## Club Takes Stand for Immediate Work on 9-Mile Highway Stretch

HAYESVILLE, Feb. 23—The regular meeting of the Hayesville community club was held Friday night. The program consisted of the "minuet," danced in costume by the primary grade. The advanced grades gave an amusing dialogue on "Which Will It Be?"

W. A. Delsol gave an interesting patriotic talk, emphasizing the fact that history repeats itself, and each generation must fight to maintain its liberties.

The president, E. L. Moore, presented a few facts on the present problem of widening the highway.

It was the unanimous vote of the club to stand behind a delegation composed of Mr. Moore, Oscar Noren, Dr. Ellis and Mr. Batdorf, which is to meet with other districts at Woodburn March 3, and demand that the money be spent in widening the nine-mile stretch of highway north of Salem, and not withheld during the depression.

From good authority it was reported the belief that the highway commission will withhold the money, and after the depression, spend it on a new four-lane highway entirely new, and apart from the present highway. This new highway will cost about \$75,000 per mile. This the people agree, is not necessary and is an added expense to the taxpayer.

Dr. Barrick's quartet and Master David Smith presented musical numbers.

After the community club, members of the 4-H club who had completed their projects last year received their prize.

Those members were: Marcella Frey, Richard Batdorf, Yoshimi Saito, Sakiko Surpuma, Alan Smith, Zepha Smith, Bobbie Ratzburg, Mary Ito, Kayno Saito, Alma Carrow, Chivo Saito, Alven Frey, Dolphine Stupfel, Robert Smith, Helen Hartley, Iris Mason, Nadeen Queensbury, Elita and Johnson, Robert Phillips and Francis Bobb.

Mrs. Cecil Hunsaker returned to her home in Toledo, Sunday, after spending the week with her parents, Mr. and Mrs. Gene Kaiser.

The children of the school gave a patriotic program Monday morning. As a number of the program, a new picture of "Washington" presented to the school, commemorating the Washington bi-centennial and framed recently, was hung in the primary room.

Friday night the girls of the advanced grade cleared \$5, selling candy and popcorn at the community club. This money is to be used to buy balls for the playground.
