

Our First Mid-Season Shoe Sale

In consideration of the rapid changing of business conditions the unsettled leather market and the general lack of confidence in the price of all merchandise we think the only way to stimulate buying and restore confidence is to put on a real sale right in the midst of the buying season. When we put on a sale it is a real sale and this is going to be one that you really must attend.

Sale Opens Wednesday the 4th

This sale will be a sale of broken lines. Our regular lines will be reserved, but we will be able to fit everyone that comes, as we have a number of complete lines to close out. We will have exceptional offerings in LADIES' SILK HOSE, LEATHER HANDBAGS, GALOSHES, CHILDREN'S SHOES, MEN'S SOX AND MEN'S WORK SHOES WHICH IS A NEW LINE.
