CHEAP MEATS

Are always high—Our aim is to sell you the best grade of meats as low as good meat can be sold for. Our system of doing our own slaughtering, curing and smoking enables us to do this. We really operate a packing plant and market combined. That's how we are able to retail at practically wholesale prices.

Regular Prices—Not "Specials"

Prime Beef Roasts	10c lb.	Choicest Sirloin Steak	12 1-2c lb.
Young Pig Pork Roast	9c lb.	Dainty Lean Loin Chops	15c lb.
Fresh Ham Roast	15c lb.	Young Pig Pork Steak	12 1-2c lb.

Pork is just a wee bit higher this week. If we didn't raise a trifle we would have to lower the quality. Still the farmer is the only one who can kick on these prices.

Our establishment scored 97% at a recent state inspection which is your guarantee that our choice meats are handled in a clean, sanitary manner. In other words it isn't necessary to pay more to obtain the best in meats.

FANCY MILK-FED VEAL
The firm, white meated kind

REPORT ON POLICE ACTIVITIES GIVEN

In three months after organization the state police made 2044 arrests, collected \$72,000 in fines, had penitentiary sentences totaling 173 years imposed; collected \$26,063 in fees. Its men had traveled 762,000 miles, recovered \$7,593 stolen automobiles. These were statistics cited by Captain Harry Niles of the police department, who spoke at the Rotary club Wednesday.

He said that it was estimated that the cost of commodities was increased from 15 to 20 per cent because of the criminal element, which would continue until the public awoke to this cost and stamped it out.

There are two laws which the state police are pressing, one against drunken drivers, the other the "gasoline cowboy" law to prevent theft of livestock by persons in motor vehicles.

"The public demands a higher type of police officer," Niles declared; and urged public support of the state police as well as of local police officers in their task of suppressing crime.

Asked why the cars of the state police are no longer white in color, Niles replied: "White cars, no arrests," meaning that the distinctive color served as a warning and law violators escaped.

Pilot, Student Aviator Killed

OAKLAND, Dec. 16.—(AP)—Lawrence Dettinger, 27, an aviation instructor with limited experience, and Everett Carr, 22, student pilot, were killed Tuesday when their airplane crashed to the ground at 200 feet. Airport officials attribute the accident to inexpert maneuvering of the plane.
