SILVERTON, Jan. 14.—Coming up at the next quarterly meeting of the Immanuel Lutheran church at Silverton will be the question of making it an all English service at the 11 o'clock Sunday morning service, according to the decision taken at the annual meeting of the church body held all day Wednesday. Dinner was served at noon by women of the church with Mrs. John Fuhr, Mrs. Ellingson, Mrs. Kolson and Mrs. L. Oppedahl as hostesses.

At the opening of the meeting 16 new members were admitted to the church. These included Mr. and Mrs. George Anderson and family, Mr. and Mrs. Oliver Beckon and children; Mrs. Matilda Roseland, Mr. and Mrs. Lawrence Rabein, and Mrs. Roy Larson.

The board of trustees, through Hans Severson, reported 10 meetings during the year and presented a tentative budget for the coming year.

Oscar Johnson, treasurer, reported that the church had gone over the top in the local budget with a balance on hand. He also said that he had found that less than one percent of the paying members had failed to meet their financial obligations during the year. The cemetery board reported a balance of \$84.32 in the working fund. The Sunday school also reported a small balance on hand.

The election of officers resulted in John Fuhr and R. E. Solum as the new three-year trustees. A vacancy in the board of deacons, caused by the death of M. S. Lien, was filled by the election of Carl Thorkildson. George Bolme was elected to serve three years on this board.

"I was afraid Grandfather would be Shocked.."

"HE'S rather a bossy old darling, and I didn't know how he'd like the idea of my smoking. The first time I lit a Chesterfield in front of him, he sniffed like an old war-horse... and I braced myself for trouble. But all he said was, 'That's good tobacco, Chickabiddy.'"

"But I still think that if he hadn't been so impressed by the quality of Chesterfield, the old dear might have been less agreeable. Human nature is like that!"

"Grandfather raised tobacco in his younger days, so he knows what's what. I don't, of course—but I do know that Chesterfields are milder. It's wonderful to be able to smoke whenever you want, with no fear you'll smoke too many."

"And it doesn't take a tobacco expert to

prove that Chesterfield tobaccos are better. They taste better... that's proof enough. Never too sweet. No matter when I smoke them... or how many I smoke... they always taste exactly right."

"They must be absolutely pure... even to the paper which doesn't taste at all. In fact... as the ads say... 'They Satisfy!'"
