## SHERMANS OREGON ENTHUSIASTS NOW

CLOVERDALE, Aug. 19.—Mr. and Mrs. George Sherman and daughter Marie have returned from a three weeks' trip to Craig, Colorado, where they went to visit Sherman's mother, Mrs. Hattie Sherman, and also to view other farming country. They say that in Nevada and Utah the country was extremely dry and the farmers in Nevada were shipping their stock out as the streams were dried up and no water for stock was to be had. On the return trip they came through Wyoming and Idaho and they liked that country better as they irrigate, but where it was dry farming the country was desolate. They had better roads to travel also.

They were glad to get back to Oregon as they said "If our crops are not as good as usual this year, we can look at our green trees and there we didn't even

have trees to look at. The best thing we saw on our trip was the Columbia highway right here in Oregon."

## Paradise Road is Receiving Several Home Improvements

BRUSH CREEK, Aug. 19.—Improvements on several places along Paradise Road have been made of late.

Painting of the L. H. Myer home is nearly complete, only the trimming being left to be put on. The house on the T. Grace farm has also been newly painted this past week. At the Jensen home gas was recently installed and preparations are being made to do some painting and other repairing.

HOBBSONS MAKE CALL  
LYONS, Aug. 19.—Mr. and Mrs. Hadley Hobson of Salem, spent several days at the home of their son and family here the past week. The Hobsons own a farm here but leased it and moved to Salem about a year ago to be with her sister.

## Cass Nichols' Hogs Start Fair Tours

BETHEL, Aug. 19.—A carload of pedigreed hogs, owned by J. M. Nichols and Cass A. Nichols left Salem Tuesday night for the California fairs.

There are 50 hogs in the lot, and Mr. Nichols says they are the best show herd he has ever sent out. They are Poland China and

Chester White stock. Brookside Crusader and Miss Rainbow are at the head of the list of the Poland Chinas, and Brookside Rainbow and Sensation Giant of the Chester Whites.

Oscar Mikesell is traveling with the stock, which will first be shown at five California fairs, Stockton, Sacramento, Pomona, Riverside, and Monterey. Then they will be shown at the fair at Salt Lake City, Utah and October 24 they will be back to Portland for the Pacific International.

Some fine stock is being held at the Nichols farm to be exhibited at the Oregon state fair.
