"If the reduction in fees is to be

horizontal from the existing schedule, it should not be less than one-half, with an additional one cent tax on gasoline. Provision should be made that all or a part of the gasoline tax should go to the counties. The average fee on automobiles is \$22, and a horizontal reduction of one-half would bring the costs down to a point

more in keeping with the motor-ists ability to pay.

"If the legislature meets and acts on this problem, or if it is initiated for consideration of the veters, I am extremely hopeful that a workable plan be adopted, or county highway work."
