Price Shading Continues on Stock Decline Another Coast; Live Chickens Generally Higher

PORTLAND, Dec. 30-(AP)-There was further weakness in the butter market at Pacific coast Efforts to keep step to the tune points for the day with more or of the stock market put grain valless shading of established prices ues down today, Wall street final continued. This applies not only to the local market but to the coast generally and there is also more or less easiness expressed in the entire American trade.

Mild weather has had the effect of stimulating production in most centers and this has been prices lower. On the other hand, mided considerably by extreme Argentine dispatches told of crop Bests . sluggishness of the milk demand. delays and deterioration and there Much milk that formerly went in- were European forecasts of ento fresh consuming channels is being churned in practically all parts of the country.

Perhaps the chief weakness expressed in the price along the coast has been at San Francisco where a further late sharp decline has been forced in the price. Butterfat values here continue depressed.

Weakness in the egg market is to 1-2; July, .55 3-4 to 7-8. now practically general throughput the country. Lower prices here 3-8; May, .41 1-8 to 1-4; July, .42 during the day were the result of depression and price shading else-

Higher prices are being named for live chickens. Heavy and medium weight hens are generally higher along the wholesale way. Advance in the poultry market s general. Sales of heavy hens are being made to killers at 18-19c, mediums 17-18c and lights 13-14c

1b. Ducks are scarce but there is plenty of geese in sight. General advance in the price of country killed calves is showing here with sales 10-11c generally for tops. Hogs are more active. Lamb call is excellent; mostly at a dime a pound.

Late cauliflower offerings from Roseburg have been so good that as high as \$1.90 is reported in sales. California stock is now available and is finding favor at Spring, Western Red. 59 1/2.

1.50 crate.

ying for the New Year's trade. Demand for root vegetables was 5.50: keen with practically no change in choice, 5, 3,50-5,50.

Cauliflower was firmer with some sales 85-90c for real 1s. Cabbage was a trifle slow; mostly 80-90c crate.

the price list.

Green onions found a good call at late prices. Apples were in supply and sold

slowly at recent values. Potatoes were slow but steady

as to price. Celery demand was good but little real quality was available.

ENCOURAGES MART

Stocks Rally Toward Close On Basis of Wage cut Accepted by Espee

By JOHN L. COOLEY NEW YORK, Dec. 80-(AP)-Encouraged by a firmer tone in bonds, stocks allowed themselves a late rally today, although during most of the session trade was quite perfunctory and uneventful.

Fixed income securities and liberties and the investment market returned a net gain, as measured by the averages, for the first time in several days. There was no ready explanation for the rise by governments since money was somewhat firmer, but the showing was none the less favorably recei: al.

Stocks had a fair advance soon after the opening when traders appeared to be making the most of the wage cut accepted by some Southern Pacific employes. This improvement, however, failed to draw a following and gains dwin-Monday night. The pilot escaped dled away. The last hour saw another reversal of the trend, with the result that net advances in leading issues ruled from a fraction to a couple of points. Transfers totaled 2,110,991 shares.

U. S. Steel rose swiftly in the final quarter hour, getting 1 7-8 higher on transfers of 1,000 to 5,000 shares. It then went down just as fast and by the close only took a \$1000 prize at Portland an eighth of the gain remained. American Telephone, which had refused to follow the morning upturn, finally acquired enough strength to finish a point to the good. Santa Fe was up 3, Bethlehem, Southern Pacific and American Can 1, and General Electric, Union Carbide, General Motors, National Biscuit and Case less and Connell Ward of Salem were than a point. National Steel, Consolidated Gas and Allied Chemi-
