

# Never before Could Your Dollar Buy More Material and Labor than NOW BUILD NOW

Remodel NOW

Farming is our largest industry. The building business is the second largest. With the lull of building activities, hundreds of men are out of employment. Which do you prefer, to provide charity, or to provide labor?

MEN prefer WORK!

Hundreds of men want and need work. They much prefer work instead of charity. The revival of the building activity in Salem will provide more employment than anything else. You can do that remodeling NOW, SAVE MONEY, and at the same time provide employment.

Not only can you get more . . . you can get better materials, better labor, and better results now at 1913's rock-bottom, low prices. Today presents building opportunities that make it possible for you to bring to reality all your visualizations of a beautiful home, or thoroughly modern business structure.

Those whose names appear on this page pledge themselves to cooperate with you. They are fully equipped to complete any type of structure or work, with 100% guarantee for quality and value. Take advantage of present opportunities . . . build for the future.
