

Local News Briefs

Fast Service Offered—Fast mail service to the Dutch East Indies by weekly airmail dispatches from the Dutch Netherlands is now offered, according to a bulletin received at the local postoffice. Letters to the far eastern destination go by the regular rail and steamship lines to the Netherlands and from there by airplane. Mail leaving the Netherlands on Thursday arrives at the East Indies on the following Saturday or Sunday. Prior to the introduction of the new service, mail was carried by steamship across the Pacific ocean or eastward by way of the Suez canal.

Former Residents Stop—Mrs. Antonie Kvanoff, Portland, and her daughter, Winifred Gamble Krabbe, Bellingham, Wash., who formerly lived in Salem, and Mrs. Barbara Baxter, also of Bellingham, stopped in the city yesterday. They were en route by automobile to San Francisco and Los Angeles. Mrs. Kvanoff was known here as Mrs. Gamble. Her daughter will visit Miss Helen Pettyjohn, daughter of Mr. Winnie Pettyjohn of Salem, in Los Angeles. The two young women were classmates at Reid college.

48 Girls Examined—Forty-eight high school girls were examined at the all-day school clinic held yesterday at the Marion county health center. Dental examinations will be made by Dr. Estill L. Brunk, health department dentist, both morning and afternoon today at Leslie junior high school. The regular preschool clinic under the supervision of Dr. J. B. Barker will be held at the health center this morning, while Dr. C. C. Dauer, deputy county health officer, will spend the day at Gervais conducting school and toxoid diphtheria immunization clinics.

Issue Bi-Centennial Stamps—In observance of the George Washington bi-centennial next year, the postal department will issue a new series of postage stamps ranging from one-half to 10 cents, according to a bulletin received at the local postoffice. The new stamps, which will be placed on sale on January 2, 1932, will be of standard size. Special stamped envelopes also will be issued for the occasion.

Special dinner tonight. Don't miss it. Hotel Argo Dining room.

Transfers Numerous—Fifty-one students who entered Willamette this fall are transfers from other schools which is an unusual and highly pleasing situation, according to President Doney. The total registration is now 622 as compared with 544 last year. Men and women were exactly equal in numbers last year, but now the men exceed the women by 54.

Relic Gives Figures—An almanac of Methodist colleges published in 1931 was sent to President Doney by a friend of Willamette. In 1931 there were 341 students in all Methodist colleges in the United States. The total number of books in the libraries of those colleges was given by the almanac as being less than those at Willamette now.

Directors Hear Report—Directors of the Y. M. C. A. meeting at the association building today noon will hear the annual financial report for the year ending Wednesday, September 30, which has just been audited. Plans for the membership enrollment and for the new year's activities will complete the program of the meeting.

Clubs Selected—Students at Salem high school signed up for the various school organizations with which they wish to work, during the homecoming week yesterday. From the lists of the students' selections Principal Fred Wolf and Assistant Principal R. W. Tavenner will compile the schedule of club and society meetings for the year.

Blank, Blank, Blank—That is the condition of the arrest record "blotter" at police headquarters for the past two days. The only entries made since Saturday, when E. O. James, the alleged robber of a filling station, was arrested, was sent to justice court, were of holding a man for investigation and of arresting another on a charge of speeding.

Postponed—The good fellowship supper announced for Thursday night at the South Salem Friends church has been postponed until Friday night at 6:30 o'clock on account of the funeral of Mrs. N. D. Elliott, which is to be held at the church Thursday afternoon.

Pep Rally Today—A short pep rally will be the main feature of the assembly of the senior high school this afternoon. The rally is in preparation for the Cherrians' game with Silverton high here tomorrow afternoon. A program of music is also planned for the assembly.

Obscure Yorktown Victory—The victory of the American Revolutionary army and the 150th anniversary of the surrender of Lord Cornwallis at Yorktown have been ordered observed by all post-offices by display of the flag on October 19.

To New York—After arriving in Salem six weeks ago from the Philippines Islands, Mr. and Mrs. Harold S. Hull left yesterday for New York City, going by way of Los Angeles. Mr. Hull is the son of Mr. and Mrs. O. J. Hull, 441 North High street.

Gatko Addresses Students—Dr. Gatko told chapel listeners at Willamette Wednesday that this nation now has a dearth of spiritual interests. An increasing number of the students come from homes where there is no religion, according to Dr. Gatko.

POWER SQUABBLE RULING REVERSED

Lack of Adjudication Upon Certificate Is Noted By Supreme Court

The state supreme court Tuesday handed down an opinion reversing the decision of Judge J. T. Brann of the Circuit Court, in a suit brought by B. E. Flak, doing business under the assumed name of the Gold Beach Electric company, to recover damages from J. C. Leith, operating under the name of the Gold Beach Light and Power company and Gold Beach utilities. The lower court awarded damages to the plaintiff in the amount of \$4000.

The plaintiff alleged that the circuit court had never made a final adjudication as to whether Leith was entitled to a certificate of public necessity and convenience, and that the defendant corporation had encroached upon the territory of the complaining company.

Under the supreme court opinion the case is remanded for retrial, for the purpose of taking additional testimony and determining the amount of damages, if any, that shall be awarded in the final decree. The opinion was written by Justice Belt.

Other opinions handed down by the supreme court Tuesday follow:

Harold Wiley Leat vs. Title and Trust company of Portland; appeal from Clackamas county. Appeal from order directing defendant, as trustee, to pay \$1000 to plaintiff, a beneficiary under the will of his mother. Opinion by Justice Belt. Judge J. U. Campbell reversed in part.

Francis Brothers, appellants, vs. Warner Schallberger; appeal from Washington county. Action of claim and delivery. Opinion by Justice Rand. Judge George R. Bagley affirmed.

D. G. Brown, appellant, vs. W. W. Jones and others; appeal from Klamath county. Suit for damages. Opinion by Justice Rossman. Judge W. M. Duncan affirmed.

William Skinner vs. Jordan Valley Loan company, appellants; appeal from Deschutes county. Motion to dismiss appeal denied in opinion by the court.

Petitions for rehearing denied in Enterprise Irrigation district vs. Enterprise Land and Investment company, and in Driscoll vs. Borg.

Motion for affirmance of judgment allowed in Switzer vs. Harny county oil and gas company. Case dismissed.

Niles to Speak Before Ad Club

Captain Harry Niles of the state police department is to address the Salem Ad club at its noon meeting Friday. Niles will discuss the organization of the police department and the work being done. He was loaned by the Portland police department to the state police free when that body was organized three months ago. His leave of absence was recently extended three months to allow him more time here assisting Charles Pray, head of the state police, in organizing his men.

any other part of the narcotic fund has been made available by the legislature for the expenses of the state police department, according to an opinion handed down Wednesday by Attorney General VanWinkle.

"If it had been the intention of the legislature to do so," the opinion read, "it might well have provided that the \$75,000 appropriated for the use of the police department should be payable from the narcotic fund, as well as from the prohibition fund."

CANADIAN POSTAGE RATE BOTHERSOME

Local postal officials are experiencing considerable trouble over letters destined for Canadian points, since the new postage rates went into effect last month, according to Arthur Gibbard, assistant postmaster. The new rates call for three-cent stamps on letters and two cents on post cards. New increases in postage rates to foreign countries have recently been announced, he reported. The regular foreign rate is now charged for letters and post cards destined for the following islands and countries: Bahamas, Barbados, Bermuda, British Guiana and Honduras, Jamaica, Lee ward, Netherlands, West Indies, New Zealand, Trinidad and Windward.

Letters mailed to these points now require five cents postage and three cents for each additional ounce and post cards, three cents for singles and six cents for doubles. Mr. Gibbard said that postage should be paid in full to avoid delays.

STOKES TALKS ON FIRE PREVENTION

George W. Stokes, deputy fire marshal, helped the Rotarians feature Fire Prevention week yesterday by outlining to them the need for constructive prevention work. Oregon's fire loss is an eight million dollar bill per year. This year already 30 lives have been lost. Some years ago Portland had a fire loss amounting to \$8 per capita per year. After a campaign headed by Jay Stevens the loss was cut down to 87¢ per capita. In Salem the fire loss last year was \$2.07 per capita. Stokes urged citizens and tenants of property to be ceaselessly vigilant to keep their property in shape so that fires would not occur through carelessness, which is one of the chief causes of fires.

EXTENSION SCHOOL ENTRIES TO CLOSE

Next Week Last Opportunity To Enroll; Several Courses Offered

Next week marks the deadline for persons desiring to enter the extension school courses of the University of Oregon here. Professor W. G. Beattie, head of the school locally, announced yesterday. Beattie is hopeful a number of additional students will send themselves at the chance to take courses at night in the extension school.

The school work begins at 7:15 p. m. and ends at 9:15 p. m. An eight dollar enrollment fee entitles the student to take three courses for the term which lasts until December 18. Two hours credit in the university is allowed for each extension course completed. University requirements call for a minimum of 20 students in each class.

Monday night, "School Organization" taught by Superintendent George Hug, Salem schools. Tuesday night, "Education for Citizenship" taught by Professor W. J. Beattie, University of Oregon.

Wednesday night, "Short Story Writing" taught by Professor Alexander C. Hull, Pacific college, Newberg.

Thursday night, "Modern Social Problems" taught by Professor Margaret Creech of Portland. Classes are held in room 202, senior high school building.

SOME GAME LAWS STILL OVERLOOKED

Joe Schmidt, 18-year old Gervais nirod, almost had two nice Chinese pheasant roosters in his pocket and safely covered yesterday. Almost, except that:

1. He shot the birds from a state highway.
2. He had no license.
3. He shot them out of season.
4. It was thought he was hunting on a game reserve.
5. He encountered a state police officer just as he was finishing his hunting trip.

Last night a somewhat chastened Joe was sitting in the county jail pondering over ways and means to raise a \$25 fine and costs assessed against him in justice court yesterday.

Airplane Model Club is Planned At Y. M. Project

Boys interested in model airplane construction and flying will be given an opportunity to organize a club for furtherance of their hobby at the Y. M. C. A. next Tuesday evening, Dwight Adams, boys' secretary announced yesterday. The meeting is called for 7 o'clock.

Plans for the club include awards to each boy for the construction of his first model and a series of graduated awards for his progress in the art. The group probably will sponsor a city-wide model airplane contest next spring.

Oscar Gingrich, who directed model airplane construction at the "Y" summer camp this year, will assist the boys in their projects. It is expected the boys who engaged in this activity at the summer camp will form the nucleus of the club.

Salem Bank Resources Are In Excess of \$12,000,000

Total resources of over \$12,000,000 are shown by the banks of Salem in the call just made for statement of condition for Sept. 30, 1931. National banks had the call from the comptroller of the currency and state banks from the state superintendent of banking. Little change is indicated in the total figures for resources and for deposits from one year ago. The September figures in comparison with those for last June show some decline in deposits which is attributed to the fact that last June Salem banks carried heavy deposits of state funds received for auto licenses which have since been distributed to other depositories over the state.

Salem banks show a highly liquid condition, even better in this regard from a year ago. The holding of bonds is about stationary, the item of loans and discounts has been reduced over \$800,000, while cash has increased \$650,000. This reflects the slack current demand for credit due in part to lower commodity prices, together with a conservative policy regarding loans which is followed by bankers generally.

A consolidation of the statements of the three banks of Salem shows the following from the call for Sept. 30, 1931, June 30, 1931 and Sept. 24, 1930:

	Sept. 30, 1931	June 30, 1931	Sept. 24, 1930
Loans and discounts	\$ 5,529,193.02	\$ 5,498,642.58	\$ 6,353,528.99
Bonds and securities	3,424,251.23	3,147,160.88	3,495,301.93
Cash	2,500,376.24	3,449,730.93	1,881,485.17
Deposits	10,839,148.08	11,508,854.64	11,084,752.13
Total Resources	\$12,186,974.45	\$12,798,605.71	\$12,487,559.28

CHIMNEY CLEANING ADVISED BY CHIEF

Now is the time for cleaning out chimneys, according to Harry Hutton, fire chief, because the hazards from burnouts arising from booming stoves and furnaces and windy days are at hand.

The three fire alarms to occur so far this month have been for chimney blazes. The third was rung yesterday for a house at 1175 Trade street.

Purposely burning out chimneys is of little value in removing the fire hazard, Chief Hutton said yesterday. The chimney is not thoroughly cleared of accumulated soot in this way. After such a burnout, he has found that the sooty matter only cakes up on the sides of the chimney, to collect more soot and make a hotter blaze when the fine catches fire without the intention of the home owner.

The only safe way to avoid dangerous chimney fires is to have the flue thoroughly cleaned, the chief concluded.

CHRISTIAN CHURCH RALLY SET SUNDAY

The First Christian church will observe its annual rally day Sunday, when all services will be emphasized with the largest possible attendance, according to Rev. D. J. Howe, pastor.

Beginning with the bible school at 9:45 o'clock, the attendance mark has been set at 600, which is approximately the enrollment of the school. A preparatory service was held at the church last night, with all teachers and workers called together to complete plans for rally Sunday.

Provision will be made for transportation for those who have no way to come to the church Sunday. Rev. Howe, who has been absent from the church for several weeks, hopes to be able to preach the rally sermon.

School Gain Not Big as Expected

Contrary to the expectation of a large increase in enrollment over last year at the senior high school, only 109 more students were registered Friday, after the first two weeks of school, a checkup yesterday revealed. The enrollment stood at 1173.

FIRST-DEER SHOT BY MARION WEST

SWEIGLE, Oct. 7—Marion West who is spending the winter at La Grande, shot his first deer. It weighed 250 pounds and he is going to have the head mounted for his mother, Mrs. R. A. West.

Harry Schroeder and family from Chinook, Montana, are visiting Menno and Theodore Dalke for a few weeks.

J. Teetz of Boring, is visiting his daughter, Mrs. Carl Hoffman, Martha Teetz, Oregon City, was a weekend visitor there also. Mary Whitehead, primary room pupil and Claude Swingle, upper grade pupil passed the physical examination 100 per cent as to height, and weight for their age.

Both teachers, Mrs. Lina Merts and Miss Lana Stebens attended the institute Monday and Tuesday. They returned Wednesday with many new and modern ideas and plans for this year's teaching.
