LOCAL WEDDING OF INTEREST IN LYONS

LYONS, Jan. 13.—A wedding of interest to Lyons folk was solemnized in Salem Saturday when Miss Ella Jane Johnston of that city was united in marriage to Francis N. Berry of Mill City. The ceremony took place at the home of the bride in presence of immediate relatives and a few near friends. Arthur C. Bates, pastor of the Mill City Christian church, officiated with the ring service, after which a lovely dinner was served to the following guests: Mr. and Mrs. Lee Berry, Miss

Anna Luthy, Mr. and Mrs. G. F. Johnston, Mrs. Bertha Woodworth of Salem, Mr. and Mrs. J. H. Johnston of Lyons, Mrs. Clara Berry and daughter Miss Dora of Lebanon, and the bride and groom. The couple will live at 714 South 19th street, Salem.

Here's Why Popcorn Pops
WASHINGTON (AP)—Moisture stored in the kernels of pop corn is converted into steam when the corn is heated and it is the pressure of this steam which causes popcorn to pop.

During Nearly Every Depression

there are questions of great concern to all people . . and so it is with the present depression, we read in some paper the other day that 1931 was the End of the present depression, But they failed to say which end.

We have talked with a lot of people until now we are familiar with all the big questions confronting the people today.

And as we always like to be Frank with Our customers Especially so when we know about the Big questions of the Day, we would be glad to go into detail about the questions and would do so too only that we are familiar with the questions Only, and don't know the answer to a darn one of em. But the question of where to buy foods should not be hard for anyone to answer.
