

FREE GOLDFISH

(including bowl)

We are giving away a crystal bowl containing two gold fish, with the purchase of a fifty-cent box of Comints, the delicious mint laxative. Children delight in these lively little gold fish, the goldenest we could find anywhere. They are fascinating to grownups, too, and the clear crystal of the aquarium reflecting the golden flashes of alert, busy little inhabitants adds an ornamental touch to the home. We couldn't think of a more acceptable gift with which to introduce this very mild and pleasant laxative. Comints are mild and harmless, nothing habit-forming about them.
