

# BEARCATS PLAY CLUB SQUINTET

### Strong Squad Coming Here Tonight; Dallas Team Beats Willamette

Tonight at 7:30 the Willamette university basketball team will meet the Multnomah club basketball team at the Willamette gym in the last game before the conference race starts.

Coach "Spec" Keene's men could not quite overtake the smooth Dallas team last night and dropped a close contest there.

The Multnomah club has been going strong this season, having beaten University of Oregon and the DeNette's team. The Clubmen have taken a barnstorming tour this season and have a veteran outfit led by the speedy Keenan and King Bailey.

Others of prominence in the Portland lineup are Buck Grayson, Andrews, Edwards and Smith.

DALLAS, Jan. 20.—(Special)—The Dallas town team, led in scoring by Barham, a substitute, defeated the Willamette university Bearcats 27 to 24, here tonight in an exciting hoop contest.

Coach "Spec" Keene used a full string of reserves and they appeared to play about as well as the regulars. Dallas fought its way to a 15-to-12 lead by half time and with Uglow, McBee and Barham doing excellent floor work and shooting, managed to pull through with a win.

Percy Carpenter was high scorer for the Bearcats with six points. Willamette made 11 fouls and Dallas eight.

Lineups: Dallas: Doth, F., 3 Scales, McBee, 7, C., 4 Benjamin, Webb, 2, G., Klostra, Griffin, 2, C., Allen, Uglow, 7, C., 6, C., Barham, 9, S., 2 Griffith, S., 2 Faber, S., 5 Rieke, S., 2 Hartley

Referee, Shreeve.

# SCHMELING LIKELY TO LOSE HIS TITLE

CHICAGO, Jan. 20.—(AP)—Max Schmeling, world's heavyweight champion, faces the possibility of losing the title without throwing a glove.

This was indicated tonight as a result of a poll made by the Associated Press of members of the national boxing association, who will vote on a proposal to vacate Schmeling's championship because of his failure to defend it or to sign to defend it within six months of the time prescribed by the N. B. A.

General John V. Clinin, president of the N. B. A., dispatched ballots to the membership and expects them to oust the German title-holder.

The action made by the membership of the N. B. A., "General Clinin said tonight, "and I expect them to be followed out to the letter. That at least has been the procedure before when the membership has been asked to vote on questions of vacating a champion's title."

# INDIAN GRAPPLERS BEAT SALEM HIGH

CHEMAWA, Jan. 20.—(Special)—The Chemawa wrestling team won six of nine bouts from Salem high in a meet here today and got a tie out of one more.

Pettibone, Chemawa, took a fall and decision from Tennant; L. Pethian, Chemawa, two falls from Anderson; Ganjon, Chemawa, and Osland, a draw; Pettier, Chemawa, two falls from Morehouse, who also got a fall; Dempsey of Chemawa, fall and decision from Terrysack, who took one fall; L. Courtney, Chemawa, two falls from Duncan; Don Sugal, Salem, decision from G. Colgrove; Art Sugal, Salem, two falls from Franklin; D. Colegrave, Chemawa, fall and decision from Fisher.

Dumont of Chemawa won exhibition matches from Fisher and Kata in a clowned demonstration.

# Sophs Winners Of Interclass Games, Dallas

DALLAS, Jan. 30.—The Dallas sophomores defeated the Juniors here Tuesday to win the 1932 interclass basketball championship.

Final standings in basketball were: sophomores, 1,000; freshmen, .667; seniors, .333; and Juniors, .000.

Winning the basketball championship gives the sophomores 10 points toward the interclass trophy awarded at the end of the year. At present they have an 11 point lead over the senior class.

Standings for the trophy on a basis of points earned are: sophomores, 25; seniors, 19; freshmen, 14; and Juniors, 8.

Foul shooting is next on the list of interclass sports with tennis, track, and playground ball following.

SPLIT GAMES HUBBARD, Jan. 20.—The high school basketball team, in a game with Scotts Mills here, lost 29 to 3. The Hubbard grade team played the Molalla grade team and won by a score of 8 to 7. Red Higgenbotham refereed both games. Walter Dillon, former eighth grade teacher of Hubbard, coached the Molalla team.

# Salem and Multnomah Wrestlers Will Clash On Y. M. Mat Tonight

## CURT COMMENTS

"Ducdame! Ducdame!" No. "The two boys scuffling from a married philanthropist urging the girl friend to 'beat it' because the wife is coming. It's the word quarterbacks will use next fall to call the boys into a huddle."

Or at any rate we have the assurance of Shakespeare that this word, which is also the name of a new literary magazine at the University of Oregon, is "a Greek invocation to call players into a circle."

Baseball is still the great American sport, despite the inroads of football and golf, according to the tabulated results of a country-wide poll of sport writers and editors. It's notable that nobody made the slightest mention of wrestling, even for third place.

The list in order of voting is: Baseball, football, golf, boxing, basketball, horse-racing, fishing and hunting, track and field, ice hockey, tennis, baseball got first place 38 times, football 27, golf 16, boxing two, basketball, horse-racing and fishing and hunting one each.

From the local angle on national sports, we would agree closely to this ranking, even to the elimination of wrestling altogether; but on local sports football and even basketball rank ahead of baseball and wrestling is entitled to a place somewhere near the top, but below golf.

With colifers, golf comes first, and of course each individual sees the entire field differently, but that's about the way it totals up.

The Dallas sport fans are mighty proud of their town basketball team and rightly so. It has won seven of 11 games, defeating University of Oregon and Willamette university. They resented intimations in a story The Statesman carried Wednesday morning to the effect that Dallas was rough.

A Dallas fan informs us that in the 11 games played the Dallas team has committed 94 fouls while all opponents together have committed 91, which indicates that the Polk county boys aren't too rough.

Salem high will not play here again this week, but save your nickels for the two Astoria games which will be here next week.

# RURAL SCHOOL PUTS UP GOOD CONTESTS

LIBERTY, Jan. 20.—People who have failed to attend the last four basketball games at Liberty Community hall have missed a thrill. Each game has been won by either one point or one basket.

Friday night Liberty plays Woodburn at Liberty and Saturday night Dallas at Dallas.

PORTLAND, Jan. 20.—(AP)—Robin Reed of Reedsport, Ore., claimant of the world's welterweight wrestling championship, defeated Cuyler Wood, Seattle, in a straight falls here tonight.

Reed used a whip wristlock to gain the first fall in 17 minutes. Less than three minutes after the rest period Woods again fell victim to the same hold.

# Reed is Winner Over Woods in Straight Falls

Reed weighed 145, Woods, 144.

# Fighter Dies in Ring From Blow

BELLINGHAM, Wash., Jan. 20.—(AP)—George Bell, 20, Bellingham boxer, died tonight during one of the curtain raisers of the American Legion smoker.

Richard Howard, 16, was placed under technical arrest. Bell fell from the mat after being hit by Howard and was dead when taken from the ring.

# Whitman Beats Pirates Again

WALLA WALLA, Wash., Jan. 20.—(AP)—In a smoothly played basketball game here tonight, Whitman College defeated Albany college of Oregon, 57 to 33. Score at the half was 34 to 18 for Whitman. The Washington school won last night's game 51 to 22.

# PARRISH WINS CLOSE BATTLE Oregon City Leads by two Points Near end, Rally Nets 20-16 Victory

Little Phil Salstrom led Parrish junior high to a brilliant last minute rally which overcame the Oregon City team and brought a 20 to 16 victory for Parrish here Wednesday night.

Coach Duncan's men overcame the 7 to 3 lead which Parrish held at half-time and held the lead 13 to 11 at the close of the third quarter.

This became 15 to 13 as the time dwindled and with only two minutes left to play the crowd became frantic. White brought Parrish up to 14 points with a foul conversion.

Then Phil Salstrom drew a foul and the chance to endear himself to the Parrish fans. However he missed the try, only to retrieve himself in less than half a minute when he broke through to score a field goal which put Parrish in the lead and added another point with a free throw.

DeJardin was soon fouled and also made good his try. Salstrom was determined to do a good job of his evening's work so he dropped in another field goal from the foul line to boost his scoring for the evening to 11.

"Giant" Bowles, a 102 pound forward, was captain and outstanding player for Oregon City. Parrish will play Gervais here Friday night and next week will play for Medford junior high and may be able to bring the shland juniors with in the south.

The Parrish Trojans won from the Oregon City Midgets 18 to 13 in a preliminary contest.

Lineups: Parrish: Salstrom, 11, F., 5, Bowles, 10, C., 5, Taylor, Wertz, 1, C., 3, Nicholas, DeJardin, 2, G., 2, Erickson, Coons, 4, G., 1, Hurd, Steinke, 1, S., 1, White, 1, S., 1, Referee, Ellis.

# WORK PROMOTION PLEDGES GAINING

(Continued from page 1) owners find more work they wish done as the pledged jobs are undertaken.

Jobs already are being created by the promotion plan is attested to by the fact that the U. S. Y. M. C. A. Employment bureau this week has had a number of calls for help from persons solicited since last Thursday.

25 men have registered for both skilled and unskilled labor which they hope to obtain from the pledged persons. As the pledges are confidential, persons making them will hire their own workers unless they ask for this assistance.

Women participating in the campaign yesterday entered the \$10,000 class as \$5273 in pledges obtained by them was reported. The team captains will meet at the chamber of commerce this afternoon at 5 o'clock.

# BANKRUPTCY LAWS AMENDMENT ASKED

(Continued from page 1) eration, through suggestion to their employees, of aiding other merchants of the city collect bills owed by their employees.

Decision was reached to keep the local credit reporting bureau open until 8:30 o'clock Saturday night.

Watson Townsend, chairman of the police committee of the local council, explained his vagrancy ordinance, introduced last Monday, and the association went on record as approving it. The ordinance is designed to curb writing of checks not backed by sufficient funds.

Otto Paulus, member of the association, was the main speaker, talking on "Where are We Going," in which he touched upon progress in field of the sciences. Gwendolyn Melke of Stayton sang several numbers, accompanied by her sister Juanita Haid.

# Order to Delve Into Tariffs is Soon Rescinded

WASHINGTON, Jan. 20.—(AP)—Senate democrats and republican independents renewed an old tariff alliance today to defeat a move they feared would lead to higher duties.

By a 43 to 32 vote, they recalled an order adopted yesterday directing the tariff commission to inquire into the results on American trade of lower production costs in foreign countries under their debased currency standards.

# Britain Agrees Lausanne Meet Can't be Begun

LONDON, Jan. 20.—(AP)—The British government, bowing to the inevitable, announced tonight in a foreign office statement that "evident" the Lausanne reparations conference could not begin next Monday, as originally planned.

The announcement raised doubts among responsible commentators about whether the conference would be held at all, and on this point the official statement was extremely guarded.

# Weapons' Source In Prison Break Believed Solved

WINDSOR, Ont., Jan. 20.—(AP)—The source of the weapons with which seven inmates of the federal penitentiary at Leavenworth, Kans., forced their way to temporary liberty last December 11 was believed by United States investigators to have been discovered today with the arrest in Windsor of Harold Fontaine, former inmate of the prison.

United States officers said they believed the weapons reached the convicts in a large can of shoe polish which was shipped into the prison shoe factory where Fontaine had worked.

# JUDD CASE STARTS IN EARNEST TODAY

COURTHOUSE, Phoenix, Ariz., Jan. 20.—(AP)—Slender Winnie Ruth Judd, confessed slayer, will begin in earnest tomorrow to battle for her life, with a phantom co-defendant awaiting possible materialization when the horde of witnesses parade to the witness stand.

A jury panel of 29 and an alternate panel of four was seated before Judge Howard C. Speakman's superior court adjourned today. Opposing counsel were in the annual song and yell contest, by which the names to be struck by preemptory challenge are prepared to produce the trial jury of 12 men immediately after court convenes tomorrow.

One alternate will be seated. The defense may exercise 10 preemptory challenges and the state seven.

# CELL DOORS HELD NOT BEST DESIGN

(Continued from page 1) expect, and not the design which should have been ordered, since the board of control did enter into the contract and the contractors have at great loss to themselves, installed the equipment, there is nothing else for the state to do but to pay the contractors and get along with the equipment as well as possible.

The party made the inspection of the cell fronts Wednesday morning. There are two stacks of cells, each stack consisting of four tiers, one on top of the other. Each tier has twenty cells. Coming to the first tier the convict in charge was requested to lock the doors. He threw the control lever which is located at the end of the row. The writer went along the row of 20 and pulled open 9 doors. Unless the door is pulled securely against its frame the locking bar will not grip and the door is unlocked. To make sure that the cell doors are all locked, the guard after throwing the lever will need to go along the row and test each cell door.

Exit Easy When Doors in "Neutral" When the doors are in "working position," or as is sometimes called, "neutral," in which the doors are supposed to be firmly locked, it is a very simple matter to get out of the cells. Two convicts in a cell extricated themselves in split seconds by simply using a short piece of steel to pry up the bar from the bottom. The locking bar which runs vertically along the edge of the door may be pushed back by a pocket knife.

One on the inside of the cell, if he has a key, may reach around and unlock the cell door and walk out. Sec. Hoss did this.

"However when the 'deadlock' is on, which is the case at night, one could not get out except by cutting the bars or 'jimmying' them."

While C. T. Ellison, engineer was of the opinion that there were many soft steel bars in the fronts, instead of all tool-proof as the specifications call for, prison authorities do not regard tool-proof steel as necessary for doors and windows not opening on the wide world.

Release From Cell Not Highly Perilous If a person should get out of the cell, he is still in the cell block. If he gets out of the cell block he is still inside the walls. Under the sliding door system which was rejected by the majority of the board of control the doors do not swing on hinges, but slide on a track. Signals in the control box indicate if any door is unlocked. Locking and unlocking of individual cells may be accomplished at the control box under the system now installed. The guard must use a key at the individual cell. Testing the individual cells would not be necessary under the sliding door mechanism.

King Bros. who did the work, lost money on the job. Their bid was \$19,885, and in a letter to the board they said it had cost them \$26,544. The bid for the sliding door installation was around \$25,000.

Doors Usable, No Trouble Expected All in all, while the type of door is a disappointment, the

Too Late to Classify

# THREE KILLED IN AUTO CRASH

Mrs. Henry Siegmund, Mrs. Frank Fery and Chris Giebler Victims

(Continued from page 1) could reach her. All three were terribly mangled. The car was so badly smashed up that careful scrutiny was necessary to determine if it was a touring car.

Henry Siegmund was brought to the Salem General hospital in a Golden ambulance and Fery was taken to Stayton in the car of John Miller of that city, one of the first persons to arrive on the scene after the tragedy. W. A. Scofield of Turner route 1 and Charles Phillips of Stayton were in a car directly behind the Giebler machine and were eye witnesses to the crash.

The witnesses told state police officers that, while their sedan was 100 yards behind the Edwards truck, the Giebler car passed them and proceeded down the left side of the road instead of turning out of the path of the oncoming Hedges truck.

Investigation by Sergeant Powell Clayton of the state police and Officer Ernest Larjos brought out statements from witnesses that all of the cars involved were proceeding at about 30 miles an hour prior to the ill-fated macthing attempt to pass the Edwards truck. Lights on the Hedges truck were burning at the time of the crash, they ascertained.

Inquest Unlikely Officials Indicate The accident was also investigated by Coroner Lloyd Rigdon and by Lyle Page, deputy district attorney, as well as others of the state police in addition to Clayton. It was indicated that no inquest would be necessary.

The entire Stayton community was greatly shocked at the tragedy. All of the persons involved are well known and have lived there for many years. Mr. and Mrs. Henry Siegmund have four children and the Ferys a like number. Giebler was a bachelor.

Funeral arrangements have not been completed.

# PLANS FOR SOLDIER HOME SHOW SCOPE

ROSEBURG, Ore., Jan. 20.—(AP)—Plans received here today showing the general layout for the national soldiers home to be constructed in Roseburg by the government, confirm hitherto unconfirmed reports that the institution eventually will be a far greater project than was expected even by those most closely connected with Roseburg's successful efforts to obtain the site.

The \$3,000,000 originally appropriated for this project will be sufficient to build only a small part of the institution shown on maps submitted to public utilities here by the Veterans Bureau, which has forwarded the plan of the ground design in order to obtain information concerning power, telephone and gas line connections.

The plan shows 30 buildings to be situated on the 410-acre tract being donated by Roseburg. It located a mile northwest of the city limits.

# Supplies Taken By Airplane to Marooned Mine

EUGENE, Ore., Jan. 20.—(AP)—Airplane pilots succeeded today in getting food supplies to five men and a woman marooned by snow in a mining camp on Grouse mountain. Previous attempts had failed because of snow and fog.

Several sacks of supplies were dropped at a group of buildings near the Evening Star mine. The marooned party was not in sight at the time but they were notified by forest service telephones the food had been delivered.

Release From Cell Not Highly Perilous If a person should get out of the cell, he is still in the cell block. If he gets out of the cell block he is still inside the walls. Under the sliding door system which was rejected by the majority of the board of control the doors do not swing on hinges, but slide on a track. Signals in the control box indicate if any door is unlocked. Locking and unlocking of individual cells may be accomplished at the control box under the system now installed. The guard must use a key at the individual cell. Testing the individual cells would not be necessary under the sliding door mechanism.

King Bros. who did the work, lost money on the job. Their bid was \$19,885, and in a letter to the board they said it had cost them \$26,544. The bid for the sliding door installation was around \$25,000.
