## Card Afternoon is Splendid Success

One of the most attractive card afternoons enjoyed for some time by members of the Eastern Star Social club was that for which non-resident members of the Star entertained Tuesday in the Masonic temple social rooms.

Thanksgiving set the keynote for the decorative effects. At the tea hour a lovely table in bronze and yellows was presided over by Mrs. Eloise Roderick of Los Angeles, mother of Mrs. David Wright, and Mrs. J. W. Duncan. Old fashioned brass candle holders containing softly burning yellow tapers added the final note of loveliness to the Thanksgiving tea table.

## Wedder Speaks for More Consolidation in Country Schools

SILVERTON HILLS, Nov. 23—Brenton Wedder of Oregon City, county school superintendent for Clackamas county spoke greatly in favor of consolidation of schools at a special meeting held at the community hall Friday night. In some instances, said Mr. Wedder, it lowered the taxes although this was not always so for the first few years because of the expense of building new buildings. However, even so it was in some districts where less teachers would be employed.

In the Silverton Hills, there are five school districts, Mount View, Hult, Bridge Creek, Porter and Davis. The total number of pupils is over one hundred. The question evidently facing this community is that eventually the schools will have to consolidate or the pupils will have to go to Silverton school.
