

BENEFIT BANQUET MARCH 1 PLANNED

Will aid Foreign Students
At Willamette; Novel
Program Promised

A banquet, proceeds from which will be used for the benefit of residents at the international house of Willamette university whose financial aid is in an embarrassing condition because of strike in their homelands, will be given at the First Methodist church Tuesday night, March 1, at 6:45 o'clock.

Arrangements for the banquet itself are in the hands of O. L. Price, while students of the international club and their friends will provide what promises to be a program unique in this part of the country.

Featuring customs of their own people each nationality represented in the house, with the exception of English and Scotch, will present one portion of the entertainment.

Costumes of brilliant silks are now in the making for the staging of a Shinto wedding by the Japanese students and a number of Portland Japanese have announced their intention of attending the banquet because of their special interest in this colorful representation of a part of the life many of them have left.

Chinese students will bring another breath of the orient in their offerings of native music.

Russian boys in Cossack outfits will contribute a Russian feature of special music and dances of their people.

Native Americans Also in Program

Indian music by musicians garbed in the beaded and feathered finery of their race will be a feature of the evening's program.

The Filipino feature will include a native "La Jota" dance and a Spanish serenade scene carried out in Spanish style with appropriate music, background, and lighting effects.

Negro music and poetry will also be included in the program.

Dr. Carl G. Doney, president of Willamette university, will be toastmaster for the affair.

It is planned that the money taken in will be paid to members of the organization for work on the grounds and building of the club's home on South Winter street.

MOTT HITS BACK AT PRUDENTIAL CHIEFS

Petition to set aside a restraining order issue recently in circuit court here against James W. Mott, a corporation commissioner, by which he is restrained from removing Carl H. Johnston and C. A. Degrace as Prudential officers, was filed here in circuit court by Mott on Tuesday.

Johnston is president and Degrace vice-president of the Prudential group of savings and loan associations.

Mott charged in his original complaint that Johnston and Degrace had practiced extravagance in the conduct of the Savings and Loan associations with the result that the affairs of the associations were involved. Johnston and Degrace are now under indictment in Multnomah county.

The Prudential group of Savings and Loan associations recently were taken over by Mott, and are now being operated by his office.

Two Filings For Lower House Are Entered Tuesday

E. J. McAlear of Hillsboro, has filed with the secretary of state here his declaration of candidacy for the office of representative in the state legislature for the fourth district, Washington county.

His ballot slogan reads: "Reduction and equalization of taxes."

J. O. Turner, Heppner, has filed for the republican nomination for representative in the legislature for the 22nd district, Morrow, Sherman, Gilliam and Wheeler counties.

Tax Conservers To Meet Friday

The Marion County Taxpayers Conservation and Equalization league meets here Friday afternoon at 1 p. m. The group will gather at the chamber of commerce. Henry Zorn of Champoe is chairman. Reports on the investigation of county candidate platforms are expected. The league has announced that it will send a questionnaire to all political candidates this year although it will not place its own ticket in the field.

No More Gas In Stomach and Bowels

If you wish to be permanently relieved of gas in stomach and bowels take Basalman's Gas Tablets, which are prepared from stomach gas and all the bad effects resulting from gas pressure.

That empty, gnawing feeling at the pit of the stomach will disappear; that anxious, nervous feeling with heart palpitation will vanish; and you will again be able to take a deep breath without discomfort.

That drowsy, sleepy feeling after dinner will be replaced by a desire for entertainment. Bloating will cease. Your limbs, arms and fingers will no longer feel cold and "go to sleep" because Basalman's Gas Tablets prevent gas from interfering with the circulation. Get the genuine, in the yellow package at any good drug store. Price 51.

Occurrences and Gossip
at the center of Oregon's
state government

Yesterday it was announced state employees would have to wait until May 30 for the next holiday, but the column was in error. This year being election year there is a holiday on May 20, the date of the primary election. This likewise will cause three holidays for the month of November.

The holiday just past proved rather hard on some of the state employees, as they couldn't get over the idea yesterday was not Monday. The supreme court even had to defer its usual Tuesday opinions over an extra day. They were not all present for the conference. Opinions are expected to be handed down today.

Speaking of holidays, March and April will be rather tough on all state officials, unless some of the more Irish inclined declare a holiday for themselves on St. Patrick's day. In June, unless the flag day is added, there will be no holidays. July of course has its day, then there are August and October without. Hard life.

Charles Spaulding expects to cash in on his popularity as a dissenting former highway commissioner and run for the state senate from Marion county. He was appointed last year to succeed the late Senator Reynolds, but if he wishes to serve again must be elected this time. He expects to file this week.

Added to all other appropriate names on the state payroll at institutions, such as Dr. Looney at the state insane hospital, has been that of Bond at the state training school for boys. Bonds are numerous where a penal institution is concerned. The superintendent apparently does not know yet what he will pay for his Bond.

The Chinese headquarters in the Sino-Japanese war, involved all correspondents to lunch yesterday, paying for the transportation. What a break even war correspondents get. They were previously barred from the Japanese quarters. Well the general has nothing on the Japanese White invited correspondents here several times to dinner parties.

William Einzig Friday will make his debut as a speaker when he addresses the Portland board of the operation of the board of control. But the talk, we are informed, will not be of political nature, which at this season must be a relief to any luncheon organization. Probably that was the reason Einzig was selected.

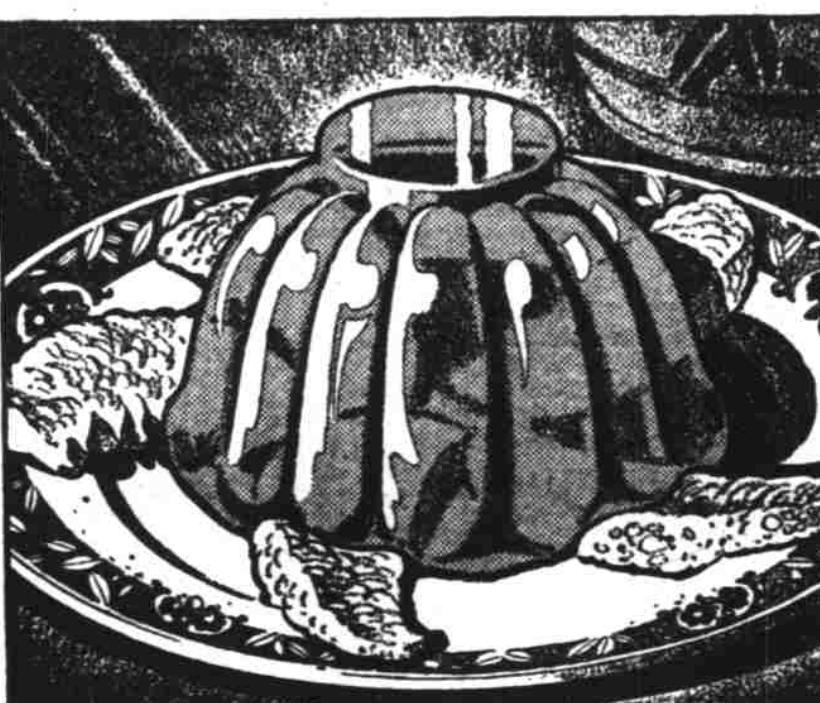

Dr. W. H. Lytle of the agriculture department, returned this week from a trip over eastern and central Oregon. He reported plenty of snow, but an acute shortage of hay, particularly in Harney and Lake counties. He says they are paying as high as \$27 a ton for hay. Prospects are good for big

BENEFIT SHOW IS NOTABLE SUCCESS

Dahl Brothers Lead in fun
Production for Relief
Work at Silverton

SILVERTON, Feb. 23.—Arthur Dahl and his brother Otto Dahl gave the well-filled house who witnessed "The Red Feather" Tuesday night at the Eugene Field auditorium, an uproarious time. The whole "show" was a great success from the audience's standpoint and a credit to the talented director, Mrs. Ray Thomas. The show will be given at the same place again tonight.

The proceeds of the production are to be donated to the local welfare board to be used for its work in assisting the needy in the Silverton community. By this method, it was explained when the venture was launched, it will be possible to carry out plans for the relief of families without resorting to personal drives.

The scene of the play is laid in the sumptuous hotel Red Feather, a summer retreat. There are ten characters in the principal action, all of whom were exceptionally good. There are also 45 players contributing besides six specialty numbers.

The plot centers around the hectic activities of two young men, Larry and Jimmy, played by Arthur Dahl and Max Lindholm, who, of course, are desperately in love with two very pretty girls, Dorothy Evans and Janet Smith, parts taken by two of Silverton's charming school teachers, Miss Catharine Cuddy and Miss Erna Starr.

As comedy relief from the trials and tribulations of the principal players there are Bob Evans, a college sophomore, played by Norman Eastman, Carol White, a guest played by Miss Lou Anna Chase, Mrs. White, her mother, played by Mrs. Clarence Meyer, Mrs. Murray, a summer boarder, played by Mrs. Otto Schwab, Mary, a colored maid, played by Mrs. Martin Peel and the circus manager, played by Otto Dahl.

FARMERS HAPPIER AS GROUND DRIES

MIDDLE GROVE, Feb. 23.—Farmers of this community are looking with favor upon the indications of dryer weather as some grain must be put in this spring which was delayed in the fall by too much moisture. Clover seed is being sown and hot beds planted for later garden plants.

The "Father of Our Country" was honored Monday morning by pupils of the Middle Grove school, who gave the following program:

Recitations by Harold Schweisinger, Barbara Leonhardt, George Bartruff, Jack Young and Oscar Warner. Three plays were given by the upper room and a play by the primary room and by the school. The whole school stood at attention with other schools all over the nation for one minute before singing the last

verse of the national anthem.

Mrs. Stettler, teacher of the primary grades took charge of the program in the absence of Mrs. Nellie Hammer, whose absence was caused by the death of her father-in-law, A. Hammer, of Salem.

Sunday dinner guests at the O. Jewett home were Mr. and Mrs. Claud Munkers, Edna and Claud, Jr., of Greenwood Station, Mr. and Mrs. Cliff Munkers, Lorna and Jessie and Bertha Munkers of Amity, Mrs. Katie Herren of Salem, and Mr. and Mrs. T. F. Walker of Middle Grove and Kenneth Walker of Portland.

How to assess personal property equitably in the various counties in the valley was the problem under discussion here Tuesday when a number of Willamette valley assessors met with Oscar D. Steelhammer, assessor in this county. Similar conferences have been held in previous years. Property effected includes cattle, horses, hogs, sheep, merchandise and personal effects.

UNIFORM ASSESSING IS CONFERENCE AIM

The purpose of these conferences is to take an inventory of going market prices on various classes of personal property and as near as possible establish an assessment, based on such market values, uniformly in all the counties involved.

Because of the decline in prices, personal property assessments probably will be lower this year than in the past.
