

ESSAY CONTEST ON SAFETY ANNOUNCED

Highway Caution is Topic; Governor Meier Donor of Fund for Prize

Lieutenant Walter Lansing of the state police last week announced to high school students that his department will sponsor a safety essay contest with prize awards which will be larger than those of last year. The contest starts at once and will end on March 3. The awards will be made publicly, either at the high school auditorium, or at the state house, as was done in 1931.

Governor Julius L. Meier has donated \$25 in prize money, the lieutenant said, and other prizes are expected to be offered by other sources. Ten dollars prize money last year was distributed among eight winners.

The subject of the essays will be: "How We May Reduce Motor Vehicle Accidents on Streets and Highways". The papers will range from 300 to 500 words in length. All students in the English department will be required to participate, according to Miss Ada Ross, department head.

FIREMEN PUT OUT AUTOMOBILE BLAZE

Pedestrians who thronged downtown streets in unusually large numbers yesterday afternoon were supplied by the fire department with a brief diversion from shopping. About 5 o'clock a fire engine roared up North Liberty street and stopped in front of number 111, where smoke was pouring from a parked sedan.

Since the car doors were locked, the firemen were forced to smash in a window to apply extinguisher liquid to the smoldering upholstered front seat. A six-inch hole was burned in the cushion. Origin of the blaze could not be determined.

Mrs. Clara Wolf, 1096 South 21st street, is owner of the sedan, according to records of the state motor vehicle department. She was away from the car at the time of the fire.
