Hug Puts Much Stress on Need Of Health Work

By GEORGE W. HUG Superintendent of Schools Health is man's greatest bles-

sing. Without it in life, little worth while is accomplished. Yet health does not come to a community through a miracle. It comes only about through a long process of education through our public institutions and community The Salem Young Men's Chris-

tian association stands out through its swim pool, its body and character building programs as one of our greatest health ed-ucation assets in this community. The Salem Y. M. C. A. co-operates hand in hand with all local health and character building agencies, such as our schools, our county health, our Y. W. C. A., Red Cross, playgrounds, church-es and other institutions, Countless numbers of our local

youth owe their success and start to its good work. The Salem
