

# Four Fast Cage Teams to Show on W. U. Court Tonight

## ROSEBUDS WILL PLAY BEARCATS

Florsheims and Linfield to Mix; First Game Will Start at 7:30 p. m.

**PROBABLE LINEUPS**  
Willamette Rosebuds  
Carpenter F. Hewitt  
Griffith F. McChesney  
Kloostera C. Jones  
Reike G. Yerkovich  
Allen G. Anderson

Tonight at 7:30 the Willamette university Bearcats will tangle with the speedy high scoring Rosebuds of Portland on the local floor in a double header basketball game with Florsheims and Linfield college meeting in the second frame of the program.

The Rosebuds have had one of the hottest Portland quintets for several seasons and are apparently going just as strong now.

Last Saturday night the Rosebuds played Kenton and won 72 to 24, on Kenton's own floor. All five of the Rosebud regulars contributed to the scoring and three substitutes added 23 of the points.

McChesney is a classy forward and loops the net from any angle. Anderson is a guard, but just as speedy as a forward and is usually a high scorer.

Coach "Spec" Keene has not definitely decided on his starting lineup, but indicated yesterday that George Scales will not play because of an infected knee. Percy Carpenter is the only other veteran man.

Carpenter has been shifted to forward position and Ray Griffith is being used at the other sharpshooter's post. Griffith is a fast man with a lot of stamina and makes a large percentage of attempted shots.

Reike is the tallest man on the team, measuring six-foot-five with his shoes on. He and Allen have been placed at guard and with Kloostera at center, a tall, fairly smooth combination has been found.

Max Allen has been improving steadily this season and is now breaking into the scoring column more frequently. All the men in that five are fair scorers with Kloostera perhaps out in the lead when it comes to gaining points.

Additional Groups May See Action  
Another combination which Keene has been using, include Moore and Faber forwards, Connors center and Kaiser and Lemons guards. Benjamin, Kitchin, Hartley and Burdette are others on the squad who may see action tonight.

Florsheims will play Linfield immediately following the Willamette game. Linfield has finished third in the northwest conference basketball race for two seasons and now has a veteran team back.

Wayne Darby, the tall lad who scored 14 points in one half against Willamette university last year, is back and will probably get the call for center. Other veterans among the Wildcats are Russ Hollingshead, Wayne Eckman, Chet Cook, George Sergeant, Chet Gilliam and Virgil Kingsley. Also several freshman players have strengthened the squad.

This game will doubtless be good from the spectator's standpoint and will give the Bearcats a good comparison with Linfield as Willamette and Florsheims will play Friday and Saturday.

Florsheims will be at full strength for tonight's contest with Adams and Marr starting at forward positions, Flake at center and Ashby and Drager at guards.

## A-B-C'S OF BASKETBALL

By "Spec" Keene and "Bob" Boardman

No team can ever win consistently unless the fundamentals of the game are first mastered. The Chest Shot is one of the most important shots a beginning basketball player should practice. It is the best all around long shot, and is also used in shooting free shots.

### CHEST SHOT.

Hold the ball by the finger tips and palms, and not against the "heels" of the hand. With the player crouching forward, the ball starts from the lower chest; the hands are pushed forward and upward to a full extension of the arms before letting the ball go. The eyes should be fixed on the front rim and top of the basket and kept there until the ball hits the basket. Push the ball easily without trying to "English" it, but rotate the hands in slightly at the finish of the shot so that the thumbs curl inward almost touching the palms face toward the basket. The index finger should be the last to leave the ball. Keep elbows at side and in front of the body and do not spread them as the ball is thrown. The arms and shoulders should be relaxed completely as the ball leaves the hands.

## Parrish Wins Over Turner By 23 to 12

Parrish junior high defeated the Turner high school basketball team, 23 to 12, here Tuesday night in a return game of the Marion county B league.

This is the third consecutive victory for Parrish. Friday night Coach Brown will take his squad to Newberg to play the junior high team there.

The Parrish players were off on their shooting, but were able to work the ball in close for many scoring opportunities. They were also woefully weak on foul shooting, but Coach Brown attributes part of their inaccuracy to the recently holidays.

Steinke was high scorer of the game with eight points, all gained in the first half. Phil Salstrom, the other forward, accounted for six of the Parrish chalk marks. White at center scored two points, DeJardin and Coons, guards, two and three points respectively, and White, a substitute forward, made

a field goal. Turner had a large center who was outstanding while Don Coons was the best Parrish man on the floor.

## Frosh in Run For Class Cup At Dallas High

DALLAS, Jan. 4.—After trailing the entire game the Dallas freshmen came to life and beat the juniors 24 to 21 in the third game of the interclass series. This victory put the freshmen back in the race for the interclass championship and practically eliminated the juniors.

Present standing in the series are: W. L. Pct. Seniors.....1 0 1.000 Sophomores.....1 0 1.000 Freshmen.....1 1 .500 Juniors.....0 2 .000

Only three games are left in the series. The sophomores play the seniors this week and the freshmen vs. seniors and sophomores vs. juniors games will come later.

Practice throwing slowly and continuously until you get the form, then later speed up as you would in a game. Practice to use both hands equally as one hand will often tend to get ahead and cause the ball to veer to one side.

## Hearing on Game Issues Set Tonight

At least four of the five members of the Oregon state game commission and a large attendance of members from the Game Protective associations in Polk, Yamhill and Marion counties are expected here tonight at a general public meeting to be held at the chamber of commerce rooms. The starting time is 7:30 p. m. Chris J. Kowitz, secretary of the Marion county association announced yesterday.

Marshall Dana, of Portland, chairman of the commission and Irving T. Vining, Ashland member and former president of the state chamber of commerce, are both slated to speak. The topic to be discussed will be plans of the commission for 1932 and the wishes of the three county associations as indicated at the meeting tonight.

## Cougars Defeat Montana Quint By Large Score

MISSOULA, Mont., Jan. 5.—(AP)—Washington State's cage ace rolled up a 52-20 count on Montana tonight in the first contest of a two-game series here. The cougars passed through the Grizzlies defense for many easy baskets. They led 30 to 9 at half time.

The crowd applauded the invaders for their skillful ball handling. Montana took many long shots, but few of them connected.

## CHEERIONS WIN BY BIG MARGIN

Woodburn is Beaten 52-17 With Revamped Lineup; Salem "B" Winner

Showing improved offensive teamwork despite the absence of Johnny Bone, the only veteran forward on the squad, the Salem high school basketball team rolled up a 52 to 17 victory against the Woodburn high Bulldogs in the Salem high gymnasium Tuesday night.

Because Bone was in no condition to play following the extraction of some teeth, Coach Hollis Huntington shifted Sanford to forward from the guard position he has held down steadily for two years. Sanford filled his new assignment in great shape and teamed well with Kelly and Burrell. The three of them divided scoring honors in the game, Kelly getting 15 points, Sanford and Burrell 14 each. Johnson shot a lot of baskets after going in for the final period.

The cheerions started at a terrific pace rolling up a 23 to 3 margin in the first period. They failed to keep it up but allowed Woodburn only one field goal again in the third quarter while they, strangely enough, scored just ten points in each of the last three periods.

The Salem high "B" team also outclassed its rival crew of reserves from Woodburn, winning 23 to 6.

**WOODBURN**

## STRIKES and SPARES

A bowling match between Salem and Albany teams Sunday was won by the Salem quintet after the first game had been lost by only one pin. George Allen and his McKay Chevrolet pin topplers who were representing Salem, then settled down and won the last two by a wide margin.

## Big Four Has Good Year so Levy is Low

BETHEL, Jan. 5.—The annual meeting of the "Big Four" Telephone company was held at the Bethel hotel Saturday night. A. L. Schulz, president, and W. L. Creech is secretary-treasurer. Line 19, of which A. E. La Branche is director, is in good condition and will not need to make an assessment for the year. Lineas W. R. Baker's report was accepted.

In view of the good financial condition of the company it was only necessary to levy an assessment of \$2.00 per phone for the ensuing year. There is \$150 on hand.

The wage scale for line work is 75 cents per hour, and the same amount plus five cent mileage for shooting trouble and 35 cents per hour for the laborers. The company was notified that it will be exempt from making an income tax report in the future. Election of directors resulted as follows: Line 19—A. E. La Branche; Line 66—A. L. Schulz; Line 67—O. L. Brubaker; Line 68—Roy Marshand; Line 109—W. L. Creech. The directors will elect officers Saturday, January 8.

## Arthur Tosses Jackson to Win Armory Mat Struggle; Brentano Beats O'Reilly

If "Bulldog" Jackson took wrestling matches from Wildcat Pete and Yaki Joe, he certainly must have done so with more than he showed at the armory Tuesday night when he lost two out of three falls to Ernie Arthur of Trall, B. C.

The only thing that Jackson used which could consistently budge the sturdy Canuck was a kick to the midriff. Jackson took the middle fall of the bout with a head scissors and arm bar, for which he jumped high in the air. He gained his fall in 10 1/2 minutes.

Arthur took the first fall with a series of shoulder butts and a body press in 12 minutes and took the final one with exactly the same tactics in eight and a half minutes. Jackson used his doubled fist freely in the bout, always looking to see where Referee Matheny was and hitting on the opposite side. Twice outside of the ring he

tried to wage the battle, but both times Arthur piled him on the floor and then with common sense which averted riots, scampered back into the ring.

In the preliminary event Jack Brentano handled Art O'Reilly of Eugene much to the liking of the crowd when he tossed the "Eugene terror" to the floor with a body slam over the ropes. This came after 21 minutes of wrestling. O'Reilly was able to stick with Brentano the remainder of the 45.

Brentano was clean on the ropes, passing up many opportunities to befool O'Reilly in his frequent holidays from the ring. The match was wild and fast with plenty of good wrestling. Both participants did some biting during the bout. Kim Albertson, Salem's new boxer who will appear on a fight card here next week, was introduced at the ringside and is a nice appearing lad.

## CURT COMMENTS

Coach Spec Keene is now having his Willamette basketball men shoot 20 free throws a night and record the number made and missed. The first two day's results were not complete, but indicate that over half of the tosses are missed. In games played this season the percentage has been even higher for bogie shots.

The importance of the free throws was demonstrated in the games with DeNette's Shooting 20 a day and marking down the results on a chart hung up in the dressing room, will be more valuable than shooting twice that number and not keeping count. Twenty a day is a small amount. "Fog" Allen, basketball coach at the University of Kansas, requires that all his players shoot 50 every day.

Neither Ashland nor Medford is taking Grants Pass too seriously, perhaps due to the fact that the Cavemen never have given too much trouble. Either Ashland or Medford will probably be here, and unless a one-man team can win out, it will probably be Medford.

## Mis-Addressed Christmas Mail Being Handled

Although the Christmas mailing rush is nearly two weeks past, postal clerks still are working away at the large quantity of parcels and letters which could not be delivered on account of improper addresses. The "nixies", as these pieces of mail are called, are being checked with directories and sent to their destination or to the sender. If these addresses can be learned, or otherwise are sent to the dead letter office.

## DALLAS BEATS OREGON QUINT

City Hoopers Check Closely and win 26 to 23 Over Pioneer Cagemen

DALLAS, Dec. 5.—(Special)—Dallas basketball fans got a real thrill tonight when the Dallas city quintet defeated the University of Oregon varsity hoopers 26 to 23 in a hard fought game featured principally by the close checking of Dallas' guards.

Calkins, veteran Oregon forward, was held scoreless and none of his mates managed to do any shooting worth writing home about with the exception of Roberts, center, who caged the ball for 12 points. Dallas took a 9 to 7 lead at the end of the first quarter and the collegians came back to lead 16 to 12 at half time. With but a minute left of the game, it was tied up at 23-all and then the home boys scored three points to come out ahead.

Summary:  
Dallas 26 U. of O. 23  
Voth 7.....F.....3 Robertson  
Vaughn 5.....F..... Calkins  
Webb 2.....C.....12 Roberts  
Ugiam 2.....G..... Stahl  
Griffin 2.....G..... Levoff  
McBee 6.....S.....4 Rubenstein  
Dorsey 2.....S.....  
Referee, Shreeve.

## DALLAS HIGH WINS OVER TIGARD QUINT

DALLAS, Jan. 5.—Dallas high finished her barnstorming tour with a 19 to 16 win over Tigard in the roughest game of the season. Despite the fact that the game was rough there were only five personal fouls called and all of these were on Tigard.

Tigard was ahead at half time 12 to 7 and led up until the last few minutes of the game. Lewis scored for Dallas to bring the score to 16 to 15 for Tigard and then Bill Cadie scored two baskets in short order to clinch the game.

The next game for Dallas will be against Molalla there Friday. Other games coming up in the next two weeks are Forest Grove, here, January 9; Corvallis, there, Jan. 12; and the first county league game against Mouthmouth here on January 15.

Summary:  
Dallas 19 Tigard 16  
LeForst, 3.....F.....2 J. Smith  
Minnich, 3.....F.....10, Ariss

## "Hitch Your Wagon to a Star"

By HARDIN BURNLEY

THE reappearance of Stanley Poreda, youthful Jersey City heavyweight, on recent bills at Madison Square Garden has started the boys along Casulflower Young jabbering anew about this youngster's chances to win that million dollar bauble—the heavy-weight championship.

Probably the greatest asset in Poreda's short boxing career is his connection with Joe Jeannette, one-time colored heavyweight star. Jeannette, whose battles with Langford and Johnson and other heavyweights of that day make boxing history, has been tutoring Poreda since the young man took serious interest in the game. In action Poreda closely resembles Jeannette as he appeared in his heyday. Stanley is cool under fire, careful not to waste energy in careless firing of punches and quick to see and take advantage of openings for a right-

hand shot to the chin. He can punch hard with that right hand, as will be attested by his knockout victories over Walter Cobb, Pat McCarthy, George Hoffman and Emmett Kocco, to name a few of the better known victims. In his last two appearances at the Garden Poreda has scored knockout victories. He stopped Ralph Piccolo, Brooklyn heavy, and Hans Schonrath, a German importation. Stanley looked good in both affairs and clearly showed the benefits of being tutored by a master of ring technique. It is a happy combination, this of the budding star and the star whose flinty glamor the years will never dim. And who is to say that it may not ultimately result in Stanley Poreda being crowned heavyweight champion of the world? Yeah, who?

## Registration of Voters Picks up As Primary Eyed

Registration for the primary election which will be held Friday, May 20, this year, is showing some increase from week to week. County Clerk Boyer reported yesterday. While the voting date is more than four months away many citizens are making sure they will not forfeit their ballot through failure to register as required by law.

The statute makes it mandatory for voters to register by April 19, 1932. Swearing in at the polls is not allowed. If a voter changes his residence after he has registered and before he votes, he may receive a certificate of changed residence which will permit him to cast a ballot.

## Annual Report Of Boy Scouts Made by West

As the new year began, Cascade area, Boy Scouts of America, had 592 active scouts, in 29 troops, according to the annual report of Executive O. P. West. These figures do not include the six troops and approximately 100 scouts in Linn county, which is being absorbed into the Cascade, or Marion-Polk counties area. Volunteer scout leaders in the area number 275.

The executive's financial report shows that the area ended the year with a balance of \$22,113 in the bank, after expending \$40,273.35. Audit of the books was completed on Monday by E. E. Needham and C. W. Pauline who were appointed for the job by the council.
