world's greatest tragedies, as it is believed the bomb was intended to

explode as the Pope was celebrating his anniversary mass, on which

occasion the church is attended by about 35,000 people and almost

every high dignitary of the Vatican. The bomb was taken by artillery

Ground Broken for new City Hall at Gervais, and Frames go up

GERVAIS, March 4 - The Lettermen's club of the high school met Tuesday afternoon and elected officers as follows: Antone Schlechter, president; Ernesi Naftzger, vice president; Ewald Susee, secretary-treasurer. Negotiations have been completed with the businessmen of the city to play a game of basketball among themselves next Friday night as a benefit for the club. A smoker will also be a part of the program with several matches being made

up from the Sacred Heart school. Fred Ferschweiler fell from a tree at his home Thursday forenoon and injured himself quite severely. The family physician was called and he advised that he be taken to a hospital. Mr. and Mrs. Ferschweiler went immediately to Portland with their son. They returned in the late afternoon and reported that he has a rupture on the right side between the abdomen and lung and an internal emorrhage.

Ground was broken for the new city hall Tuesday. The excavation is now finished and frames for the concrete will be placed immediately. Gravel and tile are on the ground and lumber will be hauled as needed. The Spaulding Lumber company of Woodburn is to furnish the lumber. The plumbing, heating and wiring contracts have not been let. Mayor Moisan is in control of the procedure. All home labor is to be employed, except for the boss carpenter.

Earl Dunn purchased two lots from G. J. Moisan Wednesday and will build a modern home thereon this spring. Mr. Dunn Elizabeth Crabtree, Mrs. Pearl owns and operates the Gervais
