pate me, or any one who travels all the time. I used to suffer a great deal from constipation, until some one told me about Kellogg's ALL-BRAN. Since I have been eating this cereal, I have been cured of constipation. I heartily endorse it to any one suffering as I did." --Mr. B. F. Pollard, Marion, N. C.

Constipation is caused by lack of two things in the diet: "Bulk" to exercise the intestines. Vitamin B to tone the intestinal tract. Laboratory tests show ALL-BRAN provides both. At the same time, it supplies iron for the blood.

The "bulk" in ALL-BRAN is similar to that of lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective

ALL-BRAN is not habit-forming. How much better than risking pills and drugs — so often harmful. Two tablespoonfuls daily will over-come most types of constipation — types of constipation come most types of construction in serious cases, with every meal. If
