## Camp Fire Girls Return; Enjoy Outing

Hubbard. — Idaho Camp Fire Girls returned Sunday evening, sunbathed but enthusiastic, from a three-day sampling trip at Island park near Canby. The girls declared the trip was a success in every detail, in that a jolly time was enjoyed and many Camp Fire honors won. Girls earning the tadpole and frog emblems in swimming were Miss Gungadene Bldgood, Miss Betty Brown, Miss Helen Claypool and Miss Beatri Claypool. The three latter also earned the fish emblem. All the girls won nature honors by making smoke prints of 10 different leaves. Camp honors were earned by cooking eggs and bacon on a hot stone, and by sleeping out of doors over the week end.

The timing of chickens aroused great interest among the girls and also other campers. A hole three feet by four feet wide and three feet deep was dug and lined with stones, and a fire kept burning in it for two hours, after which the coals were dug out and lettuce leaves put over the rocks. The chickens, wrapped in lettuce leaves, were placed in the pit along with potatoes, then more lettuce leaves were placed on top and the whole covered with wet sacks on which were piled the hot sand and earth from around the fire. The meat of the chickens was so tender and juicy after cooking about two hours, that it fell from the bones. The chickens were donated for the experiment by Mrs. Wanda F. Brown, mother of Miss Betty Brown.

Once more the girls found the "Whoopie" truck at their service, through the hearty cooperation of Ed Erickson of the Hubbard feed mill.

Because of conflicting activities a few of the members could not go on the sampling trip. Those who were present were Miss Dorothy McKey, Mrs. Marjorie Wolfer, Miss Betty Brown, Miss Helen Claypool, Miss Beatrice Claypool and Miss Gungadene Bldgood, guardian.

The Polk county Pomona grange and Four-H clubs will hold their combined picnics at Helmick park Saturday, July 25. Milton Miller of Portland will be the principal speaker.
