Tonight the Salem high school basketball team plays its last home scheduled basketball game here against Eugene high school.

The game tonight is one of the most important of the valley contests as far as Salem is concerned. A win over Coach Fritz Kramer's purple and white stalwarts would help the Cherrians even up a couple of old scores. The Astoria and Medford tilts are highlights of the season in the inter-sectional games but the Eugene fray holds the bulk of interest.

Coach Hollis Huntington's team broke even with Medford and with Astoria this season and is now determined to make a clean sweep of Eugene for the season, as the first game went to Salem by a 23-18 count.

Last year Salem won two games from Eugene high in basketball and the game this season makes three in straight running. The Townies are going to try and stop the winning streak enjoyed by the red and black.

Kramer bringing Tall Boys Again
Salem high has played some good ball most of this season but at times has made only mediocre showings. However, the team has set a fine record in the numerous games played and now performs more like a veteran machine.

Coach Fritz Kramer, whose Pendleton high team won the state basketball championship last season, is reported to have another crew of large men, though perhaps not of quite the altitude of his 1931 outfit. Eugene high gave Salem a tight game in the opener and will doubtless do the same again.

Negotiations were under way Monday to have the B teams of the two schools meet in a preliminary game, which would begin at 7:15.

PRESBYTERIAN FIVE DEFEATS FRUITLAND

Presbyterian hoopers defeated Fruitland 31 to 29 in one of the best games of the church league season, on the Y. M. C. A. floor. First Baptist won from First Methodist 41 to 26.

The schedule of remaining and postponed games has been listed together with an announcement that no more games can be postponed and any teams failing to show up on time will forfeit. The schedule follows:

Wednesday, 8 p. m.: Presbyterian vs. Evangelical, Knight Memorial vs. American Lutheran, First Baptist vs. Presbyterian, First Baptist vs. Knight Memorial, United Brethren, Evangelical vs. Fruitland.

Monday, 7 p. m.: American Lutheran vs. Congregational, Evangelical vs. First Baptist, Knight Memorial vs. First Christian.

Monday night's summaries:
First M. E. (36).....41
Sweet, 7.....F.....8, D. Morley
Harmon, 14.....C.....17, O. Morley
Haley, 1.....G.....10, Parker
Satchwell, 2.....G.....2, King
Presbyterian (31).....(29) Fruitland
Hageman, 3.....F.....10

Mohr, 4.....C.....7, Fargard
Bescher, 10.....G.....5, Smith
Pence, 4.....G.....4, Olson
Referee, Allen.

Hendrie Wins In Large Cup Golf Classic

Fond hopes of a successful assault on Old Man Par with the aid of six-inch cups, fizzled out for most of the golfers entered in the novel tournament at the Glen Golf club course Sunday. Don Hendrie, who won in the forenoon medal play with a 69, and Chester Cox who was second with a 71, did break par, and Charles Lambert, who won the greens fee players' award, tied it with a 72. Mike Melchior was second in that classification with a 73 and George Alexander third with a 75.

In the mixed doubles tournament played in the afternoon, Mrs. E. N. Gillingham and Clark Walker won first place scoring 83 and Mrs. Baker and Guy Smith ranked second with an 85.

Some of the players admitted that they might have saved a couple of strokes by holing into the lard-bucket size cups, but most of them reported little improvement in their every-day scores.

Tennis Club To Elect Officers

The Salem Tennis association will hold its annual meeting Wednesday night at 7 o'clock at the Salem chamber of commerce rooms. Election of new officers and discussion of plans for repairing the courts and for the year's activities will be in order. Present officers are Ralph Curtis, president, and Irl S. McSherry, secretary.

THE OLD FOX IS BACK AGAIN

According to Harry Plant this young feller is Henry Jones, and don't blame us if it's some other young lad. Henry snorted in protest the last time the sports department estimated his age. Supposing he is 23, what difference does that make to the fans so long as he can keep tossing the boys around? Henry has been making a hit in Portland, now that the little fellows have broken into the headliner game up there. He meets Jim King here tonight.

Bearcats Will Play Linfield Wednesday at McMinnville; Third Place Will be Stake

The Willamette Bearcats resumed practice Monday and will take a brief workout today to round into shape for the final northwest conference tilt against Linfield at McMinnville Wednesday night to decide the second place in the conference.

Linfield lost to the Bearcats 47 to 29 in the game played here, but on the McMinnville floor will doubtless give Willamette a tighter game.

During the life of the present northwest conference, Linfield has never defeated Willamette in basketball and the season would be a success for the Wildcats if they could accomplish that feat. It was a surprised crew of Wildcats which eyed the 47 to 29 score in favor of the Bearcats following the first game here. Linfield had already counted the Bearcats out and had anticipated no great trouble in defeating Keene's crew of inexperienced players.

Wednesday night's game will be the last northwest conference game for Percy Carpenter and for Don Faber. Carpenter played for the Willamette freshmen in his first year as did Faber. They were two of the high scorers of Coach Les Sparks' undefeated freshmen team that season with Faber being out in front in actual point gathering.

The next year Carpenter was a valuable alternate guard for Willamette and played center part of the time. He made his letter that season along with Adams, Scates, Cardinal, Hawk and Gibson, the smoothest basketball team Keene has turned out at Willamette. In his junior year Carpenter played regularly at guard and this season is playing the best basketball of his career.

Faber was one of the most promising freshmen basketball prospects in the class of 1932, but in his sophomore year broke his leg in football and lost an entire basketball season as a result. Last year as a junior he started his comeback, but it was not until this season that he hit his stride. While he is handicapped with a bad shoulder received in football last fall, he has been playing good ball for Willamette.

The Willamette freshmen will play the Linfield frosh in a preliminary game Wednesday night. "Les" Sparks' team won from Linfield in the first game which was played here.

Boxing Classes Prove Popular; 37 Taking Part

Fifteen young men and 22 boys are attending the boxing classes being held twice each week at the Y. M. C. A. under the direction of Clyde Grewell, Willamette university student. At present emphasis is being laid on stance, hitting and fencing.

The classes meet Monday and Thursday afternoons, the young men from 3 to 4 o'clock and the boys from 4 to 5 o'clock.

Triangular Mat Tournery Talked

Plans for a triangular wrestling meet here on Saturday evening between the McMinnville high school, Portland and Salem Y. M. C. A. teams are being considered. The McMinnville matmen are coached by Jack Brentano who has appeared in several preliminary matches at the local armory.

TWO STRIKES ON KID WINTER

Now here's the kind of post card we like to see coming from the South—a reminder of that lachrymose but hopeful phrase, "It won't be long now." Bob O'Farrell, New York Giants catcher, is shown as he took his first hit, with Frank Hogan catching, in the first work-out of the Spring training. The Giants are hibernating up at Wrigley Field, Los Angeles. Already there seems to be the ghost of a whisper in the air, uttering the welcome "Play Ball!"

BOU PROMISES SPEEDY ACTION

Strawberry King to Oppose Flying Head Scissors Exponent Tonight

A new pairing of grapplers will be seen at the Salem armory tonight when Henry Jones, the Strawberry King of Provo, Utah, meets Jim King of Wisconsin in a scheduled two hour bout.

Both grapplers are middleweights and employ speedy styles of attack. King came to this section with the express purpose of defeating Robin Reed, like many another who had the same laudable intention. King failed in that purpose, but he has been setting a fine record with other opponents in this section.

Tonight King will meet one of the craftiest wrestlers who has ever appeared in Salem, Henry Jones. Jones has all the holds which other grapplers employ and also his famous whip wristlock combined with a shoulder butt. No other mat man ever seen here can apply that held as effectively as Jones.

With all of his skill, Jones will have no easy time tonight as the young grappler from Wisconsin has all the fire of youth and sufficient experience that he will not fall easy prey of strategy. He also has a hold at which he excels and that is the spectacular flying head scissors.

The same may be said of King concerning the flying head scissors as is said of Henry Jones and his whip wristlock. King has used the flying head vis more successfully than any other wrestler who has appeared here.

Harry Kuehne who has demonstrated both wrestling and clowning ability here in his previous bouts, will meet Bulldog Jackson in the preliminary attraction. Kuehne defeated Henry Jones at one time and has wrestled a two hour draw with Howard McLean. Bulldog Jackson is in good condition now and believes that his speed will win for him over Kuehne.

WOODBURN ENTERS H. S. GOLF LEAGUE

WOODBURN, Feb. 29.—Woodburn high school is to have a team entered in the Willamette golf league. The league to popularize golf in high schools is headed by James Manning of Silverton. A. Howard of West Linn is vice president and James Miller of Woodburn is secretary and treasurer. Woodburn's team is to play teams from Silverton, Dallas and Salem. The league is divided into three sections with four schools in each section. In the southern section are Eugene high and Eugene playing basketball on the line. In the northern section are Park Rose, Oregon City, West Linn and Forest Grove. Woodburn is included in the central district.

Woodburn's interscholastic schedule follows:
March 26—Salem, Woodburn and Silverton at Salem.
April 2—open.
April 9—Salem, Woodburn and Dallas at Woodburn.
April 16—Silverton at Woodburn.
April 23—Woodburn at Dallas.
April 30—open.

It was decided at the December meeting of the league that a state golf tournament be held at the Salem Country club May 19, 20 and 21. The Salem chamber of commerce is sponsoring the event and will be the host to all golf teams from the different sections.

If enough interest is shown here at the local school, an interclass tournament of some sort will probably be arranged.

Prospects for Woodburn's league team are John Kinns, Eugene Goldade, John Espy, Carl Schwab and others. James Miller will coach the team.

Tennis Tournery For Salem High Players Listed

The Salem high school tennis players will soon be drawn for a tournament which will run off preceding the interscholastic season.

Wesley Roeder, captain of the Willamette university tennis team, will coach the Salem high players this season. Roeder is playing his fourth year of tennis at Willamette.

Fred Hageman, top man for Salem last year, will not be back, but several of the other players will and the tournament will doubtless bring out some new talent.

Dempsey Stops Two Opponents In Short Order

DAYTON, O., Feb. 29.—(AP)—Jack Dempsey, former heavy-weight champion of the world, knocked out two opponents in less than three minutes of fighting tonight.

Dempsey sent Jack Phillips, local heavy-weight, to the floor with a terrific left hook to the chin. Phillips, weighing 199 pounds, was counted out after one minute and 22 seconds of fighting.

Pat Sullivan, former United States army champion, was sent sprawling with two left hooks to the jaw.

The "Gate" Magnet—Punch!

By HARDIN BURNLEY

The punch wins! And this is not only true of sports but in most every other walk of life. But our interest today has to do with sports and its big thrill—the punch!

It is the wallop, packed in "Iron Mike," that enables Jack Dempsey to keep the crowds nervous with expectation even when Jack is boxing an exhibition. It is the hope of seeing the famous Dempsey left-hook crashing home that brings the fans flocking to the turn-stiles and laying their money on the line. It's the punch that made Ruth, baseball's Sultan of Swat, the greatest figure in diamond history. Tilden's famous cannonball service, drew the crowds and made the public tennis conscious. Helen Wills Moody is invincible on the courts because of her terrific forehand drive. And then there is Ernie Nevers, Stan-

ford's illustrious fullback, whose powerful drive in hitting enemy lines caused "Pop" Warner to declare him the greatest gridman of all time. And "Pop" should know. He coached Jim Thorpe.

We could go on for pages naming illustrious names of sportedom, past and present, and analysis would show that all of them reached the peak in their respective fields by virtue of power-punch.

The lure of the swabucking, ripping Dempsey was responsible for the three greatest sports spectacles in history. Back in 1921 in the battle with Georges Carpentier, of France, Dempsey was the magnet that packed Boyles Thirty Acres in Jersey City. It was the first of the million dollar gates. And it was a pageant conscious. Helen Wills Moody is invincible on the courts because of her terrific forehand drive. And then there is Ernie Nevers, Stan-

isn't clear at this distance. Palmberg is eligible now, but the district board forfeited two games in which he played while ineligible and that puts Astoria out of the running as it leaves Westport undefeated with only one game remaining to be played.

Quite a surprise to the Florshems and their backers, that defeat by Gladstone Saturday night. We believe the Florshems could have won on a larger floor, but we don't mean it as an alibi. The best team won, under the conditions.

The Washington Huskies won the northern division championship but they owe the Oregon Webfoot a vote of thanks for making it possible.

PREBLE FILES
Jim Preble, 663 North Liberty street, yesterday filed for position of committeeman in Salem precinct 15, for the May primaries.

DISTRICT HOOP TOURNERY NEAR

Dallas, Bethel, Perrydale To be Entries From Polk County

DALLAS, Feb. 29.—Polk county will send three strong teams to the district 11 basketball tournament at Independence on Wednesday, Thursday, Friday and Saturday of this week. Dallas high's quintet won the Polk county championship at Monmouth last week but had a real battle against Bethel to win. Bethel beat Dallas on Friday night 26 to 24, making it necessary to play off the tie on Saturday night. Dallas nosed out a 23 to 18 victory in the final but the score was tied until late in the last quarter.

Bethel has played 32 games this year and has scored 959 points for her opponents 544. In 25 games Dallas scored 648 points to her opponents 415 while Perrydale outscored her opponents 575 points to 401 in 23 games. Bethel has the lead on points scored in a game as she averaged 29.96 points per game against Dallas' 25.92 and Perrydale's 25. In the county tournament Bethel scored 112 points in five games while Dallas made 108 in four games. Perrydale played in three games and scored 73 points.

Bethel will play Corvallis high in the second game of the district meet on Wednesday afternoon. On Wednesday night, Perrydale will meet Silverton and Dallas will play Belfountain. With three strong teams in the tournament, Polk county stands a good chance of sending a team to the state tournament. Fans in this county are hoping that Bethel and Dallas are able to go to the finals or at least to the twelfth game as the games between these teams stand now with two wins apiece.

Standings of Polk county's entries after the county meet are:
W. L. Pct.
Bethel.....25 7 .781
Dallas.....21 4 .840
Perrydale.....15 8 .652

GLADSTONE, DALLAS IN TOURNERY FINALS

The windup of the district independent basketball tournament is slated for tonight on the Y. M. C. A. floor, with Dallas and Gladstone clashing for the honor of representing Polk, Marion and Clackamas counties in the state amateur tourney at Portland Saturday and Sunday.

There appears to be little to choose between the two fast-stepping teams which will meet for district honors tonight. Dallas defeated Stayton 39 to 31 and Gladstone outran the Florshems to prevail 40 to 28, in the first round games. Tonight's game will start at 8:15 with Bill Lemmon as referee.

It is the belief of many fans who saw the game that the Florshems could have won if the game had been played on a bigger floor—and perhaps, could turn the trick if they met, even on the same floor, another time. The local boys were badly "off" in their shooting a good share of Saturday night's contest.

Five members of the Salem Rifle club have received silver sharpshooter's badges from the national war department for records made on the 200-yard range last summer. They are: L. N. Bacon, Roy Remington, Francis Ackley, Adolf G. Hillman and Grant Farris.

Basic marksmen badges have been awarded to N. V. Doe, Donagan Wiggins, D. H. Mosher and John G. Craig.

The club is holding regular Friday night practice at the armory and is contemplating organization of a marksmen's team.

Local Riflemen Receive Awards

Herbert O. "Fritz" Orleser, athletic director at the University of Minnesota, who will be the 1932 football coach at Princeton university. He signed a contract last week said to call for \$12,000 annual salary.

STRIKES and SPARES

"Pop" Leftwich now has the Capitol alleys in fine shape for the Oregon state handicap tournament which will be rolled here starting Thursday of this week. Two coats of shellac have made the exceptionally fast, as the scores made in the City league games last night show.

All of the teams with the exception of the Elks turned in their best scores of the season, with honors going to Day and Niles men who made an admirable total of 2302. Bert Victor set the pace in individual scoring with a 215-222-226 totaling 663. The 226 and the 663 were high for the evening. Bill Leftwich with a 629 series also helped to swell the Day and Niles count. Day and Niles won two games from Willamette Valley Transfer and McKay Chevrolet won two from the Elks.

Thursday is the final day for getting teams entered in the state tournament, and it behooves managers wishing to enter, to get busy.

Day and Niles	Victor	Leftwich	Miller	White	Karr
215	222	226	663	203	205
203	205	221	629	136	156

Portland Volley Team Is Winner
The Salem Y. M. C. A. volleyball team met with reverse Saturday night when it played the Portland Central squad there. The locals were beaten two out of three by the team which they recently defeated six out of seven here.

FIGHTER

This most recent picture made of Jim Corbett, former heavyweight champion of the world, shows "Gentleman Jim" in the pink of condition and wearing the ever-present smile, despite his 55 years. The famous ring figure, who made the greatest battle of his career in the Presbyterian Hospital at New York, where he is in a critical condition.
