

### SEAT OFFICERS BEFORE PUBLIC

Mrs. Teason Conducts Ceremony for Silverton Circle, N. of C.

SILVERTON, Jan. 27.—Mrs. Velma Teason of the Salem Silver Bell Circle was the installing officer for the public installation of officers of the Neighborhood of Woodcraft, Marion Circle No. 314. Mrs. Teason was supported by Grace Palmer, Wynola Ottaway and Olive Ottaway. Mrs. Anna G. Maddall of Portland was grand banker and Mrs. Edith Parks of Newberg grand advisor.

Officers installed were Minnie Bennett, G. N.; Lulu Seely, P. G. N.; Tessie Scott, advisor; Mae Higginbotham, magician; Vera Ottaway, clerk; Maude Hillman, attendant; Charles Pennell, manager; Thelma and Millie Warner, managers; May Green, flag bearer; Bessie Pennell, banker; Wynola Ottaway, correspondent; Wynola Ottaway, musician; Beryl Ottaway, captain of the guards; Minnie Mulkey, inner sentinel; Arabella Phelps, outer sentinel; Olive Orroyay, senior guardian.

Mrs. Maddall, grand banker, gave the address of the evening. A reading was given by Fred Baker and a comedy skit by Gus Herr and Frank Powell. Musical numbers included a piano solo by Barbara Jean Palmer; vocal solo by Leona Krenz, violin solos by Beryl Ottaway with Mrs. Fern Davenport at the piano and a piano and banjo duet by Maurice Winter and Leonard Pennell.

**Scouts Meet**  
W. L. Hayward, associate regional executive of Boy Scouts of America, was present at the local troops weekly meeting and gave a short talk to the boys on general scout movement. He also complimented the locals on their 100 per cent attendance. O. P. West, scout executive of the Cascade area, also addressed the boys.

**Call For Donations**  
The local welfare store has a call out for canned fruit and for vegetables. Announcements to this effect have been made to the various church organizations at Silverton. Shoes both for adults and children are also greatly needed according to the two chairmen, Mrs. I. L. Stewart and Mrs. Ed Holden. The Silverton store is open on Saturdays.

### CEMETERY BOOKS REPORTED CORRECT

WOODBURN, Jan. 27.—E. J. Starnad was chosen sexton for the Belle Pass cemetery Monday night at a meeting of the board of directors held at Landon's furniture store. C. J. Whitman was reelected president of the association, as was George A. Landon reelected secretary-treasurer.

Before the meeting of the board of directors, members of the association met in the city hall. This meeting was one continued from two weeks ago. At that time it was decided that the financial accounts of the association be audited, and an auditing committee consisting of Frank Settemeier, Charles Zulsdorf and Mr. Hall was named. Last night the auditing committee re-whatsoever wrong with the books and that they were all correct according to the report.

A motion was made and passed recommending that the cemetery association pay at least part, or possibly all of the bill for repairing the old veterans' statue in the cemetery. It is possible that the Women's Relief Corps and the American Legion will help pay the bill of \$29.62. The statue was erected a number of years ago by the local Relief Corps.

Nothing was done about enlarging the number of members of the board of directors of the association, as was advocated at the meeting two weeks ago.

### Supporters of Old Principal Hold No Hope for Election

HUBBARD, Jan. 27.—Frances Hatch, third and fourth grade teacher has resigned her post in the local schools, and it is probable other teachers will be re-elected.

At the board meeting last night, no selection of successor to Principal Ward was made, as the board wishes more time to consider the applications now on hand.

Despite a wide expression from the taxpayers for election of J. R. Bidgood, principal here for several years until the present year, it is generally conceded here that he does not have a ghost of a chance for the post. Two members of the board refuse to consider his application.

### Community Singing Event Gets Crowd; Snowfall is Heavy

FRUITLAND, Jan. 27.—The community singing at the schoolhouse last night was well attended and enjoyed by all. Another meeting is called for Feb. 9 at 7:30 to which everyone is invited.

Unusually large snow flakes fell last night covering the ground to a depth of one inch, much to the delight of the school children. At 8 a. m. today snow began falling rapidly, the largest snow so far this winter.

### Victor Point P-T Group Will Meet Friday, Jan. 29

VICTOR POINT, Jan. 27.—Mr. and Mrs. George Scott of Union Hill returned Sunday from West-

### JUDGE SANTA

Though only 26 years old and a bachelor, Judge Antonio Del Rosal, of the Juarez, Mexico, Civil Court, has earned the reputation of being the "easiest divorce judge." Judge Rosal's generosity in the matter of handing out decrees has turned Juarez and the neighboring El Paso into divorce colonies that make Reno look like a rummage sale. The Mexican province of Chihuahua has enacted a divorce law which makes it possible to sever the marital knot in 24 hours in complete secrecy.

fir where they visited their son-in-law and daughter, Mr. and Mrs. Wallace Neal. They brought with them their grandson Kenneth who will visit here for some time. Friends of Mr. and Mrs. Henry Peters, Union Hill are offering congratulations on the birth of a son, Monday morning.

The Victor Point Parent-Teachers association will hold its January meeting Friday night Jan. 29. Following the business session J. O. Darby's side of the membership drive is to furnish the main part of the program.

### GEHLHAR RELEASES INITIAL BULLETIN

Department of Agriculture Activities Outlined in His First Report

The state department of agriculture, Max Gehlhhar director, has issued Bulletin No. 1 giving a review of the activities of various divisions of the department. It is a 20 page booklet, a write-up being devoted to each of the operating divisions. Operating savings are claimed by the director who is in general charge of the expenditures.

Regarding the state fair the bulletin reports: "Hard times did not affect the last state fair seriously. Outstanding obligations on, January 1 are approximately 10,000 less than a year ago. The success of the rodeo and other new features helped to make this possible. "The fair was taken over by the Department of Agriculture last July under a serious financial handicap: \$143,500 bond issue; \$8,078.31 current obligation due; premium list exceeded appropriations by \$11,495.88.

"Last February the legislature appropriated \$16,408 to apply on the deficit then existing. The deficit last July and the overdraft on the premium list together totaling \$19,574.19, and also the interest on the bonded debt, have been paid in full, as also several thousand dollars' worth of new construction and painting.

"The state fair budget calls for getting completely out of the red in 1932, and paying \$5,500 on the bond issue. The most rigid economy will be necessary to bring this about in a year of decreased revenues.

### "The horse show proved quite a financial setback. The total cost exceeds the receipts by \$6,727.02, without counting such general items as building insurance and maintenance, music, decorations, ushers, ticket sellers, etc., which are paid for out of regular outside gate receipts.

Mrs. Wilson Made Head of Exhibits  
"The act creating this department makes the director of agriculture the business manager of the state fair. It abolished the old fair board and the position of fair secretary.

"Mrs. Ella S. Wilson, who for several years has been secretary of the state fair, continues in the position of "director of exhibits," and will have full and complete charge of everything connected with exhibits and judging, and everything of that nature, while the business management of the fair will remain directly under the department as in the other divisions of the department.

"The fairgrounds office has been closed up, and all the office business will be conducted from

### ELECTION IS HELD BY HERMOSA CLUB

GERVAIS, Jan. 27.—The Hermosa club met Tuesday afternoon at the home of Mrs. A. DeJardin. Sewing and election of officers for the ensuing year occupied the time. Mrs. Robert Harper was elected president replacing Mrs. P. W. Seely and Mrs. G. J. Moisan, secretary-treasurer, replacing Mrs. M. D. Henning. Places were marked for Mrs. Sam H. Brown, Mrs. Robert Harper, Mrs. P. W. Seely, Mrs. G. J. Moisan, Mrs.

the department headquarters, and as far as possible by the regular department office force. Mrs. Wilson, director of exhibits, will assist in other office work of the department during the winter season when the fair does not require her full time.

### OPERATION REPORTED

STAYTON, Jan. 27.—Mrs. Ernest Dozier and Miss Rose Allis underwent operations for appendicitis Saturday at the Stayton hospital. Miss Mary Calvin also recently underwent an appendix operation. All are under the care of Dr. Brewer. Miss Allis has been employed for some time at the hospital and Miss Frankie Snoddy is taking her place until such time as she will again be able to work.

VISIT MRS. TRASK  
LYONS, Jan. 27.—Mr. and Mrs. Earl Allen and Mrs. Bert Lyons and youngsters drove to New Grand Ronde Sunday and spent the day with Mrs. Roxie Trask, a sister of Mrs. Lyons. Mrs. Trask moved to Grand Ronde last fall to accept a position there as telephone operator.
