SUNDAY in the Churches Q.S.

With 18 churches participating Sunday morning in a surprise exchange of pulpits sponsored by the Salem Ministerial association, pastors urge that friends and members

of the church attend the 11 o'clock worship in larger numbers than usual.

By agreement, only the committee in charge knows just what pastor will preach where. The preacher for the service at these churches will be made known only at the time of service. All pastors will preach in their own churches

for the night worship. The Ministerial association ---
