## POLING SPEAKS TO BIG CROWD

Youth Incurably Religious Says Noted C. E. Leader At Park Services

Youth is incurably religious. Just as he finds need for air, for food, for shelter and for water, he also finds need for a spiritual existence.

Dr. Daniel A. Poling, pastor of Marblehead Collegiate church in New York city and a native of Oregon, brought this message to 1,000 people who gathered in a union church service Sunday afternoon at 3:30 o'clock in Willamson park. Throughout last week Poling had presided at the international convention of Christian Endeavor societies in San Francisco.

"From Herodotus down we have heard people talk of the 'good old days.' In reality these days are the present. The core of our people today are living well and to come purpose. It is only the unusual in crime or sin which comes to our attention."

Carl Blaine Youth. — Poling said he could not blame youth at times for straying when he saw their parents. "You know after all they were not responsible for you," he told the older members of his audience. "I recall their father," Poling recounted the march of thousands of Endeavorers up Market street last week and cited the report of a newspaper writer who commented he "didn't know there was so much dynamic religion in the world."

Oregon came in for lavish praise at Poling's hands. "Never have I seen a more beautiful country than this land in which you live," he said. As he came north by airplane the mountains from Shasta to Adams stretched out before him and Poling said he was visibly moved.

He touched on the existing economic situation and said he did not see how we could use the word over-production truly when 50 millions of people were starving in India.

Poling introduced four young women from Shenandoah college who gave two quartet numbers. They were on their way east from San Francisco. Dr. C. S. Poling, a brother of the speaker, led in prayer, and Dr. C. C. Poling of Salem, father of the two men, presided at the meeting. Mrs. Laura Poling-Goodie, of Portland, sang a well-received solo before the sermon. Dr. V. Poling of Oregon State college led the singing.

## MOVIES ARE TAKEN OF GIRL RESERVES

By HELEN BREITHAUPT. CAMP SANTALY, July 13.—We were very busy Friday. Early in the morning we went on a hike to the slide. It is wonderful for a hike and we enjoy very much going there. It looks over Fox valley and gives a new outlook on the country around our camp. At noon we were pleasantly surprised to have Dr. Hill arrive to take moving pictures of our

camp. He arrived at store time and took a picture of the store in action. After that he took pictures of the entire day at camp. We were very glad to go swimming so he could have pictures of us in this activity, as it was a very warm day. However when he took close-up pictures of each one, we almost decided maybe the life in the movies was not so nice. We enjoyed all his work with us and were very glad to have him and the mothers and others that he brought with him in camp.

In the evening we took our supper down on the rocks. Later we had pageant practice followed by marshmallows around the camp fire. We weren't very tired so we went for a moonlight hike on the road to Mehama.

Everyone has become a news writer for the camp book which is published on Monday before we leave.

## Peterson Is Kiwanis Speaker

DALLAS, July 20.—The regular weekly meeting of the Dallas Kiwanis club was held Friday noon at the Presbyterian church. Rev. Orval D. Peterson of Boise, Idaho, was the principal speaker. He gave a very interesting talk on "shirts."

There were several guests present from other Kiwanis clubs. Rev. Peterson is now a director of the Boise Kiwanis club and is a former member of the Dallas club.

BACK FROM LONG TRIP. — TURNER, July 20.—Mr. and Mrs. C. Gunning and Rev. and Mrs. W. S. Burgoyne and small daughter Ruth returned home late Friday evening, having traveled 2400 miles in 15 days. The trip was made principally to visit Yellowstone National park. The Burgoyne family visited relatives in Montana whom they had not seen for a number of years. While the trip was very enjoyable the party was glad to reach home and feel well satisfied to live in the Willamette valley.

Don't let summer go by without putting up some preserves, jellies and jams. Your family will thank you and with every glass and jar you open next winter, you'll save real money. Sugar is being sold everywhere at a price that is unusually low, and bargains in fruit may be expected throughout the season.

There is a place in every meal for canned fruit of some sort. You can make economical desserts and salads with them that are wholesome and delicious. Jellies also make a taste-pleasing dessert when served with cream, cheese and crackers. And when you have rice pudding, top each serving with a spoonful of jam.

Remember, too, that sweet relishes made of vegetables are delicious with meat and fish. Watch your fruit and vegetable market so you can take advantage of the bargain-day prices. Preserve with refined cane sugar. The Sugar Institute.
