Extras and Standards Same Price, Makers Are in Quandary

PORTLAND, July 25—(AP)— Failure of the produce exchange to advance the price of top score butter to a better price than was being quoted for undergrade offerings, was regarded here as placing the market in an altogether anomalous condition.

Quoting of 26s lb for both extras and standards by the exchange was said to have placed the makers of the better grade butter in a predicament. In the meantime there con-
