or. These officers will serve till March 1, when an all day meeting will be held at that time at Labish Center in Mrs. Hornsach's home to complete the organization.

Mrs. Helen Prescott, president county W. C. T. U. and Mrs. Buck will be present to conduct an institute. Mrs. Hornsach was elected vice president for Labish Center. Middle Grove not being represented. They are to select their own vice president.

## A Frank Statement:

The prices quoted below are made possible only by group buying, group advertising, and by the prompt payment of their customers' accounts to the various stores of the Purity group.

And do not forget that your cash will go as far, and most likely farther, for your food requirements at Purity Stores than at "whooper-up" price cutting stores. Why? you may ask! For the simple reason that individual advertising costs lots of money, which, added to the loss on advertised "loss

leaders" (items sold at a loss to attract trade into their stores) incurs an expense and loss that must be made up at the expense of the various other items throughout their stock.

It is therefore readily seen that, item for item throughout the entire food line, Purity Stores can and do save you money. Quality is a watch word at Purity Stores and is never sacrificed to make a price showing. You can buy with CONFIDENCE at your home owned Purity Store.
