# East Side Juniors Even Up Season Record, Winning 10-6

Grayson big Factor With Pinch Homer; Marion **Team Fights Hard** 

The East Side Commercial club. Juniors of Portland, state champions, evened up the season's record with the Marion Juniors when they won Friday's post-season contest 10 to 6. In six meetings of these teams this

season, each has now won three.
And for once, the Portland
team strictly earned its victory, although Bobby Grayson, an ever-age player from the Edwards Furniture team which was runner-up in the state series a year ago, played a major role in de-ciding the outcome. He smacked a homer far into left field that accounted for three runs in the fifth inning, and scored two more later on.

However it was explained by Billy Garbarino, East Side manager, that he did not add Grayson and Lassell, catcher, to his lineup with the view of strengthening It, but because Sutton, regular second sacker, had stayed in Montana when the team went there for the northwest series; and Richards, regular catcher, was unable to get away from his work to come here Friday. Jack Todd Shows Stuff This Time

Lanky Jack Todd, East Side moundsman, had something on the ball this time in contrast to his showing at Corvallis, and he let the Marion Juniors down with one hit in the first four innings. Wobbly support to the extent of four errors in this period did no harm, though once it filled the

Six runs behind, the Marion Juniors got to Todd for three hits and three runs each in the fifth and sixth to tie the score, but after that Todd tightened up again and with better backing, prevented any more rallies.

Perrine, who had pitched tight ball except for allowing two homers, one by Eatch in the first inning and Grayson's in the fifth, was replaced in the sixth by Zimmerman. The visitors got to him for four hits including Di-Orio's triple in the seventh, and three funs. They scored one more in the ninth on an error, a stolen base, a sacrifice and a fielder's

Zimmerman, Rudishauser and Keber did good work at bat for the Marion Juniors, Zimmerman driving in two runs in the fifth and Keber being responsible for and engineering a delayed steal that accounted for the tying run, Keber also did some remarkable work in cutting down hits and forcing runners at second,

and Nicholson robbed East Side of a hit or two through some distance running in center field. The Marion Juniors will play the Sunnyside Juniors from Washington, runners-up in that state, here next Wednesday,

It's a queer world. Millions starving in China, millions of bushels of wheat nobody knows what to do with in the United States. Disastrous overproduction of foodstuffs, millions going hungry all over the world.

What about a bread line for Salem? People who can afford to support one say they are willtwo in the sixth, driving one in ing. Opponents say home people would rather starve than patronize one and thousands of transients will be attracted by it. All right, let's do something else but do something.

> Panhandling is a worse system than a bread line, because money given promiscuously too often buys canned heat. Tender hearted people will give to panhandlers unless they can say "Go to --and you'll be fed." On top of that, failure to provide some general relief will mean burglaries, holdups. Somebody will get hurt.

LITTLE AUBREY Twenty seconds to play, Little Aubrey's team had the ball on the enemy's five-yard line and was three points behind. The ball was snapped to Little Aubrey and he ran through an open field until he crossed the last white line and touched the ball down behind the goal posts. Little Aubrey's coach just laughed and laughed. He knew Little Aubrey had run the wrong direction, (Contri-buted by K. D.)
