

### ANNUAL OPERETTA AT CHEMAWA SOON

#### Students and Faculty Work To Make Affair Success; Cast Listed

CHEMAWA, Dec. 5.—The musical comedy operetta, "Oh Doctor" in two acts, by Estelle Clarke and Palmer Clarke, is to be presented for the general public, with special permission of the publishers, at the Chemawa school auditorium Saturday, December 12, at 8 o'clock. This is one of the very new operettas, furnishing delightful entertainment from start to finish.

Considerable time has been given to its preparation by both the employees having charge of its direction and the students.

Following is the cast of characters in the order of their appearance: Doctor Drinkwater, Robert Perkins; Mrs. Weekly, Melba Arnoux; Mrs. Crossly, Charlotte Jordan; Doctor Slaughter, Robert Thomas; Doctor Cutter, Harold Masten; Doctor Griffin, Clarence Orton; Rainbow, John Pettier; Bessie, Agnes Smith; Honor, Alice Slater; Madam Chere, Theresa Newman; Glory Drinkwater, Marie La France; Pancho, Victor Smith; Philip, Charles DePon; Jimmie, Alfred Markstrom; Old Timer, Alfred Christnot; Bob, Leo Cottencor; Cynthia, Dora La France; Manuel, James Scott. In addition to the above there are over 40 students taking parts in the choruses of doctors, nurses, patients, visitors, cowboys, Spanish girls and boys and Mexicans.

Miss Antoinette White and Mrs. Ruthyn Turney are coaching this operetta, while Miss Nina Trevett has charge of the ballet dancing. Costuming for the boys having parts is in charge of Joseph James, all the work in making same being done in the local tailor shop by students. The girls' costumes are also being made in the local domestic art department under the direction of Miss Lillian Black. The stage settings and posters are being made by the art department under the direction of Miss Mary Davis.

A small admission charge will be made for the operetta and tickets are now on sale at the Chemawa Vocational Training school.

### CHILDREN CONDUCT CONTEST ON SALES

HAYESVILLE, Dec. 5.—The children in the school are divided into two groups for a contest, to see which side can sell the most Red Cross stamps. Iris Mason is leader of one side and Jean Stittler of the other. The losing side is to give the winning side a party, the first of the year. At present Iris Mason's side is ahead. But the contest is only about half over as about 800 stamps have been sold out of the 1500 allotted to the school.

Influenza being prevalent among the school children during the forepart of the year, accounted for the small list on the honor roll this month. Those being neither absent nor tardy, and having grades above 90 are: 2nd grade, Kenneth Robertson, and Alko Abe; 5th grade, Sam Ishida; 7th grade, Yoshimi Saito and Mary Ito.

The regular meeting of the Modern Teachers' club will be held at Middle Grove Tuesday night, December 8. The topic for discussion will be: "The Regular Study of Geography."

The next regular meeting of the Hayesville Community club will be held Tuesday, Dec. 22. That date being chosen as the one least likely to conflict with church programs. The school is working on the program, which is to be given in two parts. The first, a Christmas pageant and the second a playlet called "Queen Christmas."

The children are busy making decorations and posters suitable for the occasion. There will be the big Christmas tree glittering with trinkets and pretty lights, while old Santa goes among the children and grown ups too, with his treat.
