Eugene Kicks Extra Points, Beats Salem in See-Saw Game

Cherrians Score Twice on Sustained Drives, Beaten By Two Spectacular Runs

By JIM NUTTER

HAYWARD FIELD, Eugene, Nov. 11-(Special)-Rest-ing on a six point lead until Eugene high scored and kicked goal and then resting on a hastily gained five point lead. Salem went down before Coach Fritz Kramer's purple and white horde 14 to 12 in the Armistice day football game played here.

Salem's scores came on power plays and sustained drives while Eugene's came on 15 yard and 55 yard runs. Place kicks for point after touchdown were twice booted successfully for points after touchdown by McKitrick and twice the Eugene forward wall moved in to block Sugai's attempted kicks for point.

Hard blocking by the Eugene backs and poor tackling by the Salem's on a couple of plays, allowed the touchdown jaunts to go unmolested. Eugene gained eight first downs from scrimmage while Salem made 12, but by blocking the secondary defense, Eugene was able to stretch several runs for long gains.

took the ball on its own 25 yard excepting an equally futile scrap line and began its drive down a 1919 Willamette team waged the field. Aided by a 15 yard against an armored tank outfit penalty, the Cherrians moved to from Multnomah club. About half the Eugene 20 yard marker by of the Bearcat regulars went to the end of the quarter.

On the first play of the second quarter Jim Reed, playing left end, took the ball on a crisscross around right end for a 17 yard gain. From the three yard line Perrine knifed through to the six inch line and the anticipated line smash was an end run with Sugai going over untouched.

Salem high rested on the six point lead and allowed Eugene's guard T. Reed to return the kickoff to the 45 yard stripe at the outset of the second half. Kramer's inspired men pulled a perfect cutback run on the first play from scrimmage with the fullback Biddle going outside Salem's tackle on the left and cutting back to the right.

Perfect interference put him into the open and with the defensive half "sucked" across, he had only to outrun Perrine, the safety, who touched him with his fingertips on the 10 yard line. McKitrick booted a nice place

Salem took the ball on its own 35 and marched to the 19 where the ball was lost on downs. Sugal soon intercepted a Eugene pass on the purple and white 25 yard stripe. A first down was made immediately taking the pigskin to the 15.

Sunderman then hit the line 12 to 7 for Salem.

Eugene's following drive was halted, but Chuck Reed, who did some fine ground gaining in the game, fumbled and a Eugene man beat Perrine to the ball.

From punt formations with McKitrick back, Eugene slashed through the line with sneak plays or with McKitrick faking end runs and hitting off 'tackle also good.

Salem could not get under way following that. Jim Reed and Chuck Reed both played good games and Nicholson made some nice gains,
