### DeNeffe's Free Throws Beat Bearcats

# IS ABOUT EVEN

Eugene Veterans win 34-19 Through Accuracy at 15-Foot Mark

Fouls were called at the rapid rate of one every 45 seconds in the Willamette university - De-Neffe's basketball game in the Willamette gymnasium Friday night. The teams were about equally guilty in this respect but DeNeffe's capitalized on Willamette's sins to the extent of 14 points, while the Bearcats made only three in that fashion, and DeNeffe's won, 34 to 19, although it made only one more field goal.

The Willamette team looked even worse in shooting free throws than its record indicates; some of the tosses were missed by about four feet.

As for the play in between fouls and free throws, the lanky Gene Eberhart and the rotund but deceptive Scott Milligan of DeNeffe's rather dominated things, Milligan drawing his men back into a delayed offense when a group of Willamette reserves which started the second half, staged a rally and brought the Bearcats' score up to within five points of DeNeffe's.

Coach "Spec" Keene of Willamette used all his men and no combination managed to keep even with the visitors with their advantage in free throws.

Benjamin, who started at forward for Willamette, was poked in the eye and had to leave the game, but it was said the eye itself was not injured and he is expected to recover rapidly.
