> All heads of departments and their chief deputies will receive invitations to the dinner, for the chief purpose of becoming acquainted, and also for the purpose of enjoying a good time. With Charles Thomas as toastmaster, and many good floor leaders listed, the stag event couldn't help but be a success.

The affair will be limited to the male officials, which automatically excludes the heads of two departments, and many deputies. However the women have declared that a similar event is in the planning, so don't become discouraged. The state training school for girls and the state lithe party, it is feared.

And before anybody thinks the newspaper men will get a free feed, it should be mentioned that there will be no complementary covers placed. But the press is on the receiving end of invitations, and all they will have to do is to plank down their dollar and enjoy the evening. There is to be a moratorium on news that night.

The invitations advise guests to "Park Your Politics. Deposit Dignity at the Door. Come and See the Lion and the Lamb Lying Together and to Each Other." James improved, and able to be about Stewart, the Capitol Scotchman, says he has budgeted \$1.25 for the affair.
