Pattern

2252

By ANNE ADAMS
The bright top and the dark skirt form a fashion duet for 1932. The bodice of this stunning model is most unusual and one that will flatter any type of figure. The slender V of the belt pulled through the slash, the pointed details are indeed charming... easy to make and easy to wear. We made up the original in light and dark blue wool crepe. Equally smart for Rosha-hara or canton crepe in black and green, brown and orange or red and eggshell.

Pattern 2252 is obtainable only in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42. Size 16 requires 3-5 yards, light and 2 yards dark fabric. 35 inches wide. No dressmaking experience is necessary to make this model with our pattern.

The new winter catalog is now ready. It features the latest in afternoon, sports and house dresses, lingerie, pajamas and kids' clothes. Also delightful suggestions in accessories and transfer patterns. Price of catalog, \$1.00. Send for it today.
