

ABSTRACTORS TO MEET HERE

Interesting Program Waits Title Association in Convention Friday

A trip to state institutions, a question box where abstractors can discuss problems of mutual interest and an informal banquet which Deans James Ralston Jewell of Corvallis will discuss "Caveat Emptor or Let the Buyer Beware", will be highlights on a crowded day's program for the Oregon Title Association which holds its annual meeting in Salem Friday.

The meeting will start at 9:30 a. m. in the chamber of commerce rooms, Hanson calling the gathering to order. Mayor P. M. Gregory will welcome the visitors and A. R. Bowman of Prineville will respond. The president's annual address will be followed by a report of B. F. Wydie, delegate to the mid-winter meeting of the American Title Association in Chicago. "Observations on my Travels" is an address to be delivered by J. S. Johns of Pendleton, James G. Hottel of Salem will discuss "Abstracts from an Examiner's Viewpoint."

In the afternoon, following the tour of the state institutions, a series of six talks will be made, as follows:

"Why Insure Marketability?" by Ralph H. Cate, Portland.

"Selling the Idea of Responsibility to the Public" by Paul M. Janney.

"Abstracting as a Profession for Women" by Mrs. Nell Niven.

"Public Contacts That Will Create and Retain Good Will," by E. S. Veatch of Klamath Falls.

"Profitable Side Lines" by G. G. Pauling.

At the banquet Friday night Jim Johns of Pendleton will be toastmaster.

The general committee on arrangements here is composed of T. M. Hicks, Frank Lynch and U. S. Page. The women's committee is Mrs. Walter Minler and Mrs. W. E. Hanson.

OLD COMRADES ENJOY REUNION

GRAND ISLAND, July 18.—W. E. Durkee, age 93, who is living in the home of Mr. and Mrs. C. A. Rockhill spent a very enjoyable day recently when friends from Forest Grove came for a visit. Mr. Wagner, 89, was in the battle of Shilo with Mr. Durbee, where the latter had the misfortune of losing one leg, although it was not until recent years that the two elderly gentlemen became acquainted while both were enjoying the ocean breezes at Newport.

The other two members of the party were Mr. Wagner's brother-in-law, Mr. Bailey, age 83 and Mr. Bailey's niece, Miss Greta Bailey. While the three old gentlemen were reminiscing, Miss Bailey and Mrs. Rockhill were also recalling bygone school days while both were attending school in Salem.

Clam Digging Provides Sport

GRAND ISLAND, July 18.—A small group of islanders arose in the wee hours of the morning Tuesday and started about 3:00 o'clock for Bay Ocean. The excitement of their departure was due to the extremely low tide that morning of which they wished to take advantage.

By seven a. m. the beach was a scene of men, women and shovels working at a rapid pace. Five burly sacks of clams was the result of hard work, but much enjoyment by all participating. After the tide had come in and clam digging was ceased, two industrious members of the party set to work collecting a few crabs.

Members of the party included Mr. and Mrs. Adelbert Smith, Eloise Badger, Frank Herska, Mrs. Hattie Lerley and Mr. and Mrs. Worth Wiley and children, Mary Evelyn, Fernetta and Donald. They returned home about six o'clock that evening after a very enjoyable day together.

SINGERS WELL RECEIVED

JEFFERSON, July 18.—A full house greeted the Cotton Blossom singers of Piney Woods school, Piney, Miss., at the concert given Thursday night at the Methodist church. Every number was well rendered, and received much applause. The manager gave a very interesting talk regarding their life in the Piney Woods school, and pictures were shown of the school 13 years ago, when it was nothing but a sheep shed and the changes that have been made up to the present time, when they have a fine brick building, with a girls' and boys' dormitory. The school owns 200 acres of land, and raises all kinds of produce.

HERE FROM SOUTH

JEFFERSON, July 18.—Miss Eloise Palmer, accompanied by her brother and father, Henry Palmer, arrived from Santa Barbara, Calif., the first of the week. Eloise was an over night guest at the Karl Kihns home Wednesday night, and Thursday morning Miss Laura Kihns accompanied her to Portland, where they will spend a couple of days visiting friends. Miss Palmer will return to California the first of next week, but her father and brother expect to remain in Oregon indefinitely, visiting relatives and friends. The Palmer family are former residents of this community.

Thieves Take Grain Sacks

PERRYDALE, July 18.—Thieves ransacked the barn of Ray Mitchell at Broadmead recently. They sorted out several hundred grain sacks and took a large bundle of clover sacks.

Evidently the dog made a little investigation for he was locked up in the barn when Mr. Mitchell went to do the chores the next morning. The dog always slept on the porch at the house.

Newman brothers as well as Anthony Dent lost several hundred new sacks about the same time.

PICNIC ENJOYED

AURORA, July 18.—The Presbyterian Sunday school visited old and young to bring well-filled baskets and join in the annual picnic at Shad-E-Acres Saturday, and make it a real old fashioned family picnic, with lots of ice cream and oodles of fun. Games were arranged for all ages, but swimming proved to be the most popular sport.

ANKENY GRANGE CLUB MEETS

ANKENY BOTTOM, July 18.—The home economics committee held their regular meeting at the Winstel grange hall Thursday afternoon. It was decided at the business meeting to have a basket dinner taken Mr. Parlaton Todd who is in poor health. One member a week will see that the dinner is delivered to Mr. Todd.

It was decided to give a shower in honor of Mrs. Roy Bennett, next week. Mrs. Nelson Gilmour was elected as vice chairman of the committee. The regular meeting of the club will be held after the regular grange meeting instead of Thursday afternoons for the next two months on account of the busy season. Those present for the afternoon were as follows: Miss Oma Emmons, Mrs. A. E. Cole, Mrs. G. H. Mariatt, Mrs. J. O. Farr, Mrs. E. L. Hampton.

ACCIDENT VICTIMS ARE RECOVERING

MONMOUTH, July 18.—Mrs. Warren Mathews of Sutherlin who was severely injured three weeks ago when the car in which she and her husband and her sister, Miss Alene Sloan of Monmouth were traveling to Sutherlin skidded and turned over on the West Side highway near Corvallis, has been receiving treatment at a Corvallis hospital and this week was able to be brought to the home of her mother, Mrs. Blanche Sloan in Monmouth.

Mrs. Mathews, a graduate of the Oregon Normal school in June, 1930, and a June bride of 1931, taught school last year at Sutherlin. She is a musician of note, and prominent locally in orchestral work. Mr. Mathews sustained a fractured right arm; and Miss Sloan received minor head injuries in the wreck.
