Meredith. The latter is a relative of Rufus C. Holman, state treasurer, and was expected to be continued in the office.

Meredith was head of the state auditing department which has been eliminated by Elmsig. Several girls employed in the department have also been released since Elmsig followed Carle Abrams as purchasing agent.

Morrison was graduated in electrical chemical engineering from the University of Wisconsin. During the world war he was west coast purchasing officer for the United States shipping board.

For eight years he was purchasing agent for the Portland Lumber company. He will have charge of machinery and allied purchasing.

Family Almost Starving, Word To County Court "My husband has tried his very best to get something to do and is ready to take on anything to make a living," writes a distressed Marion county woman to the county court in a letter received yesterday. "I have nothing to eat or cook and have had nothing all last week but a little canned sauerkraut I put up last fall and some scrap meat that we got at a butcher's shop that they threw into a box for dog's scrap."

The writer appeals to the county court for aid. She says her husband is at a point now where he must go to the poorhouse or starve to death.

CURT COMMENTS

The Marion Juniors and Oregon City Juniors will play on the rodeo grounds at Oregon City this afternoon at 3 o'clock. A number of local fans will make the trip.

This Oregon City team looks tough from here. It beat Astoria 20 to 2 and 19 to 1. One of its pitchers is Lien, Canby southpaw who played with the Marion county team in a couple of independent games before it was definitely decided where he belonged. The team has scored 45 runs in 10 games, an average of 4 1/2 to 1 1/2 per game. It is coached by Ray Imbler.

Spec Keene, state chairman of junior baseball, was over at Burns for the eastern district tournament, won by Ontario. He reports there is much sentiment in that region for a new arrangement which would put three teams in the state finals, one from Portland, one from the rest of western Oregon and one from eastern Oregon.

Portland is now listed in the eastern Oregon division, and up to date has ruled the show, placing its champion in the state finals each year. Spec says that is not certain to be repeated this year as Ontario, at least, has a strong team. Heppner and The Dalles are the other survivors in that area.

BERRY YIELD HEAVY CLEAR LAKE, July 15—The late rains were much appreciated by the berry growers of this neighborhood and all growers report a very good yield. One of the largest yields per acre was that from the Ray Lick yard. Mr. Lick has harvested more than nine and a half tons of berries from an acre and a half patch and has lots of berries on the vines yet.

SOLDIERS PLAY SOLONS SUNDAY

Strong Threat Coming up in Portland Valley Tilt; Coovert is Hurler

The Vancouver Soldiers, regarded as the strongest team in the Portland Valley league with the possible exception of the Salem Senators, will be here Sunday to determine which is which in that little argument.

The Soldiers, with "Chinky" Coovert as their regular moundman, were leading the league for the second half up to Sunday when they dropped a 7-to-6 contest to the Merchants from the same town. This defeat was something of a fluke, as the Soldiers were leading 6 to 2 when the final inning started. Then Coovert lost control, was relieved by Gallant who did little and the Merchants shoved across five runs, just enough to win. The Soldiers out-hit the Merchants 13 to 9.

Lost to Senators By One Run Earlier In the first half the Barracks team lost to the Senators in almost the same identical fashion, out-hitting the Solons by the same figures but losing because of Coovert's wildness. He is a hard man to beat when he can get the horsehide across the rubber, and has had good control in most of his recent games, as is evidenced by the fact that the Soldiers won three games in a row at the start of the second half.

Hitting luminaries on the Soldiers team include McGahn, Garvey and Deisenho, the outfielders; Goodwin, first base, and Worcester, shortstop. Shay, third base, and Hunter, second, were here recently with the flying corps team which played the Legion Juniors, and showed on that occasion that they are top notch fielders and Hunter distinguished himself by getting four hits against the youthful twirlers who held his mates in check much

Ebony Flash Lightweight Junior King

BAKER BOWL, Philadelphia, July 15—(AP)—Kid Chocolate, the flashing ebony stick from Cuba, came into his own tonight, a champion by right of conquest of stubborn little Benny Bass of Philadelphia.

It was only the junior lightweight championship, a synthetic title, but it marked the top of the trail for the white-toothed grinding negro after many bitter disappointments. Referee Leo Houck, boxing instructor at Penn State college, awarded him the championship on a technical knockout with only two seconds of the seventh round of the ten-round title deal remaining, because of a deep gash over Bass' left eye.

Realizing all his great natural ability, his fleet boxing skill and deadly punching powers against the charging courageous champion, Chocolate hammered Bass through six rounds, cutting him steadily and methodically down, ripping open a cut in the left eyebrow, smashing at the wound until the eye closed, splitting his lips and tearing his face.
