Sunday will be the closing of the revival campaign in the Church of the Nazarene being conducted by Rev. D. S. Corlett of Kansas City. The attendance has been good and there have been about 100 professions thus far, according to Rev. Fletcher Galleway, pastor.

A group rally of the Nazarene Young People's society, the Sunday school department, and the Woman's Foreign Missionary society, for the Salem section was held on Armistice day and more than 200 were in attendance. Rev. Corlett is national N. Y. P. S. secretary and Rev. D. J. Smith of Portland is the national president, and both had part on the program, Also Mrs. A. J. Smith, a returned missionary from China. and a number of department leaders from this section appeared on the program. Clyde Hoffer of Salem is chairman for

the Salem zone. An interesting feature of the special services has been the securing of signatures for "Youth's Roll Call for Prohibition" being sponsored by the W. C. T. U. The lists were presented in one of the night services and 52 signatures of young people between the ages of 15 and 30 were secured in about five minutes. The supply of lists was exhausted and a new supply has been obtained so as to bring the number up to 100. The purpose of the roll call is the securing of 1,000,000 names

of young people to be sent to President Hoover to counteract the "wet propaganda" that the youth of the land wants repeal of the dry laws.
